New Skirt for 1865-6.

The Great Invention of the Age in

HOOP SKIRTS.

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

THIS INVENTION consists of DUPLEX (or two) ELLIPTIC FURE SKIRTS OR STEEL SPRINGS, ingeniously braided lightly and firmly together, edge to edge, making the tough, most flexible, elastic and durable Spring ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful Shape more than twice as long as any Single Spring Skirt that Ever Has or Can be made.

The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress.

A Lady having Enjoyed the Pleasure, Comfort and Great Convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will Never Afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the Single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect Shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.

WESTS' BRADLEY & CARY, Proprietors of the Invention, and Sole Manufacturers, 97 Chambers, and 79 & 81 Reade Streets, New York.

For Sale in all first-class Stores in this City, and throughout the United States and Canada; Havana de Cuba, Mexico, South America, and the West Indies.

Ayer's SARSAPARILLA,

PREPARED BY DR. J. C. AYER & CO.
PRACTICAL AND ANALYTICAL CHEMISTS,
LOWELL, MASS.
PRICE $1 PER BOTTLE; SIX BOTTLES FOR $5.

Scrofula and Scrofulous Diseases.

From Dr. Ira Ellis, a well-known merchant of Oxford, Mass.

"I have sold a large quantity of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it they agree there has been no medicine like it for years in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Rufus Stratton, Bethel, Maine.

"I only do my duty to you and the public, when I hold my testimony to the fact you publish of the wonderful virtues of your SARSAPARILLA. My daughter, aged ten, had an affliction of humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mr. Isaac R. Bloss, a well-known and much esteemed citizen of Pleasantville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely known Gage, Morgan & Co., manufacturers of unsurpassed paper in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both a vile and medicinal character, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any baby's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Kneble, Houston St., New York.

"DR. AYER: I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Mobeacon, Ohio.

"For twelve years, I had the yellow *Erysipelas* on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the limb became stiff, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Moore, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very marked and beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Stocker, Esq., the able editor of the Tuskaloosa Independent, Tuskaloosa, Alabama.

"One only child, about three years of age, was attacked by pimples on its forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the Sarsaparilla poultice before, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stock, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER: My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the *primary and secondary* type, and effected in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty or success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew worse and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. For cases of this kind more inveterate and disagreeable than this, and if take several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are generally produced by internal *Scrofulous Corruption*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, a full dose of the SARSAPARILLA, the radical application of local remedies.

From the well known, and widely celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, leucorrhœa, internal ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effects are properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by the bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by *Scrofula* in the system, are rapidly cured by this, the best SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

THE RURAL AMERICAN,

The most Elegant, the Cheapest and the Best Agricultural, Horticultural and General Family Paper in the United States! Gratuities in Choice Grape Vines, Strawberry Plants and Elegant Engravings, to the value of Subscription price sent free to every subscriber!!!

THIS popular rural paper, published on the 1st and 15th of each month at UTICA, N. Y., at $1 50 a year, is now greatly enlarged and improved, and equal in size and value of contents to any other similar publication in this country. Indeed, no other paper of the kind can be compared with it, in the real value and interest attached to its contents; and it is decidedly ahead of anything of the kind ever published.

The RURAL AMERICAN is not a LOCAL paper, but just as valuable in New England, the Western, and other States as the State of New York. Its circulation is larger than that of any other paper, out of the city of New York. Volume X will commence JANUARY 1st, 1866.

The form is a very large SIXTEEN PAGE OCTAVO, containing double the reading matter, that can be found in any other similar publication on every subject of interest to farmers, fruit growers, (grape growers in particular,) stock raisers, gardeners, bee-keepers, poultry breeders, &c.

This elegant paper is illustrated with some of the most costly ENGRAVINGS, that money and art can produce; and its LITERARY department embraces general FAMILY reading, which in interest, has never been equaled in this country. In brief the RURAL AMERICAN is now admitted, universally, to be the most PRACTICAL and RELIABLE Agricultural and Horticultural publication extant.—Every subscriber receives the full value of the paper in choice Grape Vines, Strawberry Plants, or fine Engravings, worth $2 each; and all subscribers for 1866 who remit their money before Dec. 15th receive the volume for 1865

FREE FROM THE TIME THEY SUBSCRIBE to the close of the present year.

The Agricultural editor of the Philadelphia Saturday Evening Post (an entire stranger) in congratulating me on the appearance of my new paper, writes: "My opinion is, that you have issued the best journal—all points considered—for the practical, working farmer, that we have ever had in the United States, or any where else. I like its general make up better than that of any paper I have ever seen. * * * * These are my honest sentiments."

Agents are every where wanted to get up Clubs, who receive magnificent Premiums in Vines, Plants, Engravings, Cash, Gold Pens, Magazines, Weekly Newspapers, &c. Samples of the RURAL AMERICAN sent free to all applicants. Address T. B. MINER, Clinton, Oneida County, New York. nov3-6m

Come At Last.

A great deal of time and money have been spent in experimenting upon

COAL OIL BURNERS,

To invent one that would give a CLEAR, WHITE LIGHT THAT COULD BE CARRIED UP STAIRS OR DOWN, IN DOORS OR OUT, AND IN A STRONG BREEZE, WITHOUT GOING OUT.

Success has at last crowned the effort, and

THE PERFECTED BURNER

is the result. With this Burner there is no chimney to break, and no grease to drop about the house as with candles; it consumes less oil than any other burner, and thus saves the cost of it in a very short time.

The Agent will call and show this Burner, giving all an opportunity of judging of its merits.

He has also beautiful HAND LAMPS, and WICKING, for sale.
