THURSDAY, March 2—P. M.

Gold is lower and closes at 198¼, after selling at 198⅞@198¼ during the day. The struggle to sustain the market is continued with great energy, and sanguine people who "go short" upon favorable political news make very little profit.

Gold bearing Government Stocks are lower, and for the moment there is no adequate market for the gold stocks which people desire to convert into 7.30 currency bonds. Holders are very firm and will not make any material concession.

The railway share market is lower, the fall extending through the whole list. The absence of an outside demand, in connection with the fact that business is down for cash, chiefly, makes the market very sensitive and large amounts could not be sold readily. Cumberland sold as low as 66 in the forenoon and closed at 67¾@68; Mariposa, 14¼. At the Second Board prices were generally higher with quite a large business; late in the day prices were not fully sustained.

Money is in good demand among stock houses at 7 per cent, and new business cannot be done better. A feeling of caution is extending among capitalists, and bank balances are considered to be as paying an investment as anything to be had. "Greenbacks" are daily becoming more valuable, and at any moment improve in their capacity to buy to the amount of a whole year's interest.

The Bank Note Reporter for March 4 says:

"There appears to be no doubt that the Hon. Hugh McCulloch is to be the Secretary of the Treasury, and it is generally understood that the Hon. Freeman Clark of Rochester is to take the Controllership of the National Currency. Speculators, of the class who operate for high prices on the theory of paper money, we think, are not well posted as to the financial views of the new Secretary, or they would be more prompt to *stand from under*. We know his ability and nerve. He will careen the country back to a specie basis—safely, if he can—but he will *careen* it in that direction any how. His whole financial history has been of a stringent character. His views now are that the Government itself is the greatest loser by the wide difference between paper money and gold; and, more than all, he knows how to lessen the difference; and the admonishing feature is, he has not one particle of sympathy for those who have run in debt on this paper money basis, nor for those who have bought gold and property because of the depreciation in currency. There is not, in the minds of the people generally, due weight attached to the appointment of such a man to the Secretaryship of the Treasury Bureau."

It is understood that great reserve is practiced at Washington in regard to new national banks, and permission to organize is only granted after careful examination.

Attention is called to "State Bounty Loan," at 7 per cent, advertised by Controller Robinson. A prompt subscription should be made.

Hudson River closed at 119¾, and it was stated upon the street that a dividend of 5 per cent will soon be paid.

Exchange continues heavy. The rates are nominally: Bankers' Sterling, 60 days, 107¾@108¼; Bankers' Sterling, 3 days, 109@109¼; Merchants' Sterling, 106¾@107¼; Francs, 5.20@5.25.

Freights are dull and rates lower. The engagements to Liverpool are 500 bbls. Tar at 1s.; 300 boxes Bacon at 4s., and 1,000 bbls. Oil Cake on private terms. To London, 250 boxes Cheese on private terms. To Bremen, 100 bbls. Shoe Pegs at 1s. 6d., and 120 hhds. Tobacco at 20s. To Havre, 80 tuns Wood at 35f.

The business at the Sub-Treasury was: Receipts, $3,158,442 05; for Customs, $324,000; Payments, $2,374,265 47; on account Loan, $217,000; Balance, $28,538,234 08.

The Evening Post says:

We are officially informed by the President of the Cumberland Coal and Iron Company, that the Board of Directors have consummated the sale of the Sloss mine for $617,000. The sum pays off the whole debt of the Company and furnishes to its treasury $26,000 in cash. The lands sold embrace about 600 acres, or one-tenth of the lands owned by the Company on which the great coal vein is found. The company own altogether about 9,000 acres, and still retain the Astor and Hoffman mines.

At the auction sale of Townsend, Moutant & Co., though the attendance of prominent city dealers was very good, the prices ruled low. The following quotations will show the extent of the decline in rates:

3-4 check Cassimeres brought only $1 30@$1 43¾; Cheviot tweeds, $2 25; drab diagonal cloakings, $2 10@$2 30; 7-4 Imperial mixed broadcloth sold at $5 25. Belgian blue cloth varied, according to quality, $2 80@$3 25, and the others went at equally low terms. The linens fared but little better, brown drills commanding from 37 to 55½c.; 26-inch linenades, 30@31c. (very few lots of either being sold); while Lyons, all silk, vibrated between $2 60@$4 25.

