COMMERCIAL MATTERS.

FRIDAY, April 14—P. M.

Gold was steady upon the street at 146, with moderate sales. The "Gold Room" was not open.

Stocks were in active demand at higher rates, and a large business was done. The suspension of the draft and recruiting, and the restoration of trade with the South, have given new confidence in all directions, and people are promptly reorganizing their business upon a peace basis. The effect of these two measures upon the country will be in the highest degree beneficial, and all commercial pursuits and every branch of industry will soon show its results. One stops the drain of labor to fill the ranks of the army—leaves the industry of the country to be used in pursuits for the improvement of the people, instead of being consumed in war; the other opens to the commerce of the North its old markets in the South, which has still great wealth in its hoarded cotton, and for which the world at large is waiting. What the South lacks in money to buy goods is left to her in the form of credit, and the North will lose no time in restoring the commercial relations disturbed by the Rebellion. The North is not exhausted, and can hardly be said to have been seriously weakened by its expenses. It has, to be sure, spent thousands of millions, but has still the capital and every appliance necessary to at once resume its Southern trade. What is true of New-York and New England is equally true of the West, which to-day is stronger than ever, with less debt and with more of the material wealth which constitutes commercial solvency. With peace restored the interchange of commodities will be resumed with all its old energy; and though trade may, in some cases, seek new channels, the natural developments of the country will secure to all existing routes ample business in paying rates. It is this conviction which to-day promted shrewd people to buy stocks of all corporate companies engaged in transportation, which under peace, are assured of business which will task them to the utmost. Peace to those who are in debt and involved in speculations, which required a prolonged war to make them succeed, will be brought to grief, but the great industries of the country will be pressed forward with new vigor, and national wealth be accumulated with all its old rapidity.

Government stocks which sold at 105¼ for 5.20s, to, arrive, advanced to 107 this morning. The 10.40s are 93¼, the 6s of 1881, 108¼@108½. Certificates sold at 99¼@99¾, and are scarce.

In the active stocks, the following are the street prices:

United States 6s of 1881, coupons, 108@108¼; Tennessee State 6s, 64¾@65; Cumberland Coal, 47¾@48; Quicksilver Mining Co., 64¼@65; New-York Central, 101¼@101¾; Erie Railway, 70¼@70¾; Hudson River, 107¼@107¾; Reading, 106¼@107; Michigan So. & N. Indiana, 63¼@63¾; Illinois Central, 114; Cleveland & Pittsburgh, 73¼@73¾; Chicago & Rock Island, 97¼@97¾; Chicago and North-Western, 31¼@32—the Preferred, 62¾@62¾; Pittsburgh & Fort Wayne, 94¼@94¾.

Money was not wanted by stock houses to-day, and quotations are unchanged.

The Marietta and Cincinnati Road earned the first week in April, 1864, $16,182; 1865, $19,479; Increase, $3,297, equal to sixteen per cent.

The American Exchange Insurance Co. has declared a dividend of 5 per cent.

Subscriptions and sales of 7.30s at the Ninth National Bank this day, amount to $503,600.

THE COST OF LIVING IN NEW-YORK.

FRIDAY, April 14—P. M.

The following tables, carefully revised every week, give a pretty clear idea of the cost of living in this city, at least so far as eatables are concerned. Some household articles of common or frequent use are also included. Only *good* articles are quoted, unless specially noted, and the prices are such as are charged at Washington and Fulton Markets, and down-town groceries. Street and sidewalk peddlers sell a little under these figures, but their articles are not always fresh and in good condition. The up-town and avenue traders usually charge a little more than here quoted. Fish, or especially shad have been scarce for a few days past. The present warm weather will favor the catch. The high price of meats helps to keep up the price of fish. Eggs are in good supply, and are cheaper than fresh beef. Fruits are generally lower, as rhubarb begins to take their place. Meats keep up, the supply of fresh being very light this week. Groceries, especially sugar and tea, are gradually falling in price. Sugar can now be bought for 12½c. which cost 25c. two months ago. Spring vegetables continue to increase in variety and diminish in price. The old beets, carrots, turnips and cabbages are little called for. Coal is arriving freely, and has declined 50c. per ton. Kerosene is also lower. We quote:

Sermons will be preached at the three sessions by the Rev. Dr. Young of St. George's, the Rev. Dr. Dyer, and the Rev. Stephen H. Tyng, jr., the pastor of the church.

REMOVE THE NUISANCES.—Now that the draft has been suspended and recruiting is at an end, we hope the Common Council will order the immediate removal of the unmitigated nuisances in the shape of recruiting booths and tents which now disfigure our public parks, squares and places. If allowed to remain, they will speedily degenerate into lounging places for idlers and vagabonds, and become fruitful sources of immorality and vice. They have long been an unsightly and disagreeable incumbrance to our public places and thoroughfares, and their longer continuance is utterly without justification or excuse. We trust we may soon be able to chronicle the pleasing fact of their removal.

THE NEW-YORK FEMALE BIBLE SOCIETY.—The forty-ninth anniversary of this Society was observed on Thursday by a meeting at the Bible House in Astor-place. The receipts of the treasury for the past year have been $10,638. Addresses were made by the Rev. S. H. Tyng, D.D., and the Rev. R. D. Hitchcock, D.D.

FLAG RAISING IN THE CARRIERS' DEPARTMENT AT THE POST-OFFICE.—The letter carriers to the number of 150 met at their room in the Post-Office at 11 o'clock, a. m., on Friday, for the purpose of raising the National flag in honor of the recent victories and the probability of a speedy peace. The room was decorated with hundreds of small flags, tastefully arranged.

