CONSUMPTION CURED!

Triumphant Success of BUCHAN'S *Hungarian Balsam of Life, the great English remedy for Colds, Coughs, Asthma and Consumption.*

The most celebrated and infallible remedy for colds, coughs, asthma, or any form of Pulmonary consumption, is the Hungarian Balsam of Life, discovered by DR. BUCHAN of London, England, tested for upwards of seven years in Great Britain and on the continent of Europe, and introduced into the United States under the immediate superintendence of the inventor.

The astonishing success of the Hungarian Balsam in the cure of every form of Consumption, warrants the American agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians, as confirmed and incurable. The Hungarian Brlsam has cured and will cure, the most desperate of cases. It is no quack nostrum, but a Standard English Medicine, of known and established efficacy.

TO THE CONSUMPTIVE.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicines in all cases of Colds, Coughs, Spitting of Blood, Pain in the side and chest, Irritation and soreness of the Lungs, Bronchitis difficulty of Breathing, Hectic Fever, Night sweats, Emaciation and general debility, Asthma, Influenza, Hooping Cough, and Croup.

In case of actual disease of the lungs, or consumption, it is the only source of hope.

Sold by McDonald and Smith, sole agent for the United Kingdom, at the Italian Warehouse, Regent st, London, in Bottles and Cases, for ships, hospitals &c.

By special appointment.—DAVID F. BRADLEE, 130 Washington st. Boston, Mass. Sole Agent for the United States and British American Provinces.

American price, $1 per Bottle with full directions for the restoration of Health.

☞ Pamphlets, containing a mass of English and American certificates and other evidence, showing the unequaled merits of this Great English Remedy, may be obtained of the agents gratis. ☞ None genuine, without the written signature of the American Agent on a gold bronze label, to counterfeit which is forgery.

FACTS REGARDING THE
SUGAR COATED IMPROVED
Indian Vegetable PILLS.

For Consumptim, Colds, Coughs, Rheumatism, Dyspepsia, Fevers, Worms, Dysentery, and Diarrhoea.

ALSO, SURE CURE FOR the PILES.

TESTIMONIALS.

HAVING been attaked some months with a bad Cough, weakness in chest, and los of appetite, I used Wright's Indian Vegetable Pills, but grew worse, with cold sweats at night; could not sleep, and believed I was in a Consumption. I procured a box of Dr. Smith's Sugar Coated Improved Indian Vegetable Pills, which restored my health within six days, and I believe them to be the best remedy I ever used.

GEO. W. GRANGER.

Cambridge, Oct. 19, 1844.

I have been afflicted fyr some time with the Liver Complaint; having pain in my side, weakness in back and stomach and dyspepsia. I have taken over one dozen boxes of Wright's Indian Vegetable and Brandreth's Pills, but continued to grow worse, and was so reduced that I despaired of ever gaining relief. I then tried Dr. Smith's Sugar Coated Improved I. V. Pills, and before I had finished the second box, my pains and dyspepsia had disappeared. My food now digests well, and I am able to attend to my family duties, Several of my friends have since taken the Pills for bad coughs, and have found great relief from them. Mrs. OTIS S. WHITNEY,

9 Myrtle street.

Boston, May 9, 1845.

I have been for four years afflicted with Scrofula, Leprosy and Deafness, and have been unable to obtain any relief until I procured six boxes of Dr. Smith's valuable Indian Vegetable Pills and in four months all my complaints had disappeared, contrary to all my friends' expectations. I took these Pills for my Scrofula, without any expectation of relief. JAMES R. CHOATE.

Mt Vernon, Kennebec Co. Me.,
April 15, 1845.

PERFECT CURE OF WORMS.

Our little girl, 6 years old, has siffered all the worst stages of worms; and we have never found an effectual cure, until we administered Dr. Smith's Sugar Pills which our little girl took without the *least reluctance* in doses of two at a time, and we never witnessed suce a change in so short a time. The Pills brought away a mass of worms, and she at once improved. She in now in joyous health. We have also found the greatest benefit from their use.

JACOB CARLOCK, 8 Stable st. N. Y.

☞ We have many certificates of cures in cases of WORMS.

Also they are warranted the best Coogh remedy now in use—never failing to cure the most obstinate Cough or Cold within 48 hours.

The directions and treatment of the disease accompany every box. Price 25 cents per box.

No "Sugar Coated Pills," can be genuine without the signature of the sole inventor, G. BENJAMIN SMITH, M. D., President of the N. Y. College of Health, upon every box. Office devoted exclusively to the sale of this medicine, No. 179 GREENWICH STREET, New York, and No 2 WATER St. Boston.

Worms Easily Removed.

WINTER'S CANADIAN VERMIFUGE!

HUNDREDS OF CHILDREN DIE every year from the diseases produced by Worms! They are the cause of numerous and frightful diseases. Indeed there is scarcely a complaint common to infancy and childhood which may not produced or greatly aggravated by the presence of these destructive animals in the stomach and bowels. Cases are recorded of their producing St. Vitus's Dance, Locked Jaw, Dropsy, Squintig, Loss of Feeling in the Limbs, Rickets, a Palitation of the Heart, Eruptions, Dry Cough, Severe Pains, Aleness, Emaciation, total Decline of Strength, and Consumption. They consume all the nourishment in the body, and finally destroy the Child.

