GEN. CAMERON'S WILL

Admitted to Probate in Harrisburg on the Arrival of the Senator.

THE ESTATE VALUED AT $1,700,000.

Each Member of the Old Politician's Family Handsomely Remembered.

A NUMBER OF CHARITABLE BEQUESTS

[SPECIAL TELEGRAM TO THE DISPATCH.]

HARRISBURG, July 9.—Senator Cameron, having arrived this afternoon, the will of the late General Simon Cameron was admitted to probate. The executors of the deceased are Hon. Wayne McVeagh, Senator Cameron, J. Montgomery Forster, State Insurance Commissioner, and John H. Weiss, of this city.

General Cameron left an estate valued at about $1,700,000. The Donegal estate, on which the veteran politician died, is given to Senator Cameron, and after the latter's death is to go into the possession of his son, James McCormick Cameron. Simon Cameron, the imbecile son of General Cameron, is to have a residence on the estate, which is estimated to be worth $100,000. The Front street mansion house, most of which is about 120 years old, is given to General Cameron's daughter Margaret, the widow of Richard J. Haldeman, for several terms a member of Congress from this district. Its value is placed at $30,000. Mrs. Haldeman is also given all the furniture in the house. The

SILVER PLATE AND TABLE SILVER

of every description is directed to be divided between Mrs. Haldeman and Mrs. Wayne McVeagh. Each of his granddaughters, Mrs. S. H. Chauvenet, Mrs. David Watts, and Miss Janet Cameron, will receive $60,000 each.

There are given to General Cameron's executors $50,000 in trust to pay the interest during life to Simon B. Cameron, a grandson, and at his death to his wife for life, and after her death to her children, if she has any. A similar bequest is given for Simon Cameron Burnside, with like conditions, and $70,000 for Thomas Burnside. Simon Cameron is also given in trust the Hoffman farm, in Lancaster county. The Barnhart farm, in Center county, comprising 425 acres, is given in trust to Simon Cameron Burnside.

Sufficient bonds to yield an annual income of $3,000 are directed to be set aside for the support of General Cameron's son Simon. Bequests are also made as follows: Harrisburg Hospital, $10,000; Home for the Friendless, Harrisburg, $10,000; his library and $5,000 to the Young Men's Christian Association, of Harrisburg, as the foundation of a library for journeymen and apprentices. Mrs. James Duffy, of Marietta, $5,000 in grateful recognition of

HER UNIFORM KINDNESS,

to his son Simon; German Reformed Church, of Maytown, Lancaster county, $5,000 and a parsonage; John Campbell, his servant, $2,000; old Donegal Church, $2,000; Harris Park, Front street, $1,000.

A legacy of $5,000 to his sister, Mrs. Bobbs, of Indianapolis, has lapsed by her death. The Home for the Friendless bequest is to be invested and called the Margaret Cameron Fund, in memory of General Cameron's wife, the interest to be applied to the support of the institution. Of his residuary estate he gives one-third absolutely to his daughter, Mrs. Haldeman; one-third to his daughter, Mrs. MacVeagh, and the remaining one-third to Senator Cameron for life, and, after his death, to his grandson, James M. Cameron, absolutely.

All bequests vesting before any legatees are 25 years of age, shall remain in the hands of the executors and trustees until they respectfully arrive at the age of 25. The will was made on October 2, 1886, but there were several codicils, the last one being February 12, 1889.

A CANDIDATE OF THEIR OWN.

Westmoreland Cold Water Men Want a No License Judge.

[SPECIAL TELEGRAM TO THE DISPATCH.]

GREENSBURG, July 9.—The Prohibitory Amendment Association organized some months ago in this city to-day held a convention in the Court House here. John D. Gill was made Chairman in the absence of Chairman Speigel. The object of the meeting was to consider the advisability of nominating a condidate for President Judge for both the districts. After the meeting was organized the name for the association was changed to the Amendment League, and a committee was appointed to wait upon the Republican and Democratic candidates for Judge, Messrs. McConnell and Doty, for the purpose of ascertaining their view on the license question before a candidate would be put in the field.

The candidates would not commit themselves, and the convention at once named J. R. Spiegel as their candidate. Mr. Spiegel is a lawyer of some ability and a Democrat. He is confined to his home with sickness and it is not known whether he will accept or not. Rev. Howard Wilson, of Mt. Pleasant, was elected Chairman of the League. The temperance people having carried the county for the amendment, a lively time is expected.

ALBERT VICTOR'S DOT.

Bradlaugh Will Fight the Allowance by All Means Possible.

LONDON, July 9.—In the House of Commons Mr. W. H. Smith, the Government leader, moved that the Committee on Allowances to Prince Albert Victor of Wales and Princess Victoria of Prussia, on the occasion of their marriage, consist of 23 members. Mr. Dillwyn proposed a committee of 25 members, adding two Radicals to the number. He said that the committee that Mr. Smith wanted would have a majority of three Government supporters instead of one, according to precedent. Mr. Smith assured the House that the Government was adhering to precedent, and that the views of every section were fairly represented in the proposed committee.

Mr. Gladstone approved Mr. Smith's distribution, and said that the Government was entitled to a majority of three on the committee. Mr. Bradlaugh supported Mr. Dillwyn's amendment. He said that he was altogether opposed to such grants, and would raise every possible difficulty to prevent the voting of the proposed allowances. After further debate Mr. Dillwyn's amendment was defeated by a vote of 300 to 105.

STARVING DERVISHES.

