$500 WILL BE FORFEITED BY DRL. DIX if failing to cure in less time than any other physician, more effectually and permanently, with less restraint from occupation or fear of exposure to all either, with safe and pleasant medicines.

SELF-ABUSE AND SOLITARY HABITS,

Their effects and consequences;

SPECIAL AILMENTS AND SITUATIONS,

Incident to Married and Single Ladies;

SECRET AND DELICATE DISORDERS;

Mercurial Affections; Eruptions and all Diseases of the Skin, Ulcers of the Nose, Throat and Body; Pimples on the face; Swellings of the Joints, Nervousness; Constitutional and other Weaknesses in Youth, and the more advanced, of all ages, of

BOTH SEXES, SINGLE OR MARRIED.

DR. L. DIX'S

PRIVATE MEDICAL OFFICE.

21 Endicott Street, Boston, Mass.,

is so arranged that patients never see or hear each other. Recollect, the ONLY entrance to his office is **No. 21**, having no connection with his residence, consequently no family interruption, so that on no account can any person hesitate applying at his office.

DR. DIX

Adds assertion and it cannot be contradicted, except by Quacks, who will say or do anything, even perjure themselves to impose upon patients; that he

IS THE ONLY REGULAR GRADUATE PHYSICIAN ADVERTISING IN BOSTON,

SIXTEEN YEARS

engaged in treatment of Special Diseases, a fact so well known to many Citizens, Publishers, Merchants, Hotel Proprietors &c., that he is much recommended, and particularly to

STRANGERS AND TRAVELLERS

to avoid and escape imposition of Foreign and Native Quacks, more numerous in Boston than other large cities.

DR. L. DIX

proudly refers to Professors and respectable Physicians—many of whom consult him in critical cases, because of his acknowledged skill and reputation, attained through long experience, practice and observation.

AFFLICTED AND UNFORTUNATE!

he not troubled and add to your sufferings in being deceived by the lying boasts, misrepresentations, false promises, and pretensions of

FOREIGN AND NATIVE QUACKS,

who know little of the nature and character of Special Diseases, and care as to their cure. Some exhibit forged Diplomas of Institutions or Colleges, which never existed in any part of the world; others exhibit Diplomas of the dead, how obtained, unknown; not only assuming and advertising in names of those inserted in the diplomas, but to further their imposition assume names of other most celebrated Physicians long since dead. Neither be deceived by

QUACK NOSTRUM MAKERS,

through false certificates and references, and recommendations of their medicines by the dead, who cannot expose or contradict them; or who, besides, to further their imposition, copy from Medical Books much that is written of the qualities and effects of different herbs and plants and ascribe all the same to their Pills, Extracts, Specifics, &c., most of which, if not all, contain Mercury, because of the ancient belief of its "curing everything," but now known to "kill more than is cured," and those not killed, constitutionally injured for life.

IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

Through the ignorance of the Quack Doctor, knowing no other remedy, he relies upon MERCURY, and gives it to all his patients in Pills, Drops, &c., so the Nostrum Maker equally ignorant, adds to his so-called Extracts, Specific, Antidote, &c., both relying upon its effects in curing a few in a hundred, it is trumpeted in various ways throughout the land; but, ALAS! nothing is said of the balance; some of whom die, others grow worse, and are left to linger and suffer for months or years, until relieved or cured, if possible, by competent physicians.

BUT ALL QUACKS ARE NOT IGNORANT.

Nothwithstanding the foregoing facts are known to some Quack Doctors and Nostrum Makers, yet, regardless of the life and health of others, there are those among them who will even perjure themselves, contradicting giving mercury to their patients or that it is contained in their Nostrums, so that the "usual fee" may be obtained for professedly curing, or "the dollar" or "fraction of it" may be obtained for the Nostrum. It is thus that many are deceived also, and uselessly spend large amounts for experiments with quackery.

DR. L. DIX'S

charges are very moderate. Communications sacredly confidential, and all may rely on him with the strictest secrecy and confidence, whatever may be the disease, condition or situation of any one, married or single.

TO THE LADIES. The celebrated DR. L. DIX particularly invites all ladies who need a *Medical or Surgical* adviser, to call at his rooms, No. 21 Endicott Street, Boston, Mass., which they will find arranged for their special accommodation.

Dr. DIX having devoted over twenty years to this particular branch of the treatment of all diseases peculiar to females, it is now conceded by all (both in this country and in Europe) that he excels all other known practitioners for the safe, speedy and effectual treatment of all female complaints.

His medicines are prepared with the express purpose of removing all diseases, such as debility, weakness, unnatural suppressions, enlargements of the womb, also, all discharges which flow from a morbid state of the blood. The Doctor is now fully prepared to treat in his peculiar style, both medically and surgically, all diseases of the female sex, and they are respectfully invited to call at

The Early Physical Degeneracy

—OF—

AMERICAN PEOPLE.