The sale at Wilmerding, Hoguet & Co.'s was attended with the usual success. The extended catalogue comprised large lots of Saxony French and British dress goods, besides a long line of linens. The sale of dress goods, however, did not compare favorably with that of yesterday at another house, which was unusually fine. There was an immense attendance, and the bidding of the most spirited description. The rates obtained were good, the Mozambiques selling at 50@51c.; Selvet, 50@55c.; Diebold Rays, 53c. The handkerchiefs, mourning styles, which were not of the finest kind, brought good prices. The 3-4 were sold at 30@51c., and 4-4 at 50@67c. The 18x36 Huckaback towels averaged 21½c., and 20x32 went at 22@22½c.; 22x42 fringed Bath towels sold at 35c., and 22x45 at 43c. The 4-4 Bias Linens sold very liberally at average prices.

At Haggerty & Co.'s there was a large sale of Ribbons, which called together a large crowd. The prices were stiff and duplicates frequent. The sale was attended with much spirit.

The Racine and Mississippi road earned the third week in February:

1864 ..... $7,899	1865 ..... $9,674
Increase $1,775	

The Grand Trunk road earned the week ending February 18:

1864 ..... $80,216	1865 ..... $90,426
Increase $10,210	

The sales of Petroleum Stocks were: 1,300 Buchanan Farm, $1 80@$1 85; 1,000 do., b30, $1 95; 100 Consolidated of New-York, $2 80; 1,250 Germania, 85@90c.; 8,900 High Gate, 98c@$1; 300 Knickerbocker, 90c.; 250 Excelsior, $9; 100 United States, $27 50; 100 do., b10, $28; 200 do., $27 25; 100 do., b10, $27 50; 50 do., $27; 50 do., $26 50; 100 do., b10, $28; 500 Webster, $1 62; 200 Adamantine, $8; 100 Blood Farm, $14 75; 75 McKinley, $6 75; 700 Oceanic, $4 15; 4,350 Rynd Farm, $6@$6 25; 300 Cherry Run, 92@93c.

A SINGULAR TIME-TABLE.—Notwithstanding the generally conceded fact that City Railroads are a source of profit to stockholders, they nevertheless abrogate the spirit of their charters, as, for instance, the Seventh Avenue Railroad. The cars on this road, or rather that portion of them running through to Barclay-st., are announced to run during the night "every twenty-three minutes," *if nothing happens*. Parties living on the line, having occasion to visit at the distance of Brooklyn, Jersey City, and elsewhere, have cause to complain of this irregularity, inasmuch as it is next to impossible for them to obtain the required accommodation under this singular time-table. What they do ask is that the cars run on even time.

RESOLUTIONS.

The PRESIDENT submitted the following:

Resolved, That this Board, recognizing the fact that the recent glorious victories of our Armies and Navy is sufficient cause for earnest congratulation and thankfulness, and desiring to give all moral support to those who have achieved these victories, recommend that the citizens of this County unite on Saturday next, March 4, in the patriotic movement inaugurated for that day.

Resolved, That all County Officers be requested to close their respective offices on Saturday next, March 4, at 12 m.

Supervisor ELY presented the following as a substitute:

Whereas, The Committee appointed for celebrating the recent victories achieved by the Union Army, have arranged for such celebration to take place upon the same day on which President Lincoln is to be re-inaugurated, which circumstance will prevent many of our most patriotic citizens from attending the same; therefore,

Resolved, That said Committee be respectfully solicited to postpone said celebration to some early day when the same may be free from all partizan appearance, and may be participated in by men of all political parties and opinions.

Which was lost by the following vote:

Affirmative—Supervisor Ely—1.

Negative—Supervisors Blunt, Davis, Purdy, Roche, Tweed and Willmann—6.

The resolution submitted by the President was then adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Purdy, Roche, Tweed and Willmann—6.

Which was adopted by the following vote:

REPORTS.

The Committee on Annual Taxes to whom has been referred the annexed petition of George S. Mawson, for the remission of the personal tax, respectfully

REPORT:

That Mr. Mawson represents that he has been assessed on personal property for the year 1864 on a valuation of three hundred dollars, that he has no personal property of any kind liable to taxation, and is employed as a clerk, and that he was absent from the County of New-York from January, 1864, till the 19th of May, 1864. This statement has been sworn to by Mr. Mawson, the affidavit being hereunto appended. Your Committee are therefore compelled to submit for consideration the following resolution:

Resolved, That the personal tax of George S. Mawson for the year 1864, be remitted, said Mawson having sworn that he was absent from the County during the time the Assessment Rolls were open for correction, and that he has no personal or other property liable to taxation.

Which was adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Ely, Purdy, Roche, Tweed, and Willmann—7.

The Committee on Annual Taxes, to whom was referred the annexed petition of Wm. H. Broner for the remission of tax, respectfully

REPORT:

That Mr. Broner has been assessed on personal property for the year 1864 on a valuation of eight hundred dollars; that soon after the tax had been imposed he removed to the State of New-Jersey, and asks to have the tax remitted. In the opinion of your Committee the tax against Mr. Broner has been legally imposed, and therefore ask to be discharged from the further consideration of his application for the remission of his personal tax for the year 1864.

