UNIVERSAL! UNIVERSAL!!

IS THE DEMAND FOR

DR. S. O. RICHARDSON'S

SHERRY WINE BITTERS!

The celebrated New England remedy for Habitual Constipation, Jaundice, Fever and Ague, General Debility, and all diseases arising from a disordered Stomach Liver or Bowels.

They are used and recommended by the leading Physicians of the Country, and all who use them pronounce them invaluable.

Dr. JAMES L. LEPERE writes from Navarre, Stark Co., O.: "The Bitters are praised by those suffering from indigestion dyspepsia and liver complaint."

E. S. DAVIS, Postmaster at Williamsport, O., says: "They give mails action. I use them myself, having taken cold, become prostrate and lost my appetite. It relieved me, and I can recommend it with great assurance of its merits."

Dr. WM. M. KERR, of Rogersville, Ind., writes us that they are the most valuable medicine offered. He has recommended them with great success and with them made several cures of palpitation of the heart and general debility.

THOMAS STANFORD, Esq., Blountsville, Henry Co., Ind., writes us a long letter, under date of May 4, 1860. He was much reduced, having been afflicted for three years with great nervous debility, palpitation of the heart of the most severe and prostrating character, "after using a few bottles I was completely restored, and am now in robust health."

G. W. HOFFMAN says he was afflicted with rheumatism for twenty years in all its various forms, and at the date of this letter he has been two years well, the Bitters effecting a cure, when several Physicians attending him could do him no good. He says, "for rheumatism, dyspepsia, liver complaint, kidney affection or dropsy, it is a specific certain remedy."

J. W. HUNT writes from Delphos, Allen Co., Ohio, (a section where Fever and Ague prevail) that he most cheerfully recommends them of decided merit in all cases of Fever and Ague, Dyspepsia and General Debility.

D. K. GALLEHERS, of Van Wert O., "I must respectfully recommend the Sherry Wine Bitters to the notice of dyspeptic persons, and all who require a stimulating medicine."

THE ONLY DISCOVERY

WORTHY OF ANY CONFIDENCE FOR

Restoring

THE BALD AND GRAY!

Many since the great discovery of Prof. Wood have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Vrginia, April 18th 1859

"Prof. O. J. Wood & Co. Gents: The letter I wrote you in 1856, concerning your valuable Hair Restorative and which you have published in this vicinity and elsewhere, has given rise to numerous inquiries touching the facts in the case. The inquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true or all therein contained; third does my hair still continue to be in good order and of natural color? To all I can and will answer invariably yes. My hair is even better than in any stage of my life for thirty years past, more soft, healthy and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been basely imitated and been used, not only without any good but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact I send you a lock of my hair, taken off the past week. I received your favor of two quart bottles last summer for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor that you send me a test by which I can discover fraud in the Restorative sold by many, I fear without authority from you. A pure article will insure success and I believe where good effects do not follow the failure is caused by the impure article which causes the inventor of the good. I deem it my duty as heretofore to keep you apprised of continued effect on my hair, as I assure all who enquire of my unshaken opinion of its valuable results. I remain, dear sir, yours

A. C. RAYMOND.

Aarons Run Ky., Nov. 3d 58

PROF. O. J. WOOD: Dear sir—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant but with out success, and finding my head nearly destitute of hair, I was usually induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to ALL who may feel the necessity of it.

Respectfully yours, REV. S. ALLEN BROCK

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited—but if you think it worthy a place among the rest, insert it you will; if not destroy and say nothing.

Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz large medium, and small; the small holds ½ a pint and retails for one dollar per bottle; the mediums hold at least twenty per cent. more in proportion than the small retails for two dollars per bottle; the large holds a quart 40 per cent. more in proportion and retails for $3 a bottle. ATWOOD'S QUININE TONIC BITTERS,

The Best Aromatic Tonic Ever Offered the Public.

RECOMMENDED BY THE FACULTY

For Its Superior Medicinal Qualities.

THIS elegant compound which has secured the confidence and endorsement of most of the leading Physicians of New England, is a palatable and efficient form of Quinine, containing all the peculiar virtues of PERUVIAN BARK, carefully combined with various tonics and stomachics, and cannot fail to meet the wants of the debilitated.

It is a mild tonic to the stomach, increasing the appetite, assisting digestion, pre eminently good in dyspepsia, strengthening and invigorating to the digestive and nervous systems after prostrating diseases; and in fever and ague, or kindred complaints, its aid is invaluable.

For diarrhœa dysentery and cholera morbus, the public may rest assured there is not can be any better general remedy.

One of the very best Physicians in Boston has said "that it is the best preparation of Bitters that has ever been offered to the public."

Put up in half pint as well as quart bottles, in order that all may convince themselves of its superior merits.

GREATEST IMPROVEMENT

OF THE AGE.

THE GOOD SAMARITAN!

FOR

WOOD or COAL.

Ahead of all Competition!

5463 of them manufactured last year—more than double the number of any other first class stove in one year, in the United States.

