AMUSEMENTS.

WINTER GARDEN.—"Kathleen Mavourneen" and "Thrice Married"—both clever pieces in their way—continue to fill this theater every night, and the former, from its double charm as an effective drama and a spectacular show, will be kept on the boards up to Saturday night, if not for another week. Mrs. Chanfrau's touching and beautiful delineation of the character of Kathleen is one of the most perfect pieces of acting we have seen this season. Mrs. Florence is also very excellent in the protean business of "Thrice Married," and the entertainment altogether is a very attractive one. The decorative arrangements of "Kathleen"—with the exception of the drawing-room scene which is worse than common place—would do credit to any theater in town.

WALLACK'S THEATER.—Mr. Lester Wallack's "Rosedale"—one of the most deliciously acted plays that has been seen in New-York for years, entered upon its eighth week last night, and is not likely to be withdrawn until after the holidays.

THE OLYMPIC.—Mr. Byron's witty burlesque of "The Duke's Motto" draws and delights immense crowds at this theater every night, and is introduced by Mr. Jamieson's delicious comedy, "There's No Such Word as Fail," in which the author gives a masterly rendering of the leading character, and is brilliantly supported by Mrs. Sloan, Mrs. Sedley Brown and Mr. T. Owens. It would be difficult to say which of the two fields is the most attractive, although the burlesque has the advantage—which ought to have been extended also to the comedy—of splendid scenic effects which alone are sufficient to insure success.

NIBLO'S GARDEN.—Mr. Forrest, whose long and successful engagement comes to a close this week, repeated his powerful rendering of "Othello" last night to one of the largest and most enthusiastic houses of the season. He will play another of his favorite characters to-night.

On Wednesday, Matilda Heron will give, as her last performance but one, her well known representation of Camille, in which, by common consent, she excels any other actress living.

The leading actors at Niblo's next week, and for two or three months to come, will be Mr. and Mrs. Barney Williams, who will appear in several Irish and Yankee plays, cast to the whole strength of the company and put upon the stage with Mr. Wheatley's proverbial liberality and taste.

MAMMOTH MENAGERIE.—Our readers are referred to the advertisement of Van Amburgh & Co. for a description of the mammoth menagerie which they propose to open on Wednesday next at Nos. 539 and 541 Broadway, and which promises to be a grand affair.

BROADWAY AMPHITHEATER.—Mr. L. B. Lent has fitted up Wallack's Old Theater, No. 485 Broadway, for equestrian performances, and will open for the Winter to-morrow evening with a select company.

BARNUM'S MUSEUM.—The great attraction of the week here—aside from the ghost-play and the musical drama—will be Anna Swan, the giant girl, who, though still in her teens, is over eight feet in hight, and weighs a little short of 380 pounds. Her companions at the Museum are a monster boy of about her own age and hight, and a little lad of fourteen, who is only 32 inches high, and weighs but 17 pounds.

IRVING HALL.—Mr. de Cordova will give the second of his original and humorous recitations this evening. Subject: "The Amateur Theatrical Association."

In connection with this subject, it is proper to add that the distribution of these prize moneys is not made in this city, but by the Secretary of the Navy. We make this statement to correct the general but erroneous impression that distribution is made by the Federal officers located at the port of New-York.

It is understood that Mr. Beecher has accepted an invitation of the Brooklyn War Fund Committee to deliver an address at the Brooklyn Academy of Music on Thursday evening next. Business Notices.

MORTON'S GOLD PENS are now sold at the same prices as before the commencement of the war; this is entirely owing to the Manufacturer's improvements in machinery, his present large Retail Business and Cash-in-Advance System; for, until he commenced advertising, his business was done on Credit and *strictly with the Trade*.

The Morton Gold Pens are the only ones sold at old prices, as the makers of all other gold pens charge the Premium on the Gold, Government Tax, &c.; but Morton has in no case changed his prices, Wholesale or Retail.

Of the great numbers sent by mail to all parts of the world during the past few years, not one in a thousand has failed to reach its destination in safety; showing that the Morton Gold Pen can be obtained by any one, in every part of the world, at the same price, postage only excepted.

Reader, you can have an enduring, always ready, and reliable Gold Pen, exactly adapted to your hand and style of writing, which will do your writing vastly cheaper than Steel Pens; and at the present almost universal High-Pressure Price of everything, you can have a Morton Gold Pen cheaper, in proportion to the labor spent upon it and material used, than any other Gold Pen in the World. If you want one call on A. MORTON, No. 25 Maiden Lane, or inclose stamp for circular.