Which was adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Ely, Purdy, Roche, Tweed and Willmann—7.

The Committee on Annual Taxes, to whom was referred the annexed petition of A. B. Gordon, for the remission of personal tax, respectfully

REPORT:

That the petitioner appeared before your Committee and stated that he had been assessed on personal property at a valuation of eight thousand dollars for the year 1864; that his personal estate would not exceed two thousand dollars. In the opinion of your Committee, had Mr. Gordon appeared before the Tax Commissioners at the time the assessment rolls were open for examination and correction, and made oath to the above statement, the error he now complains of would have been corrected. Failing to attend before these officers at the proper time, there is no power to remit the tax. Your Committee, therefore, ask to be discharged from a further consideration of the application of A. B. Gordon for the remission of his personal tax.

Which was adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Ely, Purdy, Roche, Tweed, and Willmann—7.

The Committee on Annual Taxes to whom was referred the annexed petition of Hugh B. Dougherty, for the remission of personal tax, respectfully

REPORT:

That Mr. Dougherty appeared before your Committee and stated that he had been assessed on personal property for the year 1864, on a valuation of ten thousand dollars; that, on the first day of May, 1863, he, with his family, removed to the town of Fishkill, in the County of Dutchess, and has continued to reside there since that time; that he has paid taxes on real and personal property in said town during the past year. The affidavit of Mr. Dougherty stating these facts is hereunto appended. That Mr. Dougherty is a non-resident there can be no doubt, nor can there be any doubt of the tax having been wrongfully imposed. For these reasons your Committee submit for adoption the following resolution:

Resolved, That the personal tax of Hugh B. Dougherty, for the year 1864, be remitted, said Dougherty having resided in the County of Dutchess during the past year and paid taxes therein, and therefore not liable to taxation in the County of New-York.

Which was adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Ely, Purdy, Roche, Tweed and Willmann—7.

The Committee on Annual Taxes, to whom was referred the annexed petition of H. Hutchinson, for remission of personal tax, respectfully

REPORT:

That your Committee have carefully considered the application of Mr. Hutchinson for the remission of his personal tax for the year 1864, and have also conferred with the Tax Commissioners upon the subject. The petitioner was represented before your Committee by the late Judge Woodruff, who states that Mr. Hutchinson was absent from the country in Europe during the time the tax books were open for public examination; that the personal estate of Mr. Hutchinson does not exceed the valuation of fifty thousand dollars, and that the assessors had estimated the valuation of the personal estate of Mr. Hutchinson at one hundred and fifty thousand dollars. These statements have been sworn to by Mr. Hutchinson in September last, just previous to his departure for Europe, and also by N. Chandler, who states that he is well acquainted with the affairs of Mr. Hutchinson. Judge Woodruff confirms the statements of the parties whose affidavits are hereunto attached. This statement of facts, as well as the circumstances attending them, induce your Committee to come to the conclusion to submit for adoption the following resolution:

Resolved, That the personal tax of H. Hutchinson for the year 1864, be estimated on a valuation of fifty thousand dollars, instead of one hundred and fifty thousand dollars, said Hutchinson having been absent from the country during the time the assessment rolls were open for examination, and the Tax Commissioners have advised said reduction to be made.

Which was adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Ely, Purdy, Roche, Tweed and Willmann—7.

The Committee on Annual Taxes to whom was referred the petition of George Roll, for the remission of personal tax, respectfully

REPORT:

That Mr. Roll appeared before your Committee and represented that he had been assessed on personal property for the year 1864, on a valuation of four thousand dollars in the County of New-York; that he has resided in the City of Brooklyn, in the County of Kings, some three years, and that he has paid a personal tax in said city the present year. The above statement has been sworn to by Mr. Roll, the affidavit of which is appended to the application of the petitioner.

It is evident, in the opinion of your Committee, that the tax imposed upon Mr. Roll has wrongfully done and cannot be legally collected.

These reasons induce your Committee to submit the following resolution:

Resolved, That the personal tax of George Roll for the year 1864 be remitted, said Roll being a resident of the City of Brooklyn, and having paid a personal tax in said city for the year 1864.

Which was adopted by the following vote:

Affirmative—Supervisors Blunt, Davis, Ely, Purdy, Roche, Tweed, and Willmann—7.

MOTIONS.

Supervisor ROCHE moved that the Board do now adjourn.

Which was carried.

And the PRESIDENT declared that the Board stood adjourned without day. JOS. B. YOUNG, Clerk.