THEY contain all the improvements which are in all the first class stoves, and the advantages and improvements over other stoves are in part as follows:

1st. The arrangement for broiling on the front hearth, —an improvement overlooked in other first class stoves. It has also the same arrangement for broiling on top.

2d. A thorough ventilation of the Oven.

3d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening its operations and enabling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Much greater weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one griddle will heat as quick as the other, also heating the oven in half the time.

7th. Fire back protected by soap-stone, so it cannot burn out.

In addition to the above improvements, it has all that is combined in other first class Stoves, viz.—Hot water Reservoir, Warming Closet, Roaster in front, Baker on top, Doors lined with best Russia Iron, &c., &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner.

All who want a first class Stove, should never buy until they call and see the GOOD SAMARITAN, as they have in every instance given satisfaction.

I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying.

I have also as full an assortment of Common Stoves on hand as any other dealer in Washington County, and sell as low as any one in the State. D. DEWEY.

I have examined the Marland's patent safe in your store, and so far as I am able to judge of its fire proof qualities, I believe the principle upon which it is built, to be most reliable in resisting heat, of any fire proof safe that has come under my observation and particularly recommend it to the attention of Probate Districts that are now supplying themselves, for the preservation of their records. RENZ. W. DEAN Sec. of State.

Brattleboro, Dec., 3d 1858.—This may certify that we have examined the Marland Patent Fire Proof Safe exhibited to us by Mr. Anson Hardy, and that in our opinion, Marland's Safe would be a desirable one to purchase for the use of the Probate Courts.

Middlebury, April 27th, 1859.—The Legislature of Vermont at its last session passed a law making it the duty of County Judges to procure Fire Proof Safes, in which to deposite Probate Records. In discharge of that duty we have spent some time in examineing a number of safes, we have come to the conclusion that the Marland Safe manufactured by M. B. Bigelow & Anson Hardy of Boston, Mass., is superior to any other we have examined for its Fire Proof qualities. We have bought a safe of that description for the New Haven Probate District, and are well satisfied with his workmanship, apparant strength and durability. W. W. C. WRIGHT, } Ass't Judges of

PROF. WOOD'S RESTORATIVE CORDIAL & BLOOD RENOVATOR!

Is precisely what its name indicates for while pleasant to the taste, it is revivifying, exhilarating and strengthening the vital powers. It also revivifies, reinstates and recreates the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all. So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly as to act in perfect accordance with the laws of nature, and hence so to the weakest Stomach and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects and yet it is never followed by lassitude or depression of spirits. It is compounded entirely of vegetable and those the most efficacious, combining powerful tonic and soothing properties, and does not in any case injure. Such a remedy has long been wanted to be considered an invaluable medical agent by the thousands by skilled in medical science and also by all who have suffered from debility, to it needs no medical skill or knowledge, even to see that debility follows all attacks of disease and days the unguarded system open to the attacks of many of the most dangerous diseases which poor humanity is constantly liable. Such for example as the following: Consumption, Bronchitis, Indigestion, Dyspepsia, Loss of Appetite, Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hypochondria, Night Sweats, Languor, Giddiness and a thousand cases, of a painfully distressing and fatal tendency to time, called *Female Weaknesses and Irregularities*. Also Liver Derangements or Inactivity, and Liver Complaints, Diseases of the Kidneys, Scalding or Incontinence of the Urine, or any general derangement of the Urinary Organs, Pain in the back, Side, and between the shoulders, predisposition to night Colds, Hacking and Continued Coughing, Inflammation Difficulty of Breathing, and indeed we might enumerate many more still, but we have space only to say, it will not only cure the disability following Chills and Fever, but prevent all attacks arising from miasmatic influences and cure the diseases at once, if already attacked. And as it acts directly and persistently upon the biliary system arousing the liver to action, promoting, in fact, all the excretions and secretions of the system, it will effectually prevent any deleterious consequences following upon change of climate and water; hence all travelers should have a bottle with them and all should take a table spoonful at least before eating. As it prevents costiveness strengthens the digestive organs, it should be in the hands of all persons of sedentary habits, students, ministers, literary men. And all ladies not accustomed to much out door exercise should always use it. If they will they will find an agreeable, pleasant and efficient remedy against those ills which rob them of their beauty; for beauty cannot exist without health and health cannot exist while the above irregularities continue. Then again, the Cordial is a perfect Mother's Relief. Taken a month or two before the final trial she will pass the critical period with perfect ease and safety. *There is no mistake about it, this Cordial is all we claim for it. Mothers try it!* And to you we appeal to protect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, to while the former from false delicacy often goes down to a premature grave rather than let their condition be known in time, the latter are so often mixed up with the excitement of business that if it were not for your ties too would travel in the same downward path until too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never failing affection will unerringly point you to Prof. Wood's descriptive Cordial and Blood Renovator as the remedy which should be always on hand in time of need. O. J. WOOD, Proprietor, 444 Broadway, New York and 114 Market street, St. Louis, Mo. and sold by all good Druggists. Price One Dollar per Bottle.
