ARE you a mechanic, and do you eat the bread of honest industry? Do you go cheerfully in the morning to your labor and return at night to a bright fireside? And are you saving money and investing it carefully each year against some possible day of need? Very well. This is all right. But you can save a large sum at once by taking a policy of insurance on your life. By so doing you protect your family now. Think of it, and as you certainly want the best, apply to an agent of the New York Life Insurance Company for particulars, or send your address to the head office, 346 and 348 Broadway, New York.—[Com.

AGE does not impair Dr. Pierce's Pleasant Purgative Pellets, or Tasteless, Coated, Concentrated Root and Herbal Juice, Anti-Bilious Granules. Their coating and being inclosed in glass vials preserve their virtues unimpaired for any length of time in any climate, so that they are always fresh and reliable, which is not the case with the pills put up in cheap wood or pasteboard boxes. Recollect that for all diseases where a Laxative, Alterative or Purgative is indicated, these little Pellets will give the most perfect satisfaction to all who use them. They are sold by all enterprising Druggists at 25 cents. 635

ORDERS have been received from Germany for Elmwood Collars. We should not wonder if the Emperor William wore them, they are so nice.—[Com.

A BILL has passed the Texas Legislature appropriating one-half the public domain for school purposes.

THE public are hereby assured through the columns of this paper that *Parsons' Purgative Pills* contain no injurious principle, but that they may be administered to children and the most weak and shattered constitutions in small doses, with great certainty of success. —[Com.

Never Too Late to Mend.

When the stomach is in a state of chronic rebellion against every kind of food, and the attending physician with solemn and portentous gravity declares that such cases of confirmed dyspepsia defy all remedies, do not put faith in his *ipse dixit*. Indigestion of this obstinate character may be incurable by his prescriptions, but it is not therefore an irremovable fixture in the system. The fact is that the great vegetable invigorant and corrective, Hostetter's Stomach Bitters, is radically curing cases of this seemingly desperate nature every day. Indeed it is in those malignant phases of dyspepsia which no ordinary medicine can control that its remedial properties are most wonderfully manifested. We say to the long-suffering martyr, whose stomach is a source of perpetual torment to him, that by the persistent and daily use of this glorious tonic, he can not only restore the digestive organs to their full vigor, but can keep them in good working order through life. If there is constipation, the gentle aperient operation of the Bitters will remove all obstructions and keep the bowels in a regular and healthy condition. The grand characteristic of this vitalizing and purifying vegetable preparation is that it acts beneficially upon every organ, controlling the liver, reinforcing the nerves, toning the coats of the stomach, promoting a healthy habit of body, relieving the blood of all impurities, clearing the brain and reviving the spirits.

Best and Oldest Family Medicine.—*Sanford's Liver Invigorator*—a purely Vegetable *Cathartic* and *Tonic*—for Dyspepsia, Constipation, Debility, Sick Headache, Bilious Attacks, and all derangements of Liver, Stomach and Bowels. Ask your Druggist for it. *Beware of imitations.*

IT IS ALTOGETHER WRONG to trifle with a Bad Cough or Cold, when the risk is so great and a remedy so sure, prompt and thorough as Dr. Jayne's Expectorant can be readily found.

IF YOU have Chills and Fever, or any form of Fever and Ague, take Shallenberger's Antidote and save a doctor's bill. Every druggist has it.
