INDIANA MAN HAD A DELICATE LIVER

Made Friends Think He Would Not Live, But Black-Draught Liver Medicine Brought Him Safely Through.

Loogootee, Ind.—Mr. Anthony Wilson, of this town, says: "I was born with a delicate liver, which caused a disordered stomach, and my growth was affected by a case of malarial fever. I spent considerable money for treatments, but without any permanent relief.

I commenced using Thedford's Black-Draught at the age of 10, and continued until I was grown, and it cured me, and I consider it a rapid cure in a case like mine.

The people around here said I would never live to be a man, but Thedford's Black-Draught fooled them all.

I am now 27 years of age, and don't have to use Black-Draught only during the change of seasons, to tone up my system. As for my liver trouble, it is gone for good.

I have made many new friends for Thedford's Black-Draught, for it has merit to recommend it."

Thedford's Black-Draught has been the standard household remedy for disorders of the liver, stomach and bowels for over 75 years. You run no risk in trying it for your troubles.

Get a package of Black-Draught today. Your dealer sells it. Costs only one cent a dose. [JB-6]