They Are Obliged to Fight for Water to Drink.

CAIRO, July 9.—Advices were received here to-day that Colonel Wodehouse's cavalry occupied the camp of the enemy and found it deserted by all except several men, women and children who were dying from thirst and exhaustion. The enemy surprised and killed a picket belonging to the Ninth battalion. No reinforcements for Colonel Wodehouse had as yet passed Wady Halfa.

Other advices say that the Egyptian force under Colonel Wodehouse arrived at Adendan last night. The Dervishes occupied a position on the opposite bank. A sharp engagement ensued. The Dervishes were after water and managed to procure a supply, though many of their number succumbed to the fierce artillery and rifle fire kept up by the Egyptians. There were also several casualties among the Egyptians.

INDIAN ELOQUENCE.

Three Chiefs Complain of the Treatment Received From the Government.

CROW CREEK AGENCY, S. D., July 9.—There was another council this afternoon. White Ghost, Drifting Ghost and Bull Ghost spoke on the part of the Indians. They complained generally of the failure of the Government to treat them justly; that they formerly owned a vast territory, and that their lands had dwindled without their getting anything for it, until they had but little left, and now were asked to sell part of that. They did not have enough for themselves and their children who would come after them. They said that the commissioners had treated them fairly and explained matters fully, but they could not do what the commission wanted. Governor Foster, Major Warner and General Crook each spoke, giving reasons why the act of Congress should be accepted, acknowledging that the Indians had doubtless grounds to complain of past treatment, which it was impossible now to rectify, and that whatever had been the action in the past, now the Government proposed to treat them fairly. The Indians complain that the Santees are benefited equally with themselves.

Apart from the fear of the chiefs that the act of Congress will result in the loss of their influence with their tribes, there is the potent fact that they have always been friendly and have never taken sides with the other Indians in fighting the white people. They are shown less consideration than any other of the Sioux tribes and their proposed reservation is much smaller in proportion to the number of Indians than any other. At the conclusion of the council those in favor of the bill began signing. It is impossible to say just what the result will be, but at this hour the prospects for getting the requisite three-fourths is not encouraging. The lines are apparently drawn as last year, though there is less of bitter feeling between the two factions.

POST AGAIN ON DECK.

He Tries to Obtain Some Property Claimed by His Creditors.

CHICAGO, July 9.—Alfred Post is again in Chicago. He was the President and General Manager of the defunct "Freight Claim Bureau," which cut a swath in the commercial circles here for a time and then suddenly collapsed, while Post disappeared, leaving several acute business men to mourn the loss of thousands of dollars. Mr. Post, it is said, arrived in Chicago about a week ago, and is now living in some secluded spot known only to his attorney, General I. N. Stiles. Through General Stiles, Mr. Post to-day filed a bill in the Superior Court, in which he says that Francis A. Riddle, who occupies apartments in the Home Insurance building, immediately adjoining those in which Mr. Post's old headquarters were, has grossly deceived him. Mr. Riddle, he says, has possession of his private stable, consisting of nine fast horses and 14 handsome vehicles, valued altogether at $20,000.

Mr. Post in his bill refers to the circumstances of his sensational departure by saying he "became somewhat financially embarrassed and absented himself from the city." The complaint against Riddle is that the latter obtained possession of the stable under pretense of aiding Post, but has not done so, and now refuses to let go, retaining the property in the interest of Post's creditor's. Judge Jamieson granted an injunction to prevent Riddle from selling the stable, and took under advisement an application by Post for an accounting.

LITTLE MARY CECILIA BRUNOLD

Has just been cured of the worst Eczema ever seen by the doctors who treated her. From head to foot a mass of diseased skin. Several physicians, a medical college, and all remedies fail. Cured by Cuticura Remedies.

My little daughter, Mary Cecilia Brunold, was afflicted with the worst case of eczema ever seen by the doctors who treated her. She was literally covered from head to foot with scabs. These physicians tried their best to cure her, but I believe they were only experimenting. They kept on experimenting for over ten months, but instead of getting better the child got worse, and I did not know what course to pursue. My wife took her, after we had paid all we could afford for medical treatment, to a medical college, where there were some twenty or thirty doctors assembled, but the case baffled them all. My wife had to go every day, and sometimes twice a day. In fact, the medicine they gave my child did not have time to act, even if there was any virtue in it, it was changed so often by orders of the doctors. The latter part of January, after everything had failed, and patience and money were both exhausted, I made up my mind to quit all doctoring and try the CUTICURA REMEDIES. I did so, and now, I can say that my daughter is cured, sound in health and well, to the surprise of hundreds.

The druggist, Mr. H. M. Krueger, corner Chateau and Ewing avenues, who sold us the CUTICURA REMEDIES, is as much astonished as anyone of us. The CUTICURA REMEDIES have worked a complete cure, and we have used but a little more than three-fourths of a bottle of CUTICURA RESOLVENT, and a proportionate amount of CUTICURA and CUTICURA SOAP. I am ready at any time to make affidavit that my daughter had the worst case of eczema, as the doctors all admit, ever seen in this city, and that she had been cured solely by the CUTICURA REMEDIES, after the best physicians and remedies failed.

I shall be glad to have anyone call upon or write me who has a child similarly afflicted, or any person who is troubled with a skin disease, that he may see for himself what your CUTICURA REMEDIES have done. I do this in gratitude for the cure that has been effected in my child's case. CHAS. B. BRUNOLD, 2905 Gratiot st., St. Louis.
