PANACEA

THE ONLY RADICAL CURE FOR

CONSUMPTION!!

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, diseases arising from an injudicious use of Mercury, Dropsy, Exposure or Imprudence in life; also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when labouring under disease. It should be in the hands of every person, who, by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

FOR SCROFULA.

Dr. Drake's Panacea is recommended as a certain remedy. Not one instance of its failure has ever occurred when freely used! It cures the disease and at the same time imparts vigor to the whole system. Scrofulous persons can never pay too much attention to the state of their blood. Its purification should be their first aim; for perseverance will accomplish a cure of EVEN HEREDITARY disease.

FOR ERUPTIONS OF THE SKIN.

Scurvy, Scorbutic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancers, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and permanent.

INDIGESTION OR DYSPEPSIA.

No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of a healthy gastric juice to decompose the food as Dr. Drake's Panacea

RHUEMATISM.

Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as chronic. It cures by driving out all impurities and foul humours which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

CONSUMPTION.

CONSUMPTION CAN BE CURED.—Coughs, Catarrh, Bronchitis, Spitting of Blood, Asthma, Difficult or profuse Expectoration, Hectic Flush, Night Sweats, Pain in the side &c. have been cured, and can be with as much certainty as any other disease. A specific has long been sought for, but in vain until the discovery of Dr. Drake's Panacea. It is mild and safe but certain and effectious in its operation, and cannot possibly injure the most delicate constitution. We would earnestly recommend those afflicted to give it a trial—and we believe they will not have occasion to regret. The system is cleansed and strengthened, the ulcers on the lungs are healed, and the patients gradually regain their usual health and strength. Read the following:

TESTIMONY.

PHILA., Dec. 14th, 1847.

DEAR SIR:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say, that although a perfect believer in the existence of a PANACEA, or cure for ALL diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and curiosity led me to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as INCURABLE. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashioned Consumption combine with Scrofula," and that she might linger for some time, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. I will only add that familiar as I am with consumption by experience and by extensive observation as a study, and knowing also the injurious effects in nine cases out of ten of Cordial, honeset, and other vegetable tonics, as well as of many of the expectorants and sedatives, I should never have recommended the use of Drake's Panacea if I had not been satisfied with the ingredients. Suffice it to say that these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alterative that has ever been made. The cure is in accordance with a theory of Consumption broached in not a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute.

Very Respectfully Yours, L. C. GUNN.

To use the language of another, "Dr. Drake's Panacea is perfectly salutary in its effects—never injurious. It is not an opiate—it is not and Expectorant. It is not intended to lull the invalid into a fatal security. It is a great remedy—a blood healing and curative compound, the great and only remedy which medical science and skill has yet produced for the treatment of this hitherto unconquered malady. And any person afflicted with this dread disease, will be just to himself and his friends, if he go down to the grave without trying its virtues. A single bottle, in most cases, will prove a favorable change in the condition of any patient, never low."

TO THE LADIES.

Ladies of pale complexion and consumptive habits, and those as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to perfect vigor. It is by far the best remedy ever discovered for weakly children, and such as have bad humors; being pleasant, they take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languide before taking it, at once become robust and full of energy under its influence. It immediate counteracts the nervousness of the female frame.

CAUTION.—Be careful and see that you get the genuine Dr. DRAKE'S PANACEA—it has the signature of GEO. F. STORES on the wrapper—and also the name "Dr. DRAKE'S PANACEA, PHILA." blown in the glass.

YOUNG MEN! if you value your life or your health, remember, the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under Dr. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will hug the secret to their own hearts, and cure themselves, Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

finding it inconveniant to make personal application, can, by stating their case explicitly, together with all their symptoms, (per letter, post paid,) have forwarded to them a chest containing Dr. K's medicines appropriated accordingly.

AND A VARIETY OF OTHER DISEASES ARISING FROM IMPURITIES OF THE BLOOD, AND OBSTRUCTIONS IN THE ORGANS OF DIGESTION.

Experience has proved that nearly every Disease originates from Impurities of the Blood or derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the Blood to its natural state.

The aversion to taking medicine is most effectually removed by CLICKNER'S VEGETABLE PURGATIVE PILLS, *being completely enveloped with a coating of pure white Sugar*, (which is as distinct from the internal ingredients as a nut shell from the kernel) AND HAVE NO TASTE OF MEDICINE.

But are as easily swallowed as bits of candy. Moreover they *neither nauseate or gripe* in the slightest degree, but operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of an Excess of Bile restore it to its natural state. Another will operate on the Blood, and remove all impurities in its circulation; while a third will effectually expel whatever impurities may have been discharged into the stomach, and hence they STRIKE AT THE ROOT OF DISEASE, remove all Impure Humors from the body; open the pores externally and internally; separate all foreign and obnoxious particles from the chyle, so that the blood may be thoroughly pure—thus securing a free and healthy action to the Heart, Lungs and Liver; and thereby they RESTORE HEALTH EVEN WHEN ALL OTHER MEANS HAVE FAILED.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

M'ALLISTER'S OINTMENT.

