Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D. in the Clerk's Office of the District Court for the Eastern District of Pennsylvania.

Great Cure for Dyspepsia!

ANOTHER SCIENTIFIC WONDER!

DR. J. S. HOUGHTON'S

The True Digest've Fluid,

OR, GASTRIC JUICE!

PREPARED from RENNET, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation and Debility, curing after nature's own method, by nature's own Agent, the Gastric Juice

☞ HALF a spoonful of Pepsin, infused in water, will digest or dissolve *Five Pounds of Roast Beef in about two hours*, out of the stomach.

PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food, the Purifying, Preserving and Stimulating* Agent of the Stomach and Intestines. It is extracted from the digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers and furnishing a complete and perfect substitute for it.—By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It works wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE!

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

DR. PEREIRA, in his famous treatise on "Food and Diet," published by Fowlers & Wells, New York, page 25, states the same great fact, and describes the method of preparation. "There are few higher authorities than Dr. Pereira.

DR. CONDIE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which *proved completely successful.*

DR. GRAHAM, author of the famous works "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of the *artificial digestion of them in nowise different from the natural digestive process.*"

DR. CARPENTER'S standard work on Physiology, which is the library of every Physician, and is used as a Text Book in all the Colleges, is full of evidence similar to the above, respecting the remarkable Digestive power of Pepsin, and the fact that it may be readily separated from the stomach of a dead ox, and used for experiments in Artificial Digestion, or a remedy for disease of the Stomach and deficient secretion of Gastric Juice.

AS A DYSPEPSIA CURER,

Dr. HOUGHTON'S PEPSIN has produced the most *marvellous effects*, in curing *cases of Debility, Emaciation, Nervous Decline*, and *Dyspeptic Consumption.* It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Anodyne, and particularly useful for tendency to fidgety disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the sickness of Quinine, Mercury, and other drugs, upon the digestive organs, after a long sickness. Also, for excessive eating, and the inordinate use of ardent spirits. It is an unerring remedy in all cases of Nervous Debility, and the indigestion which follows.

OLD STOMACH COMPLAINTS

There is no cure of Old Stomach Complaints which I dare not second, from my own experience. No pitiless how bad I may be recommending it, I know it will *cure every case at the worst, and in the most aggravated form.*

A single dose removes all the unpleasant symptoms, and in most cases it is surprising to see how quickly it makes those great effects permanent. Purity of blood, and Vigor of Body follow of course. It is powerfully excellent in cases of Nausea, Vomiting, Costiveness of the part of the Stomach, sickness after eating, low, and state of the Blood, Heaviness, Low-spirits, Dyspepsia, Constipation, Weakness, tendency to fits, to suicide, &c.

Dr HOUGHTON'S PEPSIN is prepared in Powder and in Liquid form—and in prescription form for the use of Physicians.

CONVENIENT PILLS—Every bottle of the genuine PEPSIN, bears the written signature of J. S. Houghton, M. D. sole proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

CHERRY PECTORAL

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many *proofs* are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

DEAR SIR: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases both of adults and children.

I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases

PARKER CLEAVELAND, M. D.

Brunswick, Me., Feb 5 1847

From an Overseer in the Hamilton Mills, in this City.

Lowell, Aug 10, 1849

Dr. J. C. Ayer: I have been cured of the worst cough I ever had in my life, by your "Cherry Pectoral" and never fail, when I have an opportunity, of recommending it to others

Yours, respectfully,

S. D. EMERSON.

☞ Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effect of the medicine was unmistakably distinct.—

United States Hotel, Saratoga Springs, July 5, 1849.

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "Cherry Pectoral," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have pleasure in certifying these facts to you,

And am, sir, yours respectfully,

J. F. CALHOUN, of S. C.

☞ The following was one of the worst of cases, which the physicians and friends thought to be incurable consumption.—

Cortlandt, Pa., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed I was rapidly fading, and in such distress for breath, that but little hope of my recovery could be entertained. While in this situation, a friend of mine, the Rev. John Keller, of the Methodist church, brought me a bottle of your CHERRY PECTORAL, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found myself in health, much improved. Now in three months, I am well and strong, and can attribute my cure only to your great medicine.

