COMPULSORY EDUCATION

AN ACT TO COMPEL CHILDREN TO ATTEND SCHOOL.

[Approved February 25 1873.]

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. Every parent, guardian, or other person in the State of Nevada, having control and charge of a child, or children, between the ages of eight and fourteen years, shall be required to send such child, or children, to a public school for a period of at least sixteen weeks in each school year, at least eight weeks of which shall be consecutive, unless such child, or children, are excused from such attendance by the Board of School Trustees of the school district in which such parents or guardians reside, upon its being shown to their satisfaction that the bodily or mental condition of such child, or children, has been such as to prevent his, her or their attendance at school, or application to study, for the period required, or that such child, or children, are taught in a private school, or at home, in such branches as are usually taught in primary schools, or have already acquired the ordinary branches of learning taught in the public school; provided, in case a public school shall not be taught for the period of sixteen weeks, or any part thereof, during the year, within two miles, by the nearest traveled road, of the residence of any person within the school district, he or she shall not be liable to the provisions of this act.

Sec. 2. It shall be the duty of the Board of School Trustees of each school district in this State, on or before the first Monday in September in each year to furnish the principal of each public school taught in such district with a list of all children, resident in the school district, between the ages of eight and fourteen years, said list to be taken from the report of the School Census Marshal. At the beginning of each school month thereafter, it shall be the duty of the principal of each school in such district to report to the Board of School Trustees of such district the names of all children attending school during the previous school month; when, if it shall appear at the expiration of four school months, to the Board of School Trustees, that any parent, guardian, or other person having charge or control of any child, or children, shall have failed to comply with the provisions of this act, the Board shall cause demand to be made upon such parent, guardian, or other person, for the amount of the penalty hereinafter provided; when, if such parent, guardian, or other person shall neglect or refuse to pay the same within five days after the making of such demand, the Board shall commence proceedings, in the name of the school district, for the recovery of the fine hereinafter provided, before any Justice of the Peace in the township in which said school district is located; or, if there shall be no Justice of the Peace therein, then before the nearest Justice of the Peace in the county.

Sec. 3. Any parent, guardian or other person having control or charge of any child, or children, failing to comply with the provisions of this act, shall be liable to a fine of not less than fifty dollars, nor more than one hundred dollars, for the first offense, nor less than one hundred dollars, nor more than two hundred dollars, for the second and each subsequent offense, besides the costs of collection.

Sec. 4. Whenever it shall appear to the satisfaction of the Board of School Trustees of any school district in this State that the parents, guardians or other persons having control and charge of any child, or children, in attendance upon the public school of said district, in accordance with the provisions of this act, are unable to procure suitable books, stationery, etc., for such child, or children, it shall be the duty of such Board to procure or cause to be procured for such child, or children, all necessary books, stationery, etc., the same to be paid for out of the fund of said school district, in the same way that other claims against the school district are now allowed and paid; provided that all books, stationery, etc., purchased under the provisions of this act shall be deemed to be the property of the school district, to be under the care and and control of the School Trustees, when not in actual use.

Sec. 5. All fines collected under the provisions of this act shall be paid into the County Treasury on account of the State School Fund.

Sec. 6. It shall be the duty of the County Superintendent of Public Schools in each county in this State to cause this law to be published in some newspaper in his county, if any there be, four consecutive times, annually, for a period of two years, the expense of such publication to be allowed and paid out of the General School Fund of the county. The Board of School Trustees in each school district shall cause to be posted, annually, for a period of two years, in three public places in their district, notices of the requirements and penalties of this act.

Sec. 7. This act shall take effect and be in force from and after its passage.
