A CANADIAN REMEDY

For Costiveness, Irregularity and Derangement of the Digestive Organs, Inducing Headache, Nervousness, General Prostration of the Mind and Body, Paralysis, &c.

A moment's reflection should be sufficient to convince a sensible man of the folly and danger of constantly dosing with Cathartic Medicines. The practice is pernicious and suicidal. An experience of forty years has taught me that the constantly increasing evils of indigestion are fearfully aggravated by the too free use of Cathartics. The American people are fast becoming a nation of dyspeptics by their artificial modes of life. Drastic Cathartics increase the irritability, and prostrate the strength of the digestive organs

The Pills now offered are especially designed to allay this irritability, and at the same time to invigorate and strengthen all the functions of digestion, while they are gently laxative. They are anodyne, tonic and laxative. They are so mild and invigorating that one is not reminded by any disagreeable effects that he has taken medicine.

Business Men, Students, Professional Men, Females, and all persons leading a confined or sedentary life, should try them.

The undersigned Physicians, cheerfully certify to the high professional standing of Dr Colby of Stanstead, one of the oldest and best Physicians, and to the excellent qualities of his "Anti-Costive and Tonic Pills," which we have used in our practice, and highly approve.

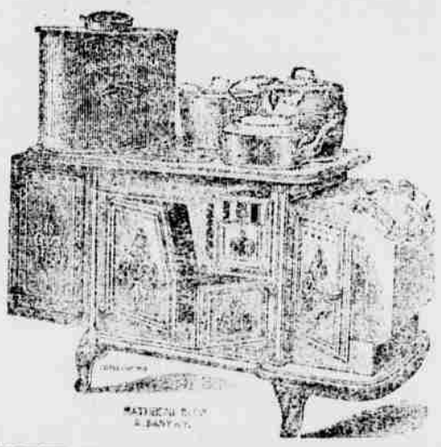
GREATEST IMPROVEMENT *OF THE AGE.*



THE GOOD SAMARITAN!

FOR

WOOD or COAL.

Ahead of all Competition!

5563 of them manufactured last year—more than double the number of any other first class stove in one year, in the United States.

THEY contain all the improvements which are in all the first class stoves, and the advantages and improvements over other stoves are in part as follows:

1st The arrangement for broiling on the front hearth,—an improvement overlooked in other first class stoves. It has also the same arrangement for broiling on top.

2d A thorough ventilation of the Oven.

3d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening its operations, and enabling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Much greater weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one griddle will heat as quick as the other, also heating the oven in half the time.

7th. Fire back protected by soap stone, so it cannot burn out.

In addition to the above improvements, it has all that is combined in other first class Stoves, viz —Hot water Reservoir, Warming Closet, Roaster in front, Baker on top, Doors lined with best Russia Iron, &c., &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner.

All who want a first class Stove, should never buy until they call and see the Good Samaritan, as they have in every instance given satisfaction

I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying.

I have also as full an assortment of Common Stoves on hand as any other dealer in Washington County, and sell as low as any one in the State. L. DEWEY.

THE

ONLY DISCOVERY

WORTHY OF ANY CONFIDENCE FOR

Restoring

THE BALD AND GRAY!

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away on the wonderful results of Prof Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Maine, April 18th 1859

Prof. O. J. Wood & Co. Gents: The letter I wrote you in 1856, concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous inquiries touching the facts in the case. The inquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true or all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and will answer invariably yes. My hair is even better than in any stage of my life for forty years past, more soft, thrifty and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is washed off by frequent ablution of the face, which if care were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; so there is so much fraud in the manufacture and sale of various compounds as we find is this, it has no doubt been heavily imitated and been used, not only without any good but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact I send you a lock of my hair, taken off the past week. I received your favor of two quart bottles last Summer for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear without authority from you. A pure article will insure success and I believe where good effects, do not follow the failure is caused by the impure article which curses the inventor of the good. I deem it my duty as heretofore to keep you apprised of continued effect on my hair, as I assure all who enquire of my unshaken opinion of its valuable results. I remain, dear sir, yours.

A. C. RAYMOND.

Aarons Run Ky., Nov. 30 1858

PROF. O. J. WOOD: Dear sir.—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to ALL who may feel the necessity of it

Respectfully yours, REV S. ALLEN CROCK

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited—but if you think it worthy a place among the rest, insert it you will; if not destroy and say nothing.

Yours, &c., Rev S. A. B

The Restorative is put up in bottles of three sizes, viz large medium, and small; the small holds ½ a pint and retails for one dollar per bottle; the mediums hold at least twenty per cent. more in proportion than the small retails for two dollars per bottle; the large holds a quart 40 per cent. more in proportion and retails for $3 a bottle. MRS. WILSON'S HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and $1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people

MESSRS. HENRY P. WILSON & CO.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. *Respectfully, &c.,*

REV. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very much." REV GEO. W. WOODING, Hartford, Ct.

"I unhesitatingly pronounce it an invaluable article from the effect on my own head."

S. A. HILL, wife of Rev Henry Hill, Manchester, N. H.

"It rendered my hair soft and glossy."

MISS P. LADEAU, Saratoga Springs, N. Y.

"I feel confident that it operates not as a dye, but to restore the roots to their natural healthy state."

REV E. M. KELLOG, Nashua, N. H.

"I most cheerfully recommend it to all persons."

REV C. RUSSELL, Littleton, N. H.

November 1.

MESSRS. HENRY P. WILSON & CO.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure.

REV. H. H. HARTWELL, Lawrence, Mass.

November,

HENRY P. WILSON & CO.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head or humors, or to those whose hair is falling from the head.

REV. G. W. H. CLARK, Great Falls, N. H.

MESSRS. HENRY P. WILSON & CO.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.

REV. HENRY HILL, Manchester, N. H

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty.

Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

LADIES' GAITER BOOT.

A little glove stretch up my hear as sides stir up the ocean,
A snow-white muslin, when it fits, makes many a curious motion
It sorts of lady fains the ill my feelings as they'll grief,
But little female gaiter boots are death and nothing shorter!

And just to put you on your guard,
I'll give you, short and brief,
A small hotel experience
Which filled my heart with grief:
Last summer, at the Pavilion Hotel,
I stopped a week or more,
And marked two "boot-ees" every morn
Before my neighbor's door;
Two boots with patent leather tips,
Two boots we learned to say,
"An angel trots around in us,"
They stolen my heart away;
And often in my slightly dreams
They swept before my face,
A lady growing out of them
As flowers grow from a vase,
But ah! one morn I saw a sight
Which struck me like a stone,
Some other mate was on the book
Those boots were not alone!
A great tall pair of other boots
Was standing by their side,
And off they walked one afternoon
And with them walked—a bride.

DR. MARSHALL'S HEADACHE AND CATARRH SNUFF.

THIS Snuff has thoroughly proved itself to be the best article ever known for curing the CATARRH, COLD IN THE HEAD, and the HEADACHE. It has been found an excellent remedy in many cases of SORE EYES. It is recommended by many of the best physicians, and is used with great success and satisfaction everywhere.

More than twenty-five years' experience has proved its great value; and at this moment it stands higher than ever before

A large number of the most respectable Druggists in Boston and New York, in a certificate signed by them in 1854 say:

"The undersigned, having for many years been acquainted with Dr. MARSHALL'S CATARRH AND HEADACHE SNUFF, and sold it in our wholesale trade, cheerfully state, that we believe it to be equally worthy respect by the recommendation given of it to the care of Catarrhal Affections, and that it is decidedly the best article we have ever known for all the common colds and cases at the head."