WINTER'S CANADIAN VERMIFUGE is a pleasant, safe, speedy and permanent cure for this dangerous cure for this dangerous affliction. It has been faithfully tried, and is universally approved of even by Physicians It destroys the worms at once, dissolves and carries off the slime which forms the nest of worms, and greatly improves and invigorates the system. It is the most perfect thing of the kind ever invented, and no family should be without it.

P. S. Parents may be assured that this medicine is perfectly harmless in its effects. It is carefully compounded, of the very best materials, and there is not the least danger in using it.

Price only 25 cents per bottle

GREAT AMERICAN REMEDY

WESTERN NEW YORK

College of Health,

207 Main street, Buffalo, N. Y.

DR. G. C. VAUGHN'S Vegetable Lithontriptic Advertisement for 1847.—"I came, I saw, I conquered;" is most emphatically the case with this article. Disease has ever yielded to its most marvellous medicinal power. Wherever it has gone, and South America, England, Canada and the United States have proved the truth of this statement, the above quotation in a strong & pithy sentence, tells the whole story. Invisible the principle on which you are cured may not be known to you, but the result of a trial of the article is satisfactory; you are restored, and the secret of the cure remains with the proprietor. The Medicine is a compound of 22 distinct vegetable agencies; each individual root has its own particular, exclusive, medical property, conflicting with no other compound—each root makes its own cure—and as a perfect combination, when taken into the system, it does the work which NATURE, when her laws were first estal lished, intended it should do—*purifies, strengthens* and *restores* the broken down, debilitated constitution.—Dropsy, in all its characters, will be completely eradicated from the system by its use. See pamphlets in agent's hands, for free circulation—they treat upon all *diseases*, and show testimony of cures GRAVEL, and all complaints of the *urinary passages*, form also the cause of great suffering, and VAUGHAN'S LITHONTRIPTIC has acquired no small celebrity over the country, by the cures it has made in this distressing class of afflictions. So it need, it seems, is this medicine, that it has thus attracted the notice of one of our Medical publications. In the November No., 1846, of the Buffalo Journal and Monthly Review of Medical and Surgical Science, in an article on calculous diseases, and 'solvents,' the writer, after noticing the fact that the English government once purchased a secret remedy, and also noticing the purchase in 1802 of a secret remedy, by the Legislature in New York, thus pays tribute to the fame of the Medicine—"Why do not our Representatives in Senate and Assembly convened, enlighten and 'dissolve' the suffering thousands of this country, by the purchase of Vaughan's Lithontriptic, this which no solvent since the days of Alchemy has possessen one half the fame?" Reader, here is a periodical of high standing, acknowledged throughout a large section of this country to be one of the best conducted journals of the kind in the United States, exchanging with the scientific works of Europe to our certain knowledge, edited by Austin Flint, M. D., and contributed to by men of the highest professional ability, thus stepping aside to notice a 'secret remedy.' You will at once understand no *unknown and worthless nostrum*, could thus extort a comment from so high a quarter—and consequently, unless it directly conflicts with the practice of the faculty, it must have lost its great 'fame' which has caused it to receive a passing nod. KIDNEY *diseases, weakness of the back and spine, irregular, painful and suppressed Menstruation, Fever Ailes*, and the entire complicated train of evils which follow a disordered system, are at once relieved by the medicine. Send for pamphlets from Agents, and you will find evidence of the value of the Lithontriptic therein set forth.—As a remedy for the irregularities of the female system, it has in the compound a "cause" which has been resorted to in the north of Europe for centuries—as a sure cure for this complaint, and a restorer of the health of the entire system. LIVER COMPLAINT, JAUNDICE, BILLIOUS DISEASES &c., are instantly relieved. People of the West will find it the *only* remedy in these complaints as well as FEVER AND AGUE. There is no remedy like it, and *no calomel or quinine* forms any part of this mixture. No injury will result in its use, and its active properties are manifested in the use of a single 50 *cts bottle. For* FEVER AND AGUE *Billious Disorders, take no other medicine.*—RHEUMATISM, GOUT, *will find relief.* The action of this medicine upon the Blood, will change the disease—which originates in the blood—and a healthy result will follow. DYSPEPSIA, INDIGESTION &c., yield in a few days' use of this Medicine. Inflamation of the Lungs, Cough, Consumption also, has ever found relief. Scrofula, Erysipelas, Piles, Inflamed eyes—all caused by impure blood—will find this article the remedy. The system completely acted upon by the twenty-two distinct properties of the mixture, is purified and restored—as a partial cure will not follow. The train of common complaints, Palpitation of the Heart, Sick Headache, Debility, &c., are all the result of some derangement of the system, and this Great Restorer will do its work. The promises set forth in the advertisement, are based upon the proof of what it has done in the past four years. The written testimony of 1000 Agents, in Canada, the United States, England and South America, in the possession of the proprietor—and can be seen by all interested—is a sufficient demonstration that it is the best Medicine ever offered to the World. Get the pamphlet, and study the principle as there laid down, of the method of cure. Put up in 30 oz bottles, at $2; 12 oz. do. at $1 each—the largest holding 6 oz. more than two small bottles. Look out and not get imposed upon. Every bottle has "Vaughan's Vegetable Lithontriptic Mixture" blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—orders from regularly constituted Agents accepted: post paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article—132 Nassau st., New York city; 265 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as advertised in the papers.