IT has power to cause all EXTERNAL SORES, SCROFULOUS humors, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them.

It is richly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption and fever, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians, learned in the profession, I have had ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice—saying: "M'Allister, your Ointment is GOOD."

In Scrofula, Old Sores, Erysepelas, Tetter Liver Complaint, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Broken or Sore Breast, Piles, all Chest Diseases, such as Asthma, Oppressions, Pain—Also, Sore Lips, Chapped Hands, Tumors, Children's Cutaneous Eruptions, Nervous Diseases, and of the Spine, there is no medicine now known as good.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of 15 or 20 doctors. One man told us he had spent $300 on his children without any benefit, when a few boxes of Ointment cured them.

BALDNESS.—It will restore the hair sooner than any other thing.

HEADACHE—The salve has cured persons of the headache of 12 years' standing, and who had it regular every week, so that vomiting often took place. DEAFNESS, EAR ACHE, and AGUE IN THE FACE, are cured by this Ointment with like success.

BURNS.—It is one of the best things in the world for Burns. (Read the directions around the box.)

RHEUMATISM.—It removes almost immediately the inflamation and swelling when the pain ceases. (Read the Directions around the Box.)

COLD FEET.—Consumption, Liver Complaint, Pain in the chest or side, falling off of the hair, one or the other always accompanies cold feet. (This Ointment is the true remedy.) It is a sure sign of disease to have cold feet.

TETTER.—There is nothing better for the cure of Tetter.

PILES.—Thousands are yearly cured by this Ointment.

CORNS.—Occasional use of the Ointment will always keep Corns from growing. People need never be troubled with them if they will use it.

Read the following Communication.

Received from an old, respected and well known citizen of Philadelphia. and then judge for yourself:

Philadelphia, 10 mo., 13th, 1846.

To T. B. Peterson,—Having been requested to give my opinion on the merits of M'ALLISTER'S SALVE, I am willing to enumerate some of the benefits which I have experienced in the use of the article.

In the spring of 1845, I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I began to be fearful of losing my eye.

Although not much of a believer in what is commonly called quack medicines, I purchased a box and made an application to my face. To my surprise the pain soon abated, and in a week's time it was entirely cured, and I firmly believe that it was the salve, under Providence that cured me.

From that time to the present, I have used the article as occasion required, and in every case where I have used it, I have found a decided benefit.

At one time, on going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning.

I have used it in case of burns, bruises, sprains, and flesh cuts, all with the happiest effects, and one case of poisoning by a wild vine in the woods, has been dried up and cured by a few applications.

From my own experience, I would strongly recommend it to all, as a cheap, convenient, family medicine.

I have become so partial to it, that I expect to keep it constantly in my family.

Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine,
WM. ADAMS,
No. 26, Old York Road.

VENI, VIDI, VICI.—Dr. ALLEN'S VEGETABLE COMPOUND. for the cure of DYSPEPSIA. LIVER COMPLAINT. NERVOUS DEBILITY, BILIOUS AFFECTIONS, &c. This Medicine is offered to the public under the assurance that there is no article in existence having stronger claims to their consideration. Being compounded by a regular Graduate of Jefferson College, Philadelphia, and a practising physician of twenty years' standing in Philadelphia, his long experience has confirmed him in the opinion that a compound medicine was required to prevent and remedy the debilitation pr duced by residing in low, miasmatic climates, and to counteract the prostrating influences of many nervous disorders with which the human family are afflicted.

DR. ALLEN is a well known physician, and has used the above medicine in his practice for 8 years with the most astonishing effect, having tested its qualities in above

FIVE THOUSAND CASES.

No medicine ever received more flattering recommendations from physicians of eminent standing than has been bestowed on this.

DYSPEPSIA OR INDIGESTION AND ITS CONSEQUENCES.—An eminent Professor says:—"It chiefly arises in persons who lead either a very sedentary or irregular life. Although not regarded as a fatal disease; yet if neglected or improperly treated, may bring on incurable Melancholy, Jaundice, Madness, or Vertigo, Palsy and Apoplexy. A great singularity attendant on it is, that it may and often does continue a great length of time without any remission of the symptoms.

CAUSES.—Grief and uneasiness of mind, intense study, profuse evacuations, excess in venery, excessive use of spirituous liquors, tea, tobacco, opium, and other narcotics, immoderate repletion, over distention of the stomach, a deficiency of the secretion of the bile or gastric juice, exposure to cold and damp air, are the chief causes of this disease.

SYMPTOMS.—Loss of appetite, nausea, heartburn, acidity, and fœtid eructations, gnawing of the stomach when empty, uneasiness in the throat, pain in the side, costiveness, chilliness, languor, lowness of spirits, palpitations, and disturbed sleep."