With the deepest gratitude yours, &c.

☞ *Price $1 per Bottle, or Six Bottles for $5*

It is now put up in QUART BOTTLES, of the same power and medical properties as the Pint Bottles. Each Large bottle contains SIXTY-FOUR DOSES, and the Pints contain only Twenty-Four Doses, and the One Dollar Bottles only Twenty-One Doses, which is less than one cent a dose, and less than half a cent a dose, because there is more in a dose in the Quart than there is in the Pint or One Dollar Bottle. The Blood Purifier over all other medicines, stands in a good position, as it is a well established fact, that it is the *powerful Medicinal Virtues* of some Secret Medicine, which make them so popular.

Indian Roots and Barks,

which are the active principle of the Blood Purifiers—of the Blood Purifiers, which are so much used by the Indians, in other lands, and which are now being introduced into this country under the strong impression that they are a Secret Remedy.

Sarsaparilla, Yellow Dock,

CHERRY AND SASSAFRAS BARKS,

make the Vegetable Extract, not only the greatest Blood Purifier, but a cheaper medicine by a great odds than any other, as the Sarsaparilla alone, which is the main ingredient, at the prices charged, would cost more than the One Dollar bottle, much longer, and will cure Ten times more than Blood cleansers, that are sold for a Dollar a bottle.

A CERTAIN CURE For the Piles.

No. 196 BOWERY, (3 doors above Spring Street.)

DR. UPHAM'S

Vegetable Electuary, or Internal REMEDY FOR THE PILES,

TRIUMPHANT!

50,000 Cases Cured the past year!

Read the following addressed to the Rochester agents:—

Messrs. Post & Willis—Gents: It is with no ordinary feelings of pleasure that I am enabled to inform you the cure I have experienced by the use of Dr. Upham's Electuary, which I obtained from you in case of Piles with which I have been afflicted. My sufferings have been almost beyond endurance and cannot be known or imagined, only by those who have experienced like afflictions.

Having been so long and sorely afflicted, I am induced to address you, that through you I may make known to my friends and neighbors the truly wonderful virtues of Dr. Upham's Electuary, which I shall hereafter keep on hand, as I find it beneficial in other respects, removing obstinate costiveness, morbid accumulations in the stomach and bowels, and to purify the blood—thus removing the cause of Piles, when a speedy cure must follow.

It is needless to add that previous to obtaining the Electuary of you, I had consulted many of our best physicians, but to little or no benefit. Should you know a case of my distant Piles, please refer them to me at my residence, in the town of Gates, where I shall be pleased to give them much more particular information than I am able to do in this communication

JESSICA BEAMAN.

☞ Hundreds of certificates similar to the above, may be seen at 196 Bowery New York, where the Electuary is sold wholesale and retail by the original and sole proprietor, A. UPHAM, M. D. Beware of humbugs and worthless imitations. The genuine has on my signature in my own hand writing on the $5 size wrapper. Price $1 per box, or six boxes for $5.

Petition to deed Land.

THE Petition of William M. Sutton and Harry Sutton to the Probate Court for the district of Chittenden shows that James Sutton, late of St. George died in August 1853 and that in his lifetime he was under a contract to deed to the said petitioners certain landsin Williston and St. George in Chittenden county, that is to say to Harry Sutton a certain tract containing two hundred acres and in said petition particularly described, and to the said William M. Sutton certain other tracts, in said petition described, and that the said James Sutton died without having executed conveyances of the said lands agreeably to his contracts, that the said William M. Sutton is the administrator of the estate of said James Sutton, and praying that said Probate Court would convey to William M. Sutton the lands so to be conveyed by the said James and that the said William M. as such administrator may be ordered to convey to the said Harry Sutton the said lands so to be conveyed to him by said James.

Whereupon it is by said Probate Court ordered that Saturday the 13th day of September 1851 at the Probate Office in Burlington be assigned for considering said petition and that all persons concerned be notified thereof by publishing the substance of said petition and this order in the Burlington Free Press three weeks successively, the last of which to be before the day set for the hearing.