Just Published by Dr. STONE,

PHYSICIAN TO THE TROY LUNG AND HYGIENIC INSTITUTE. A TREATISE ON THE CAUSES OF EARLY PHYSICAL DECLINE OF AMERICAN PEOPLE; THE CAUSE OF NERVOUS DEBILITY, CONSUMPTION AND MELAMCUS.

THIS work is one of high moral tone, written in chaste yet thrilling language, and appeals directly to the moral consciousness of ALL PARENTS and GUARDIANS especially, detailing scientific and reliable aids and treatment for cure.

It will be sent by Mail on receipt of two (2) cent STAMPS.

☞ PARENTS AND GUARDIANS! fail not to send and obtain this book.

☞ YOUNG MEN! Fail not to send and get this book.

☞ LADIES! You, too, should at once secure a copy of this book.

A WORD OF SOLEMN, CONSCIENTIOUS ADVICE TO THOSE WHO WILL REFLECT.

A class of maladies prevail to a fearful extent in community, dooming at least 100,000 youth of both sexes annually, to an early grave. Those diseases are very imperfectly understood. Their external manifestations or symptoms are Nervous Debility, Relaxation and exhaustion; Marasmus or Wasting and Assumption of the tissues of the whole body; shortness of breathing, or hurried breathing on ascending a hill or a flight of stairs, great palpitation of the heart, Asthma, Bronchitis and Sore Throat, shaking of the limbs and Limbs, aversion to society and to business or study; dimness of Eye sight; loss of Memory; Dizziness of the Head; Neuralgic Pains in various parts of the body; Pains in the Back or Limbs, Lumbago, Dyspepsia or Indigestion; Irregularity of the bowels; deranged secretions of the Kidneys and other glands of the body, as Leucorrhea or Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now, in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs, and that most insidious and wily form of Consumption of the Spinal Nerve, known as Tabes Dorsalis; and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of the old school practice in treating symptoms only.

Dr. Andrew Stone, physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institution is new; it is based upon scientific principles, with newly discovered remedies, without minerals or poison. The activities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent them by mail or express. Printed interrogatories will be forwarded on application.

☞ Consumption, Catarrh and diseases of the throat, cured as well at the homes of patients as at the Institution, by sending the Cold Medicated Inhaling Balsamic Vapors, with inhaler, and ample directions for their use and direct correspondence.

☞ Patients applying for interrogatories or advice, must inclose return stamps, to meet attention.

☞ The attending physician will be found at the Institution, for consultation, from 9 A. M. to 9 P. M., of each day. Sundays, in the forenoon. Address

Copy of Photograph from life of L. A. BROWN, showing the effect of STERLING'S AMBROSIA in eighteen months.

CERTIFICATE.

This is to certify that, about eighteen months ago, I commenced using STERLING'S AMBROSIA. My hair was short, thin, and rapidly falling out. I had tried many Hair Tonics, Invigorators, &c., without receiving any benefit. Soon after using the Ambrosia, my hair ceased falling out, and commenced growing so rapidly as to astonish me. Now my hair is thick, soft and glossy, and is five feet four inches in length—when let down reaching the floor. This wonderful result I attribute solely to the use of STERLING'S AMBROSIA, as since I commenced using it I have applied nothing else to my hair.

We advise young persons, whose hair is beginning to fall out, to take warning in time, and save their hair, by using the Ambrosia. To those who have already lost their hair, the free use of the Ambrosia will surely restore it, as it *has done for thousands.*

DR. STERLING'S AMBROSIA is a stimulating oily extract of Roots, Barks and Herbs. It will cure all diseases of the scalp and itching of the head; entirely eradicates dandruff, prevents the hair from falling out, or from turning prematurely gray, causing it to grow thick and long. It is entirely different from all other preparations, and can be relied on.

It is a well known fact to thousands in the City of New York, that this is the only article yet discovered that will Cure the Disease of the Scalp and cause the Hair to Grow.

Teeth Extracted Without Pain!

Ether and Chloroform superseded by the

Nitrous Oxide, or Laughing Gas.

DR. J. G. DeFORRIS has the pleasure of announcing to the public that he is now administering the "NITROUS OXIDE," or "LAUGHING GAS," by the aid of which he is enabled to

Extract Teeth Without Pain.

Unlike Chloroform and Ether, this Gas is perfectly harmless, and does not, the same agents, leave any unpleasant effects after inhaling it.

Dr. Colton of Brooklyn, N. Y. at the head of the "Colton Dental Association" of New York, for the extraction of teeth, which is undoubtedly the most skillful person in this country in making and using this Gas, after an experience of twenty years, bears the most liberal testimony in favor of its great success as an anæsthetic.

He has administered it to thousands of Persons of every grade of constitution, and variety of temperament, without a single instance of harm occurring.

The following certificate from Dr. Bixby, is respectfully submitted:

CERTIFICATE.

THIS CERTIFIES that I have given full and definite directions to Dr. J. G. DeForris of Chelsea, Vt., to make and administer the Nitrous Oxide, or "Laughing Gas," as an anæsthetic for the Extraction of Teeth as used by Dr. Colton of New York.