The most attractive feature of the decorations was a group of splendid portraits of Gen. Washington, President Lincoln, Gen. Jackson, Gen. Grant and Daniel Webster, arranged under an arch, and over which was inscribed: "The Friends of the Constitution." Mr. Edward Stewart, superintendent of the carriers' department, was chosen to preside, and accepted the position in a very appropriate speech. "The Star Spangled Banner" was then sung, during which the flag was raised, and six cheers were given.

Patriotic and eloquent speeches were made by James A. Campbell, Nicholas H. Babcock, and others. Several songs were sung and the meeting adjourned.

BIRTHDAY OF THOMAS JEFFERSON.—The anniversary of the birthday of Thomas Jefferson falling on Thursday, a dinner was partaken of at the Mason Doirée by the "Anti-Abolition States Rights Society." Mr. Theodore Martin presided over the intellectual part of the entertainment, and there were speeches by Edward Ingersoll of Philadelphia, Henry Clay Dean of Iowa, C. C. Burr, and Judge McCunn, with others.

The German Democratic Club also held a meeting at Pythagoras Hall, and passed resolutions expressive of the confidence of those present in the principles and ideas of Thomas Jefferson. Addresses were made by Messrs. Anderson, Backmann, and other gentlemen, and a convivial season followed the breaking up of the meeting.

ARRESTED ON A CHARGE OF ARSON.—Officer Barton of the Second Precinct, yesterday arrested John Schon, a wine merchant, residing at No. 269 William-st., and Christian Schultz, residing at No. 6 Roosevelt-st., on the complaint of Mr. John F. Kaufmann, owner of a restaurant at No. 177 William-st. Some time since Schon and Kaufmann bought the lease of the premises No. 176 William-st. for two years from the 1st of May next, agreeing to pay therefor the sum of $650. At the time Schon occupied the lower portion as a wine cellar, and Kaufmann also occupied a portion of the remainder of the building. Two weeks ago Mr. K. informed Schon that he had altered his mind, and declined to enter into copartnership with him. Schon became very much enraged. On the evening of the 9th inst. the rear part of the premises, occupied by Schon, was fired, but the flames were extinguished before they had done much damage. Kaufmann subsequently ascertained that the premises were fired by the prisoners, and he accordingly caused their arrest. They were arraigned before Justice Dowling, when the prisoner Schultz made a full confession. He states that some days before the fire, while playing cards with Schon in his wine-cellar, the latter proposed to him to set fire to the house, and he would give him $50. He at first refused, but finally agreed to help him, and on the Saturday night preceding the fire tended Schon's place while the latter went out and purchased two gallons of kerosene oil, in addition to two gallons which he had then in the house. It was agreed between them that the premises should be fired at 9 o'clock on Sunday night, after the owner of a cigar store in the building had left for the night. At the appointed time the fire was kindled. Schon cautioning his confederate not to make any alarm until 15 minutes after he saw the smoke; but Schultz became alarmed, and as soon as it became visible from his window, which commanded a view of the back yard, he awoke his room-mate, shouldered his trunk, and precipitately left the house. The next day Schon told him he was too fast in leaving, and that he had spoiled the whole thing. He had previously told Schultz that in case he betrayed him, one of their lives would pay the forfeit. Fire-Marshal Baker conducted the investigation, and on a hearing of the facts the Magistrate committed the prisoners to the Tombs without bail.

A NEW TEMPERANCE MOVEMENT.—A meeting will occur at room No. 24 Cooper Institute at 7½ o'clock, on Tuesday evening next, for the purpose of organizing a Veteran Temperance Corps, to consist of those who have faithfully abstained from the use of intoxicating drinks for the third of a century and upward.

COLLISION—The steamship La Favorite, while returning from a trial trip yesterday and passing up the East River, collided with the Catherine-slip ferry-boat Manhasset as she was entering her slip on the Brooklyn side, doing considerable damage to the Manhasset by tearing away a portion of the gentlemen's cabin and somewhat injuring the hull. Fortunately nobody was hurt.

A DISHONEST DOMESTIC.—Susan Carpenter, alias Campbell, lately a servant in the employ of Mr. William G. Ward, No. 25 East Thirty-first-st., was yesterday arrested on a charge of having stolen from her mistress a set of coral studs valued at $250, and resold them to Messrs. Tiffany & Co., of Broadway, for $80. She was committed by Justice Ledwith.

CAR ACCIDENT.—John Brown, residing at No. 60 Catharine-st., was yesterday run over by a Second Avenue car, and had his collar-bone broken, beside receiving other injuries. He was conveyed to the New-York Hospital.

EARLY CLOSING.—A number of the Front-st. merchants have signed a paper agreeing to close their places of business at 3 o'clock on Saturday afternoon, from May 1 to Nov. 1.

FATAL ACCIDENT ON BOARD THE STEAMSHIP CORSICA FROM HAVANA.—A terrible accident occurred on board the Steamship Corsica on her late passage from Havana to this port, which resulted in the death of two persons, and three others seriously injured. It appears that when four hours out from port a barrel of spirits was about being lowered into the lower hold, when owing to some wrong management in arranging the slings the barrel slipped and fell with great force into the hold, where it immediately burst. The storekeeper, Mr. John Hughes, who was in the hold at the time with several others, upon seeing the occurrence, went immediately to the barrel and having a lighted candle in his hand, it set fire to the spirits which exploded, killing Mr. Hughes instantly, and mortally wounding the carpenter, Mr. L. McNeal, who died on Thursday night. Three others of the crew, named Mitchell, Thompson and Murphy, are seriously injured, but will recover. The passengers held a meeting on board, for the relief of the sufferers, whereupon some $800 were subscribed.
