"USE THE BEST!"

MRS. WILSON'S

HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and $1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few testimonies from the following reliable and well known people:

MESSRS. HENRY P. WILSON & Co.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and effectually cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. *Respectfully, &c.,*

REV. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very much."

REV. GEO. W. WOODING, Hartford, Ct.

"I unhesitatingly pronounce it an invaluable article from the effect on my own head."

S. A. H. H., wife of Rev. Henry Hill, Manchester, N. H.

"It renovates my hair soft and glossy."

MINOT FARNAM, Saratoga Springs, N. Y.

"I feel confident that it operates not on a day, but to restore the roots to their natural healthy state."

REV. E. M. KELLOG, Nashua, N. H.

"I most cheerfully recommend it to all persons."

REV. C. RUSSELL, Littleton, N. H.

November 1.

MESSRS. HENRY P. WILSON & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure.

REV. H. H. HARTWELL, Lawrence, Mass.

November.

MESSRS. HENRY P. WILSON & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or humors, or to those whose hair is falling from the head.

REV. G. W. H. CLARK, Great Falls, N. H.

MESSRS. HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, and entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.

REV. HENRY HILL, Manchester, N. H.

MRS. WILSON'S

COCOA-NUT OIL

HAIR DRESSING

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be every more lifelike in color and beauty.

Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

THESE MEDICINES have now been before the public for a period of thirty years, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind disease to which human flesh is heir to.

The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES,

Flatulency, loss of Appetite, heartburn, headache, Restlessness, Ill-temper, Anxiety, Languor and melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence, all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in fevers.

The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of Gravel.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVY, ULCERS and inveterate SORES by the perfect purity which these Life Medicines to the blood and all the humors.

SCORBUTIC ERUPTIONS and bad Complexions, by their alterative effect upon the fluids in blood the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. Common Colds and Influenza will always be cured by one dose, or two in the worst cases.

PILES.—The original proprietor of these medicines was cured of Piles of 30 years standing by the use of the Life Medicines alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy and certain remedy. Other medicines leave the system subject to a return of the disease, a cure by these medicines is performed—Try them be satisfied, and be cured.

BILIOUS FEVERS AND LIVER COMPLAINTS—General Debility, loss of Appetite, Dreariness, Irritation—the Medicines have been used with the most beneficial results in cases of this description.—Kings Evil, and Scrofula in its worst forms, yields to the mild yet powerful agency of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitations of the Heart, Painters Colic, are speedily cured.

SECRETIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparation of Sarsaparilla.

GREATEST IMPROVEMENT

OF THE AGE.

THE GOOD SAMARITAN!

FOR

WOOD or COAL.

Ahead of all Competition!

3463 of them manufactured last year—more than double the number of any other first class stove in one year, in the United States.

THEY contain all the improvements which are in all the first class stoves, and the advantages and improvements over other stoves are in part as follows:

1st. The arrangement for broiling on the front hearth.—an improvement overlooked in other first class stoves. It has also the same arrangement for broiling on top.

2d. A thorough ventilation of the oven.

3d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening its operations, and enabling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Much greater weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one grate will heat as quick as the other, also heating the oven in half the time.

7th. Fire back protected by soap-stone, so it cannot burn out.

In addition to the above improvements, it has all that is combined in other first class Stoves, viz.—Hot water Reservoir, Warming Closet, Roaster in front, Baker on top, Doors lined with best Russia Iron, &c., &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner.

All who want a first class Stove, should never buy until they call and see the GOOD SAMARITAN, as they have in every instance given satisfaction.

I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying.

I have also as full an assortment of Common Stoves on hand as any other dealer in Washington County, and sell as low as any one in the State.

Great Remedy for Coughs, Colds and Kidney Difficulties.

WHITE PINE COMPOUND

PREPARED BY

DR. J. W. POLAND & CO.,

GOFFSTOWN CENTRE, N. H.

THE following testimonials will tell something about a Medicine that is now becoming popular faster than any other article sold by druggists.—

Rev. J. K. Chase, of Rumney, N. H., under date of April 4th, 1860 says:—"When your favor, (two bottles of White Pine Compound,) was received, I was suffering from a most severe cold. I took the Compound and was able to preach in two days. * * * I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."