The advantages of the Gas over ether and chloroform are—

First.—It is perfectly harmless. No injury was ever known from its inhalation.

Second.—The Gas produces the most perfect insensibility to pain, while it avoids the nausea and sickness, to say nothing of the danger, from ether and chloroform.

Third.—The Gas is pleasant to inhale, having no disagreeable smell or taste, and the effects all pass off within two or three minutes, leaving the person feeling precisely as before inhaling.

Fourth.—It can be given with safety (if pure) in all sorts and stages of disease.

I have given such careful instructions to Dr. DeForris that I have no doubt he can make a pure article of Gas and administer it with discretion and safety.

OPINIONS OF THE ENGLISH PRESS.

"The author of the volume before us endeavors to describe what heaven is, as shown by the light of reason and Scripture.

It proves, in a manner as beautiful as it is convincing, the doctrine of the recognition of friends in heaven. It demonstrates the interest which those in heaven feel in earth, and proves with remarkable clearness that such an interest exists not only with the Almighty and among the angels, but also among the spirits of the departed friends. We unhesitatingly give our opinion that this volume is one of the most delightful productions of a religious character which has appeared for some time, and we would desire to see it pass into circulation."—*Glasgow Journal.*

"This work gives positive and social views of heaven as a counteraction to the negative and unsocial aspects in which the subject is so commonly presented."—*English Churchman.*

"Amid the works proceeding from an overteeming press, our attention has been arrested by the perusal of the above-named production, which, it seems, is wending its way daily among persons of all denominations. Certainly, "Heaven our Home," whoever may be the author, is no common production."—*Airdrie Advertiser.*

"In boldness of conception, startling minuteness of delineation, and originality of illustration, this work, by the anonymous author, exceeds any of the kind we have ever read."—*John O'Groat Journal.*

"We are not in the least surprised at so many thousands of copies of this anonymous writer's work being bought up. We seem to be listening to a voice and language which we never heard before. Matter comes at command; words flow with unstudied ease; the pages are full of life, light, and force; and the result is a stirring volume, which, while the Christian critic pronounces it free from affectation, even the man of taste, averse to evangelical religion, would admit it to be exempt from "cant." *London Patriot.*

"The name of the author of this work is strangely enough withheld. . . . A social heaven, in which there will be the most perfect recognition, intercourse, fellowship, and bliss, is the leading idea of the book, and it is discussed in a fine genial spirit."—*Caledonian Mercury.*

In announcing a republication of the above work, the publisher deem it only necessary to say that, though quite recently published in England, it has already reached a sale of one hundred thousand copies. The author's two companion volumes, "Meet for Heaven," and "Life in Heaven will rapidly follow.

CAREY'S

A HARTSHORN CANDIES

A SAFE, RELIABLE AND

THOROUGH FAMILY PHYSIC

NEVER, since the dawn of civilization, has there been recorded such an improvement in medical science as that inaugurated by the discovery of

CAREY'S CATHARTIC CANDIES

The days of disgusting and dangerous pills, made of mercury and aloes, of nauseous salts and senna, of sickly jalap and rhubarb powders, are now numbered; a new era opens up the medicinal properties of the rare and most expensive drugs have been, by a process known only to Doctor Carey, chemically separated from their useless particles, every vestige of smell and taste removed, and made into the form of delicious candies. There is no longer a necessity for parents forcing themselves or their children to swallow and struggle with loathesome-tasting physic.

CAREY'S CATHARTIC CANDIES

Have valuable medical properties that no pills or powders ever can possess. They can be given to those with the most delicate stomachs, without the slightest knowledge that they are taking physic; they are not to be swallowed whole, being the same in the centre that they are on the outside; place one in the mouth before retiring for the night, allow it to dissolve slowly away—the taste will be found delicious, while there are a variety of flavors to suit every palate. For all diseases originating in the Stomach, the Bowels, the Liver, or the Kidneys, these has never been a medicine in existence that could equal them. They are guaranteed not contain a single particle of Mercury or other mineral or corrosive substance, and can be given to the weakest infant with perfect safety. Their penetrating properties cleanse and invigorate every portion of the human body, correcting its diseased action and restoring its health, strength and vigor. Their effect upon the blood is to purify it from all unhealthy humors, and to infuse into it a new life and richness that will cause the oldest and most aggravated complaints to speedily and permanently disappear. Subjoined is the certificate of the celebrated chemist, M. V. S. HULTON, the highest authority in the United States, who has carefully examined and thoroughly tested the properties and value of the Candies. Hear what he says regarding them:

New York, Jan. 31, 1862

MR. GEO. C. BARCLAY,
Proprietor of Carey's Cathartic Candies:

DEAR SIR,—I have analyzed and tested critically your Carey's Cathartic Candies, which I hereby certify to be a safe and very efficacious physic. They do not contain any mineral or corrosive substance, and may be administered to invalids or children without fear. I consider them to be a very important discovery, and one which is of the greatest value to the community at large. I am, &c.,

V. S. HULTON, Analytical Chemist.

UNREFUTED PROOF.
