THE ONLY DISCOVERY

WORTHY OF ANY CONFIDENCE FOR

Restoring

THE BALD AND GRAY!

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone being carried away by the wonderful results of Prof Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Maine, April 18th 1859

Prof. O. J. Wood & Co. Gents: The letter I wrote you in 1856, concerning your valuable Hair Restorative and which you have published in this vicinity and elsewhere, has given rise to numerous inquiries touching the facts in the case. The inquiries are, first, is it a fact that my habitation and name as stated in the communication; second, is it true in all therein contained; third does my hair still continue to be in good order and of natural color? To all I can and will answer invariably yes. My hair is even better than in any stage of my life for forty years past, more soft, healthy and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is washed off by frequent ablution of the face, which if care were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as we know this, it has no doubt been barely mentioned had been used, not only without any good but to about an injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact I send you a lock of my hair, taken off the past week. I received your favor of two quart bottles last summer for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor that you send me a test by which I can discover fraud in the Restorative sold by many. I fear without an entry from you. A pure article will insure success and I believe where good effects do not follow the failures caused by the impure article which corrects the inventor of the good. I deem it my duty as heretofore to keep you apprised of continued effect on my hair, as I am all who enquired of my unbiased opinion of its valuable results. I remain, dear sir, yours

A. C. RAYMOND.

Aurora Bun Ky., Nov. 30 1858

Prof. O. J. Wood: Dear sir—I would certainly be doing you an great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant but with no success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I procure richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to ALL who may feel the necessity of it

Respectfully yours, REV S. ALLEN BROCK

P. S.—This testimonial of my appreciation for your valuable medicine (as you are aware of) is unsolicited—but if you think it worthy a place among the rest, insert it you will; if not destroy and say nothing.

Yours, &c., Rev S. A. B

The Restorative is put up in bottles of three sizes, viz large medium, and small; the small holding a pint and retails for one dollar per bottle; the mediums holding least twenty per cent. more in proportion than the small retails for two dollars per bottle; the large holding a quart 40 per cent. more in proportion and retails for $3 a bottle. GREATEST IMPROVEMENT

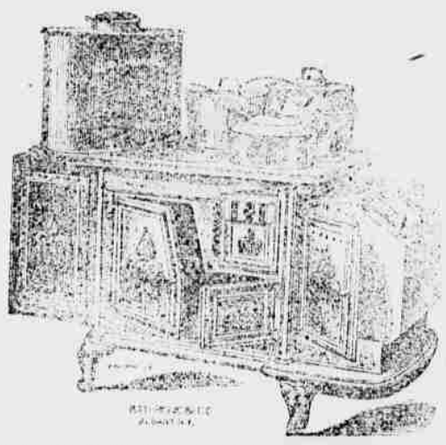
OF THE AGE.



THE GOOD SAMARITAN!

FOR

WOOD or COAL.

Ahead of all Competition!

5463 of them manufactured last year—more than double the number of any other first class stove in the year, in the United States.

THEY contain all the improvements which are in all the first-class stoves, and the advantages and improvements over other stoves are in part as follows:

1st. The arrangement for broiling on the front hearth,—an improvement overlooked in other first class stoves. It has also the same arrangement for broiling on top.

2d. A thorough ventilation of the Oven.

3d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening its operations and enabling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Much greater weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one griddle will heat as quick as the other, also heating the oven in half the time.

7th. Fire back protected by soap-stone, so it cannot burn out.

In addition to the above improvements, It has all that is combined in other first class Stoves, viz:—Hot water Reservoir, Warming Closet, Roaster in front, Baker on top, Doors lined with best Russia Iron, &c., &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner.

All who want a first class Stove, should never buy until they call and see the GOOD SAMARITAN, as they have in every instance given satisfaction.

I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying.

I have also as full an assortment of Common Stoves on hand as any other dealer in Washington County, and sell as low as any one in the State. P. DEWEY.

The Only Positively

FIRE PROOF SAFES

IN THE WORLD ARE THE

MARLAND PATENT.

Certificates of approval, in comparison with other Safes.

Grafton, Dec 31, 1858.

Messrs. Sherwin and Burges, Agents for Marland's Patent Safe. I have examined the Marland's patent Safe in your store, and so far as I am able to judge of its fire proof qualities, I believe the principle upon which it is built, is the most reliable in resisting heat, of any fire proof safe that has come under my observation and particularly recommend it to the attention our Probate Districts that are now supplying themselves for the preservation of their records. RENJ. W. DEAN Sec. of State.