Rev. L. C. Stevens, Pastor of the Baptist Church at Goffstown Center, in a letter dated Feb. 1860 says:—"Some of my family have tried it, (the Compound,) with signal success. *I believe it to be one of the best Cough Remedies ever prepared.* Besides its value as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Diabetes."

Mr. Asa Goodhue, of Bow, N. H., was so prostrated by *Diabetes*, in March, 1859, that neither himself nor any who saw him thought that he could possibly live through the month. As a last resort, he thought he would try the *White Pine Compound*. They procured a bottle for him; he began to take it and to the surprise of all, immediately showed signs of amendment. Eleven months afterwards, (Feb. 23, 1860,) in a full statement of his case he says:—"I believe Dr. Poland's White Pine Compound, under God, has been the means of my recovery this year."

Hundreds of cases of Kidney complaints, CURED EFFectually by taking the White Pine Compound, have been reported by druggists. Here are two samples:—

An aged man in Danvers, Mass., heard of the compound, as a wonderful curative for Kidney complaints. Being a great sufferer from that difficulty, he sent to the Apothecary for two bottles. They CURED him. He says they were worth fifty dollars. He has since said a good many bottles to me.

The second case was that of a business man, in Salem, Mass. He was also cured of the same complaint. Afterwards he went to Minnesota. The great fatigue of his journey brought on a return of his former difficulty, and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem to have it forwarded by express.

"Jan., 1860. Dr. POLAND.—Mr. J. C. Butterfield, Jr., who sells your Medicine, has requested me to give a brief statement of what your *White Pine Compound* has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a bad Cough of long standing, which caused me to spit blood quite frequently. No one of my acquaintances expected that I should ever get my health again. But the use of your *White Pine Compound* gave entire ease of both the Cough and the Kidney Complaint.

I would also state, that a lady, a neighbor of mine, was so badly afflicted with a cough, that she seemed to be long enough to have her bed made, and we all thought she was going in a quick consumption. She took only one bottle of your Compound, and it cured her. She is just as well now as she ever was. STEPHEN PARTLETT. BRADFORD, N. H."

"Dr. POLAND.—I wish to bear my testimony to the value of your White Pine Compound. You will remember how feeble I was at the time I called upon you, in July last. My chief complaint was *inflammation of the kidneys*. In addition to other unpleasant symptoms I suffered greatly from severe pain. You sold me a bottle of the White Pine Compound, and before I had taken two thirds of the contents of that one bottle, my pain had left me. Though I had been afflicted with that complaint a long time, I have not had a return of it since, and have for many months past enjoyed excellent health. Yours truly, D. F. AIKE.

Certificates of approval, in comparison with other safes:—

Grafton, Dec 31, 1858.

Messrs. Sherwin and Burgess, Agents for Marland's Patent safe. I have examined the Marland's patent Safe in your store, and so far as I am able to judge of its fire proof qualities, I believe the principle upon which it is built, the most reliable in resisting heat, of any fire proof safe that has come under my observation, and particularly recommend it to the attention our Probate Districts that are now supplying themselves, for the preservation of their records. BENJ. W. DEAN, Sec. of State.

Brattleboro, Dec., 31 1858.—This may certify that we have examined the Marlands Patent Fire Proof Safe, exhibited to us by Mr. Anson Hardy, and that in our opinion, Marland's Safe would be a desirable one to purchase for the use of the Probate Courts.

R. TYLER, A. STODDARD, } Judges of Probate.

Middlebury, April 27th, 1859.—The Legislature of Vermont at its last session passed a law making it the duty of County Judges to procure Fire Proof Safes, in which to deposite Probate Records. In discharge of that duty we have spent some time in examineing a number of Safes we have come to the conclusion that the Marland Safe manufactured by M. B. Bigelow & Anson Hardy of Boston, Mass., is superior to any other we have examined for its Fire Proof qualities. We have bought a safe of that description for the New Haven Probate District, and are well satisfied with his workmanship, apparant strength and durability. W. W. CASTLE, } Judges of
