The Tax Commissioner's Office.

To the Editor of The N. Y. Tribune.

SIR: An article appeared in Saturday's TRIBUNE, 8th inst., over the signature of M. O'R., respecting the Tax-Office, containing statements so at variance with truth that in justice to yourself they should be corrected:

First: It is charged that all the employés of the office had been called upon for two months' salary for the purpose of defeating bills pending before the Legislature, which is entirely false (see accompanying affidavit).

[The affidavit, sworn to by all the employés in the Tax Commissioners's Office, is before us.—*Ed.*]

Second: It is stated that the bill now before the Legislature reduces the expenses of the office, whereas it in fact increases the expenses as follows:

Increased salary of three Commissioners, at $1,500 ⅌ year each	$1,500
Creates a new office of Counsel to the Board, salary	2,000
Creates a new office, Clerk to Commissioners, salary	2,000

Leaves the new Commissioners to appoint clerks at will in number and quality. All other allegations contained in said article, though many are false, are deemed frivolous.

COAL AT COST.

CONSUMERS' BENEFIT COAL COMPANY. SHARES, $10.

Each share entitles the holder to one ton of coal per year, at the cost of mining, transportation and delivery (which is now about $8 per ton); also to a share of the profits on the sale of coal produced beyond the quantity supplied to shareholders.

Those who buy for investment can have the coal they will be entitled to sold for their benefit, and receive the proceeds over the cost in cash.

Investment in this stock is not a risk, for Anthracite Coal lands are rapidly rising in value.

The shares to be sold are limited, and are nearly all subscribed for. Immediate application is necessary to secure any. Office, No. 71 Broadway, Room No. 50.