Brattleboro, Dec. 31 1858.—This may certify that we have examined the Marlands Patent Fre Proof Safe, exhibited to us by Mr. Anson Hardy, and that in our opinion, Marland's Safe would be a desirable one to purchase for the use of the Probate Courts.

R. TYLER,
A. STODDARD, } Judge of Probate.

Middlebury, April 27th, 1859.—The Legislature of Vermont at its last session passed a law making it the duty of County Judges to procure Fire Proof Safes, in which to deposite Probate Records. In discharge of that duty we have spen some time in examinecing a number of Safes we have come to the conclusion that the Marland Safe manufactured by M. B. Bigelow & Anson Hardy of Boston, Mass., is superior to any other we have examined for its Fire Proof qualities. We have bought a safe of that description for the New Haven Probate District, and are well satisfied with his workmanship, apparantus and durability. W. W. C WRIGHT, } Assit Judges

Great Remedy for Coughs, Colds and Kidney Difficulties.

WHITE PINE COMPOUND.

PREPARED BY

DR. J. W. POLAND & CO.,

GOFFSTOWN CENTRE, N. H.

THE following testimonials will tell something of a Medicine that is now becoming popular faster than any other article sold by druggists:—

Rev. J. K. Chase, of Rumney, N. H., under date April 4th, 1860 says:—"When your favor, (two bottles of White Pine Compound,) was received, I was suffering from a most severe cold. I took the Compound and was able to preach in two days. * * * I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."

Rev. L. C. Stevens, Pastor of the Baptist Church, Goffstown, Cent—, in a letter dated Feb. 1860, says: "Some of my family have tried it, (the Compound,) with signal success. *I believe it to be one of the best Cough Remedies ever prepared.* For the ills it relies on Cough medicine I have good reason to believe it does all it claims to be for Kidney Diseases and Diabetes."

Mr. Asa Goodhue, of Bow, N. H., was so much afflicted with *Diabetes*, in March, 1859, that neither himself nor those who saw him thought that he could possibly live through the month. As a last resort, he thought he would try the *White Pine Compound*. They procured a bottle of him; he began to take it and to the surprise of all, immediately showed signs of amendment. Eleven months afterwards, (Feb. 23, 1860) in a full statement of his case, he says: "I believe Dr. Poland's White Pine Compound, under God, has been the means of my recovery this time."

Hundreds of cases of Kidney complaints, CURED EXPEDITIOUSLY by taking the White Pine Compound, have been reported by druggists. Here are two samples:

An aged man in Danvers, Mass., heard of the Compound, as a wonderful curative for kidney complaints. Being a great sufferer from that difficulty, he sent to the Apothecary for two bottles. They CURED him. He said they were worth fifty dollars. He has since sold a good many bottles himself.

The second case was that of a business man, in Salem, Mass. He was also cured of the same complaint. Afterwards he went to Minnesota. The great fatigue of the journey brought on a return of his former difficulty and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem to have it forwarded by express.

"July, 1860. DR. POLAND:—Mr. J. C. Butterfield, who sells your Medicine, has requested me to give a brief statement of what your *White Pine Compound* has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a bad Cough of ten year's standing, which caused me to spit blood quite frequently. No one of my acquaintances expected that I should ever get my health again. But two bottles of your *White Pine Compound* have cured me of both the Cough and the Kidney Complaint.

I would also state, that a lady, a neighbor of ours, was so badly afflicted with a cough, that she sat up only long enough to have her bed made, and we all thought she was going in a quick consumption. She took only one bottle of your Compound and it cured her. She is just as well now as she ever was. STEPHEN BARTLETT, BRADFORD, N. H."

"DR. POLAND.—I wish to bear my testimony to the value of your White Pine Compound. You will remember how feeble I was at the time I called upon you, in July last. My chief complaint was *inflammation of the kidneys*. In addition to other disagreeable symptoms, I suffered dreadfully from severe pain. You sold me a bottle of the White Pine Compound, and before I had taken two thirds of the contents of that one bottle, my pain had left me. Though I had been afflicted with that complaint a long time, I have not had a return of it since, and have for many months past enjoyed excellent health. Yours truly, H. F. AIKEN.

Goffstown, March, 1860."
