NEW REMEDIES! NEW REMEDIES!

DR. GIBBON'S DISPENSARY

NO. 623 KEARNY STREET, CORNER Commercial, San Francisco. Private entrance on Commercial street. Established in 1854, for the treatment of Sexual and Seminal Disease, such as Gonorrhea, Gleet, Stricture, Syphilis in all forms, Seminal Weakness, Impotency, etc., etc. Skin diseases of years standing, and Ulcerated Legs, etc., successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals of Europe, and has resumed practice. The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for alleviating human suffering.

Seminal Weakness.

Seminal emission is consequence of self abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fœtid breath, coughs, consumption, night sweats, monomania and frequently insanity. If relief be not obtained, you should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating disease, which never fails of effecting a quick and radical cure.

Cured at Home.

Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, any part of the country, with full and plain rections for use.

Persons writing to the Doctor will please stat the name of the paper they see this advertisement in.

By enclosing $10 in coin in a registered letter through the Postoffice, orthrough Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All communications strictly confidential.
Address, DR. J. F. GIBBON,

PIPIFAX.

THE ROSICRUCIAN WERE A SECT OF Philosophers who flourished in Germany during the seventeenth century, and prosecuted profound researches into Natural Science and Occult Philosophy, and sought to discover the

ELIXIR OF LIFE.

Although some superstition may have been developed among them and other Alchemists in search for the Elixir Vita, yet there is scientific truth at the bottom of all Alchemy and Astrology. They were impressed with the properties of

HERBAL PREPARATIONS,

And found dynamic and psychologic force in the extract of certain plants.

PIPIFAX

Is due to the researches of a learned scholar of Europe among the archives of the Rosicrucians. It is made of

TWENTY DIFFERENT HERBS,

Gathered at such seasons of the year when their juices are strongest and virtues unimpaired, forming a combination unrivalled in the materia medica.

PIPIFAX

Is an enemy to all corruption—it assists and fortifies Nature. Its manner of operation is to

Drive to the Extreme Parts

And through the pores of the skin and all emunctories of the body, the bad humors which molest it, giving relief even in diseases the most refractory and difficult to cure, such as Neuralgia, Dyspepsia, Constipation, Sick Headache, Nervous Weakness and Billiousness. It is pleasant to the taste, mild in its action, marvelous in its effects and unsurpassed as a tonic. Used as a beverage in malarious districts it neutralizes miasma and prevents fever and ague.
