PROPOSALS.

CLERK'S OFFICE SUPREME COURT OF APPEALS OF VIRGINIA, RICHMOND, June 20, A. D. 1884.
PURSUANT TO THE PROVISIONS of an act of the General Assembly of Virginia, approved April 30, 1874, entitled an "Act prescribing the manner in which records for the supreme Court of Appeals shall be printed, and providing for letting the same to contract," and which is as follows—to wit:
I. *Be it enacted by the General Assembly*, That the clerks of the supreme Court of Appeals at Richmond, Staunton, Winchester, and Wytheville shall in the month of June, in the year 1874, and annually thereafter in the same month, solicit proposals by advertising in some newspaper published in their respective localities for the printing for one year of such records of courts as may be required under existing laws to be printed for the use of the Supreme Court of Appeals in determining cases of appeal.
II. The said proposals shall state the amount per page of fifteen hundred ems small pica type, and shall include the paper, printing, binding, and a neat cover, with the style of the case and court from which the record comes neatly printed thereon.
III. The said clerks shall award the contracts for said printing to the lowest responsible bidders in their respective localities, and shall take from them bond, with ample security, in a penalty double the amount of the work to be executed, the same to be ascertained by the amount of the preceding year's work. The mode of certifying and paying accounts for said printing shall be as now prescribed by law.
IV. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.
V. This act shall be in force from its passage.
SEALED PROPOSALS will be received by the undersigned at his office, at the State courthouse on Eleventh street between Broad and Marshall, in the city of Richmond, until 12 o'clock M. of the 28TH INSTANT, for the PRINTING, &c., in accordance with the provisions of the second section of said act, of all such RECORDS as the Supreme Court of Appeals of Virginia, at Richmond, may require for one year from the 1st day of July, 1884, said printing to be done in a compact form, without blank pages or blanks between lines or paragraphs.
No extra charge to be made for figure work not exceeding three columns.
As the printing has to be done under the supervision and direction of the Clerk it must be done in this city.
The Clerk claims the right of rejecting any and all bids which in his opinion do not and will not fully comply with the requirements of the foregoing act, and of declaring *who* are "responsible bidders," and *what* is "ample security" within the meaning of the same.

Clerk of the Supreme Court of Appeals of Virginia, at Richmond.
