COMFORT FOR LADIES, MISSES AND CHILDREN.

The "Comfort Corset" made by the Boston Corset Corset Co., 36 Chauncy St., Boston, Mass., is the only *perfect fitting* one at the same time *comfort* a corset made, and will outlast two or three ordinary corsets. These are broad assertions, but a trial will convince any lady of the fact. The use of several sizes at the top, for each waist size, ensures a *perfect* fit both for tapering, waists and straight forms. This system is peculiar to this corset, and is patented thus, with the manner of cutting and cording on lines *Comfort*, which every lady knows is so important and desirable. It is lightly named "*Comfort* Corset." Don't let any other corset be worn if you value *health, comfort* and a *perfect fit*. Sizes for misses as well as *ladies*. Also a waist for *children* on the same principle. This is the only child's waist in the market that requires no alteration to fit the child. Send to above address for circular giving full description and prices. Name this paper.
