"It is an ill wind that blows nobody good." The railroads, at least, make something out of the army of office-seekers. Thus the receipts on the Baltimore and Washington road for March, exceeded the receipts for the same month last year, by the sum of $22,000.

The Crops.—The papers throughout the great West speak of the growing grain crops as being in the most promising condition, and giving token of an abundant harvest.

POISONING.

Thousands of Parents who use Vermifuge composed of Caster Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the founpations for a series of diseases, such as salivation, loss of sight, weakness, of limbs, &c.

In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disordes arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

☞"*Be not deceived*," but ask for Hobensacks' Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N HOBENSACK, as none else are genuine.

DR. J. LANTZ, DENTIST,

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Stroudsburg, March 24, 1853.

$500 CHALLENGE,

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solmenly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belley, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, & can be given to the most tender Infant with decided beneficial effect, where *Bowel Complaints and Diarhœa* have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomache which makes it an Infallible remedy for those afflicted with Despepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system.—It grows to an almost Indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of man is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of *Roots* and *Plants* furnished by nature to heal the sick: Namely 1st, An *Expectorant*, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2d, An *Alterative*, which charges in some explicable and insensible manner, the certain morbid action of the system. 3d, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts, of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base imitations.

What can be got for Fve Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the the Home Journal, (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders, enclosing that amount to Dyer & Willis, will be promptly attended to.

Publisher of the Knickerbocker.
MORRIS & WILLIS,

DYER & WILLIS,

257 Broadway, New York.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD AND TIMES, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is $3 per annum; the Home Journal, $2; and the Musical World and Times, $3; making $8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Caloric age, which is just now being ushered in. Of the Knickerbocker Mrgazine, edited by Lewis Gaylord Clark, it is unnecessary to speak.—For twenty years it has been the most genial, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo, P. Horris, and N. P. Willis, is well known as the best family newspoper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over $25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing;—Art, Science, Literature; Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performed and Performances; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

☞Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, fot one year

I have published a brief work on Consumption, which contains an invaluable recipe for the cure of these prevalent diseases, even in their worst stages, when friends and physicians have given up all hope. The *Lung balsam* prescribed in this work *Cures* without the expensive aid of physicians or injurious use of patent medicines. In adopting this *System of Cure* the patient *knows what he is using*—knows that he is not shortenning his pays by the use of anodynes or mercurials, which may seem to *Relieve* but never *Cure*; He knows when using this *Life-saving Balsam*, that he is taking mild, pleasant, efficacious remedies, such as *Nature prescribes* for the ills her children suffer. The ingredients composing this *Lung Balsam* are obtainable (cheaply too,) wherever consumption exists, proving that *Every ill has its antidotet* Consumptive patients may *Rely on this receip.*—(all Lung Complaints are removed by its use)—I would not attach my name to it, had I doubt of its efficacy. The directions for preparing and using the Balsam are perfectly plain. I prefer selling the Recipe to making the Balsam, as it enables people to *Make their own Medicine* at a *Trifling Cost*. I wil impart the *secret* of making the Balsam, and the *Family right* to use it, for $1, but in no case will I sell it for speculating purposes.

Proof of its Goodness.

JACKSON, Mich. *March* 21, 1851.

Doct. S. TOUSEY—Sir: You wished me to let you know what effect your preparation of Medicine for Consumption and other diseases had in my family. After the first ten days my wife gained in weight 3 lbs, relieved her cough, changed her countenance, and all appearances were better. My family would not be willing to do without it. It is a medicine much needed in Jackson—there is many cases simular to my wife's. The Rev Mr. Blanchard will write you for a recipe. Respectfully yours. O. F. POOL.

Address, post paid, (enclosing $1.) Dr. S. TOUSEY, 106 Nassau street, New York.—The work goes by mail under seal.
