Rutland, Apr. 29, 1852.

AYER'S CHERRY PECTORAL

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO CURE A COLD WITH HEADACHE AND PAIN OF THE BODY, take the Cherry Pectoral on going to bed, and keep up warm. Scarcely during the night.

FOR A COLD AND COUGH, take it morning, noon and evening according to directions on the bottle, and the difficulty will soon be removed. Some will long suffer from this trouble when they find it can be so readily cured. Persons affected with a wheezy cough, which breaks them of their rest at night, will find, by taking the Cherry Pectoral on going to bed, they may be sure of sound, uninterrupted sleep, and generally refreshing rest. Good relief from suffering, and in all ordinary cases is afforded to thousands who are thus afflicted, by this invaluable remedy.

From the opinion of the Physicians in Fayetteville, Tenn. April 16th 1851.

Sir:—We have given your Cherry Pectoral an extensive trial in our practice, and find it to our mind every other remedy we have for curing affections of the respiratory organs.

DUNLAP & HAMPTON.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours and wonderfully increases the power and flexibility of the voice.

ASTHMA is generally much relieved and often entirely cured by Cherry Pectoral. But there are some cases so obstinate as to yield entirely to no medicine. Cherry Pectoral will cure them, if they can be cured.

BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Dect LANSING, of Brooklyn, N. Y. states: "I have seen the Cherry Pectoral cure such cases of Asthma and Bronchitis as leads me to believe it can rarely fail to cure those diseases.

FOR CROUP give an emetic of antimony to be followed by large and frequent doses of the Cherry Pectoral until it subdues the disease. It takes no season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured by the use of Cherry Pectoral.

THE INFLUENZA is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from any serious consequences while their neighbors, without the Cherry Pectoral, were suffering from the disease.

Dect J. C. Ayer:— SALEM Ohio June 11, '51

I write to inform you of the truly remarkable effects of your CHERRY PECTORAL in this place, and to my own family. One of my daughters was completely cured in three days of a dreadful Whooping Cough, by taking it. Dr. Means, one of our very best physicians freely states that he considers it the best remedy we have for pulmonary diseases and that he has cured more cases of Croup with it, than any other medicine he ever administered.

Our clergyman of the Baptist Church says that during the run of Influenza here this season, he has seen cures from your medicine he could scarcely have believed without seeing.

Yours respectfully, J. D. SINCLAIR, Deputy Postmaster.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

I have found the CHERRY PECTORAL, as its ingredients show, a powerful remedy for colds and coughs and pulmonary diseases.

PARKER CLEVELAND, M. D.

BRUNSWICK, Me., Feb 5 1847.

DR. VALENTINE MOTT,

The widely celebrated Professor of Surgery in the Medical College, New York City, says:—

"It gives me pleasure to certify the value and efficacy of Ayer's Cherry Pectoral which I consider peculiarly adapted to chronic cases of the Throat and Lungs.

Cures of severe diseases upon the Lungs have been effected by CHERRY PECTORAL in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the certain cure and consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it. Prepared by J. C. AYER.

Chemist: Lowell, Mass.

Sold by L. Daniels and H. L. Spencer; Castleton; Ellis, Roberts & Holden, and by the Druggists throughout the State and Country.

Extract according to Act of Congress, A. D. 1851, by J. S. HOUGHTON, M. D., in the Clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

Dr. J. S. HOUGHTON'S

THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from RENNET of the fourth STOMACH OF THE OX after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for INDIGESTION DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION and DEBILITY. Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of Pepsin infused in water, will digest or dissolve Five Pounds of Roast Beef in about two hours, out of the Stomach.

PEPSIN is the chief element, or Great Digestive Principle of the Gastric Juice—the solvent of the Food, the Purifier, Preserving and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox thus forming an Artificial Digestive Fluid precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evil of Indigestion and Dyspepsia are removed just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics curing cases of debility, emaciation, nervous decline and Dyspeptic Consumption supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE.

BARON LIEBIG in his celebrated work on Animal Chemistry, says—"An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach.

Dr. COMBE, in his valuable writings on the Physiology of Digestion, observes that a diminution of the quantity of the Gastric Juice is a prominent and all prevailing cause of Dyspepsia, and he stated that a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

Dr. GRAHAM, Author of the famous works on "Vegetable Diet" says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process.

☞ Call on the Agent, and get a descriptive circular, gratis, giving a large amount of Scientific Evidence, similar to the above, together with reports of Remarkable Cures, from all parts of the United States.

AS A DYSPEPSIA CURER

Dr. HOUGHTON'S Pepsin has produced the most marvelous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement, but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases and the cures were not only rapid and wonderful, but permanent.

It is a Great Nervous Antidote, and particularly useful for tendency to Bilious Disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating and the too free use of ardent spirits. It almost reconciles health with intemperance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief. A single dose removes all the unpleasant symptoms, and it only needs to be repeated for a short time to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Sourness of the out of the Stomach, distress after eating, low Condition of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, suicide, &c.

