☞ BRAGG'S ARCTIC LINIMENT.—GREAT IMPROVEMENT.—It is well known that Dr. BRAGG is eminently the most successful in the cure of all Cutaneous, Scorbutic and Ulcerous Diseases in the Western States. His great success is in the fact that his Liniments are the best the medical profession have known. He spares no pains or expense in procuring the very best materials and compounding them himself. Therefore all physicians prescribe and use them. Dr. BRAGG'S ARCTIC LINIMENT is an improvement which defies all known remedies to compare with it in the cure of all external diseases on man or beast.

It is exceedingly efficacious in removing Blotches, Tumors, Pimples, Sore Lips and Eyes, and renders the skin soft and fair.

Its very superior penetrating properties stamp it at once as the surest of all remedies for the cure of Deep Bruises, Sprains, Rheumatism, Stiff Joints, Pleurisy, Neuralgia, Paralysis, Burns, Piles, Corns, Warts, or any external Sore, and it is not painful in its application.

FOR ANIMALS, the ARCTIC LINIMENT is a sure remedy for external diseases of Horses and Mules, such as Sprains, Sweny, Scratches, Thrush, Poll Evil, or any Sore or Swelling.

It is put up in three sizes, at 25c., 50c. and $1; but if you buy a dollar bottle, you will be furnished free, for one year, with "Emerson's Illustrated United States Journal," by filling up the certificate around each dollar bottle and sending it to J. M. EMERSON & Co., 371 Broadway, New York.

☞ PLAIN STATEMENTS OF FACTS.—DR. HAMPTON, now aged 82 years, speaks. Hear him:

Are you sick? Beware of imitations! Ask for Hampton's Vegetable Tincture. The many cures made by this pleasant and safe remedy may induce counterfeiting.

A medicine must have merit, and great merit, too, to withstand the test of public opinion. No art of puffing can galvanize a worthless article, so as to keep it up as a good medicine, if it be not really so.

A good medicine will live, become popular and extend its sales year after year, in spite of opposition. The people readily find out its virtues, and the fame of them passes from mouth to mouth with more rapidity than newspapers can spread it. A living witness testifying to the cure a medicine has made for him, is of more service than any newspaper advertising.

In proof of what we say above, we refer you to Hampton's Vegetable Tincture and its effects.

MR. WM. HIGH, No. 195 South Paca street, Baltimore, cured of Rheumatism, Dyspepsia and Nervous Disease.

MR. EDWIN M. SPRANKLIN, No. 27 Register street, Baltimore, most dreadful case of Scrofula of years' standing, lost a number of pieces of bone, restored to health.

MISS MARY SCOFIELD, Teacher, No. 630 Baltimore street,—her case, after years of suffering, has astonished her friends. Let the afflicted call to see her.

DYSPEPSIA, NERVOUS DISEASE, &c.

Mr. Wm. Oldham, of Baltimore Custom-House, suffered from these complaints for 18 months, with body and mind severely affected. He was cured by Hampton's Vegetable Tincture, after other things failed.

LIVER COMPLAINT, CONSUMPTION, &c.

Mr. Henry C. Winn had a cough for 5 years—great weakness, &c., had in all five or six physicians; tried all the remedies, but was cured only by

HAMPTON'S VEGETABLE TINCTURE.

☞ Delicate Ladies and Children will please give a trial.

Pictures of all kinds accurately copied, and warranted to please, at moderate prices.—AMBROTYPES at one dollar and upwards at GIBBS' Temple of Art, Corinthian Hall, Main street, between 9th and 10th. It is a home picture, and more attractive on that account.—*Richmond Dispatch.* de 22—3t

THE LIVER INVIGORATOR, prepared by DR. SANFORD, is A GREAT SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures, almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a DISEASED LIVER.

The LIVER is one of the principal regulat's of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on healthy action of the Liver for the proper performance of its functions, when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the liver—having ceased to do its duty. For the disease of this study, its practice of proprietors has made it more than 20 years, to find some remedy, herewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums and extracting that part which is soluble for the medicine. These gums remove all morbid or bad matter, supply flow of bile, invigorating tone and energy to digest well, purifying the blood, giving tone and energy removing the causes, making a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison that is usually resorted to.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

One dose of two teaspoonsful will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose, immediately relieves Cholic.

One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

One dose, taken often, will prevent recurrence of bilious attacks, while it relieves all painful feelings.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle, taken for Jaundice, removes all yellowness, or unnatural color from the skin.

One dose taken a short time before eating, gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints, yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world, as it *never fails.*

☞ There is no exaggeration in these statements; they are positive facts, that we can give evidence to prove, while all who use it, are giving it their unanimous testimony in its favor.

We take infinite pleasure in recommending this medicine as a preventive for FEVER AND AGUE, CHILL FEVER, and all Fevers of a Bilious type. It operates without pain, and the thousands are willing to testify to its wonderful virtues.

Among the hundreds of Liver remedies now offered to the public, there are none we can so fully recommend as DR. SANFORD'S INVIGORATOR, so generally known now throughout the Union. This preparation is truly a LIVER INVIGORATOR, producing the most happy results on all who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—*Hudson County Democrat.*