TREATMENT.—*DR. ALLEN'S VEGETABLE COMPOUND* has never failed in affording immediate relief, and a radical cure for this disease.

☞ This Medicine can be had of H. B Masser, Sunbury; J. C. Martin, Pottsville, Medlar & Bickel, Orwigsburg; and of Druggists generally.

DR. SWEETSER'S PANACEA.

THIS Medicine is warranted, on oath, not to contain a particle of Calomel, Corrosive Sublimate, Arsenic, Chloride of Gold, or any deleterious minerals.

The principle upon which this Medicine acts, is by assisting and harmonizing with nature; it drives out all foul scrimonious humors from the blood and body, and by assimilating with and strengthening the gastric juice of the stomach, it assists digestion; in short there is not a vein, artery, muscle or nerve in the human body, that is not strengthened by the PANACEA, and it also possesses the remarkable property of removing mercury from the bones and joints.

FOR ERUPTIONS OF THE SKIN,

The glands are placed in the corners of the body, and out of the way of direct communication; their real use is a subject on which much difference of opinion prevails; it suffices us to know that when in a diseased state, they are capable of being purified and cleansed by a long course of Dr. SWEETSER'S PANACEA, which restores them to sound and proper action. GRAVEL AND URINARY COMPLAINTS.

Those complaints are generally attended with the most fatal consequences, and are seldom or never cured by the present mode of treatment; they usually accompany the patient to the grave, after suffering the most excruciating pain and torture. The cause of these complaints are the same as all others, the dross of the blood becomes encrusted on the finest narrow passages, whence arise morbid secretions and stoppages of urine. You will find the most powerful diuretics of no use, as they only increase the quantity of urine and do not purify and strengthen the parts. By purifying the blood with Dr. SWEETSER'S PANACEA, you remove the cause of the disease, consequently it cannot exist any longer, after sufficient perseverance in its use has deprived the blood and body of all scrimonious humors and incrustation.

DISEASES OF THE LUNGS-CONSUMPTION.

This is a very prevalent and fatal disease; it results mostly from neglected coughs, colds and bronchitis, also from improper treatment in many other cases, such as measles, fevers, inflammations and small pox, and a host of other badly treated diseases; where the cause, instead of having been thoroughly removed from the blood and body, have only been palliated or removed from one part to break out in another. By divesting your bodies of all foul humors, through the medium of Dr. SWEETSER'S PANACEA, the cure is at once rendered certain and permanent. Recollect, while there is scrimonious humors floating in the circulation, it is as apt to settle on the lungs as any other part of the body; this is the reason that consumption is so prevalent.

BILES, SORES AND ULCERS,

Which you see on the exterior, come from and have their source in, the interior, and might just as well have settled on your lungs, liver, or any other part; which we know they frequently do, and produce most violent inflammatory disorders. The humor which occasions these sores is of a highly scrimonious burning nature. We know it from the pain it gives in forming, and afterwards its rapidly ulcerating and corroding the flesh and skin of the part where it breaks out. This shows the necessity of frequently purifying the blood with Dr. SWEETSER'S PANACEA, and keeping such malignant humors in subjection. Should you have a bile or ulcer, be thankful that nature has taken trouble to warn you of the danger your life and body is in, for it is a warning that the blood is foul. Had this same scrimony selected the lungs instead of the surface of your body for its seat, consumption of the lungs would have been the consequence. Delay not then, to purify and cleanse with Dr. Sweetser's Panacea.

SPINE DISEASE

BRONCHITIS, ASTHMA AND DISEASE OF THE WINDPIPE.

These diseases proceed from the scrivolty or corrupt humors of the blood, having settled itself on the throat and lungs, and stopped them up, so that they cannot draw sufficient air in for respiration. Dr. SWEETSER'S PANACEA will give immediate relief, and to make the cure perfect and certain, it should be continued some time after, to free the system of all bad humors.

RHEUMATISM, RHEUMATIC GOUT AND MERCURIAL DISEASES

Find a safe and speedy cure in *Dr. SWEETSER'S PANACEA.* It cures by searching every blood vessel and artery, and driving out all impurities and foul humors accumulated therein, which is the cause of rheumatism, gout and swellings of the joints. The deleterous effects of calomel and other mineral poisons, readily yield to its sovereign influence; indeed, when its valuable properties become fully known, the use of all mineral poison will be consigned to "the tomb of all the Capulets," and only be thought of as a by-gone custom of the darker ages. Dr. Sweetser's Panacea is also a sure cure for dyspepsia, piles, costiveness, vertigo, headache, pain in the breast and liver complaint.

FEVER AND AGUE.

Fever is always caused by a disorderly movement of the blood, struggling to free itself of something that encumbers it; in fact, every kind of fever is nothing more than a struggle between the blood and corrupt humors,