Dr. HOUGHTON'S PEPSIN is sold by nearly all the dealers in fine drugs and popular medicines, throughout the United States. It is prepared in Powder and Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians can be obtained of Dr. Houghton or his Agents, describing the whole process of preparation and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy no objection can be raised against its use by Physicians in respectable standing and regular practice.

Price ONE DOLLAR per bottle.

☞ OBSERVE THIS ☜ Every bottle of the genuine PEPSIN bears the written signature of J. S. HOUGHTON, M. D., sole proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

☞ Sold by all druggists and dealers in medicines. For sale by H. L. Spencer, Rutland, C. L. Case, Brandon, W. F. Russell, Middlebury, C. C. Nichols, Castleton, A. P. Rogers, N. Haven, Daniels & Moor, Bristol, W. S. Sprague, A. C. Spear, Burlington, Redfield & Grannis, Montpelier, H. Wardner Windsor, Robbins & Holden, Cuttingsville. 47y1

DR. MARCHISI'S

UTERINE CATHOLICON.

THE undersigned, having become Agents for this INVALUABLE MEDICINE would respectfully invite the attention of the afflicted to the gratifying success that has attended its use wherever introduced, and its happy adaptation to the cure of the distressing diseases for which it is offered.

This CATHOLICON is in truth one of the GREATEST MEDICAL DISCOVERIES of the AGE, and is restored to become identified with the health and happiness of

FEMALES.

This declaration is based on the fact that it will cure more than nine tenths of a class of very prevalent diseases, known as

FEMALE COMPLAINTS

and which have heretofore resisted the skillful exertions of the most accomplished Physicians of all countries to a degree beyond that of almost every other malady to which the human family is heir. It has already received the approbation and liberal patronage of very many prominent members of the Medical Faculty in the United States willing to abide the truth, and having due regard for the welfare of their patients, and in every way worthy the confidence of the afflicted as a successful, safe and cheap remedy. Of this additional proof will be found in the pamphlet to which the attention of Ladies and Practitioners is respectfully invited.

This medicine has never been introduced by empty puffs and misrepresentations, nor is it intended that its present popularity shall be sustained by any medium but its merits and the approbation of the public. The CATHOLICON is not a "cure all," but is intended expressly for those complaints incidental to the respectable female whether married or single—Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe, or of how long standing.

Rent Notice For 1852.

THE Subscriber flatters himself that the success which has crowned his

OPERATIONS ON THE TEETH,

during a residence of eight years in this village, is not unknown to a majority of the inhabitants of Windsor County. He thinks too that he has not only kept up with the progress of improvement in his profession, but humbly believes that he has assisted materially in its advancement. During the past year, he has constructed

Sixteen Whole Sets of Artificial Teeth

besides numerous smaller pieces. Every material used is of the very purest quality ever employed by Dentists.

Persons in need of any Dental Operation whatever are assured that it will be done by the subscriber equal to any performance in the cities; and he requests those unacquainted with his work to address him by mail, when he will give them references as near their own residence as possible.

Many of the whole sets made by him the past year will resist a downward pull of 25 lbs. without starting from the jaws. Even a *single tooth* is now put in on the atmospheric principle with success.

A GOOD OFFER

All persons residing at a greater distance than ten miles from this village, coming to the subscriber for any dental operations whatever, are informed that a discount of five per cent will be made to them on the amount of their bill.

All residing more than twenty miles from Woodstock will be allowed a discount of eight per cent.

All more than thirty miles distant ten per cent.

This offer is made because the subscriber has determined to discontinue his professional visits to other towns. His great increase of business compels him to this course, and he hopes it will be as much for the benefit of his patients generally, as for himself. Rely therefore on finding him hereafter,

ALWAYS AT HOME.

Persons at a distance are invited to make such enquiries by mail, in regard to the various operations and their prices, as they choose, which will be answered with pleasure.

HENRY S. CHASE, M. D.

Woodstock, Vt., Dec. 1, 1851. 31eow6m

Rutland, Feb. 5, 1852.

WEST RUTLAND HOUSE.

THE SUBSCRIBER would give notice to his friends and the public, that he has re-leased the old established and well known

PUBLIC HOUSE

at West Rutland, Vt., and the same having been newly furnished and generally renovated and improved in its internal arrangements—is now open for the accommodation of the traveling public, and to all whom business, pleasure or convenience may call to this place.

This house is pleasantly situated on the line of the Railroad from Rutland to Troy and also to Whitehall; is but 3 miles from Clarendon Spring—to and from which place, stages arrive and depart daily on the arrival of Cars—and is within a mile of the celebrated Marble Quarries for which Rutland is so noted.

No pains will be spared by the subscriber to render this house a quiet and agree
