LOCAL AND MISCELLANEOUS.

Notice—Special.

R. J. McQuillen's connection with this paper has ceased, and he has no authority to collect any monies due the institution. Advertisers and all others indebted, will make a note of this fact.

—The *Herald* and *Courier*, of Titusville have one another by the ears. The *Herald* has the *longest* hold.

—Travel has become immense on the O. C. & A. R. Ry. Every train seems crowded with oil seekers.

—W. H. Steffee has disposed of his stock in the Acomb building to Mr. Lloyd, who will continue the business.

—Presbyterian services will be held in the Church in Tionesta, on Sunday, Dec. 18.

—We notice by our exchanges that horse thieves are unusually active all over the country, and many valuable horses are reported to have been stolen.

—There will be an adjourned Treasurer's Sale of lands at the Court House, on Thursday, Dec. 8th, at 10 o'clock A. M. All lands remaining unsold will be purchased by the County immediately after said sale.

—We wish to call attention to the card of N. B. Smiley, Attorney at Law, at Petroleum Centre. He will practice in the several courts of Venango and Forest. Business entrusted to him will be attended to promptly.

—We accredited an article in regard to "A Deer in Town" recently, to the *Elk Advocate*. We should have given the *Elk Democrat* credit for the article. We make the correction with apologies for our mistake.

—We just had a call from Prof. Weber, who assures us that a first-class home concert is only a matter of time, in Tionesta. The first meeting of the "Weber Leidertafel" will take place this evening, at J. B. Agnew's.

—The Courts decide that all railroad tickets are good until used, the condition "good for this day only" being of no value—according to Judicial decisions. Conductors will please take notice of this.

—Mrs. Ema Himes, of West Pikeland, Chester county, accomplished the feat of swallowing a solid silver teaspoon, some time since, and received a badly lacerated throat. She was slightly deranged at the time, and the spoon was used to give her medicine.

—Franklin hasn't had a big fire since last summer, and in consequence her fire department is pronounced by the *Citizen* as "about played out, the engine out of service for repairs, and nothing to be depended upon but buckets." The information must be cheering to property owners there.

—A man named Sparts has been arrested at Parker's Landing, charged with setting fire to his own house in order to secure the insurance money upon it, and from which the recent disastrous fire at that place had its origin. He was bound over in the sum of $5,000 to answer, and failing to secure bail was committed to jail at Kittanning.

—During the past week we have purchased a first-class Job Press, and a large amount of Jobbing materials, and expect to receive all this week. We will also have on hand an extensive assortment of Stationery, such as Letter-Heads, Note-Heads, Bill-Heads, Cap Paper, Cards of all sizes and grades, Envelopes, &c., in short, we expect to be able to do any job that we are called upon to do after this week.

—Our readers will excuse our lack of local this week, as we have been away from home ever since the day before our last issue.

—Trains on the Jamestown & Franklin railroad now arrive and depart from the Union Depot at Oil City.

—Capt. Knox is building a warehouse, for furniture, agricultural implements &c., on his lot immediately back of his store. The work is progressing rapidly, and by the time our materials come in, Cap. will be ready to vacate his rooms up stairs, and we shall take possession. We will then have an office to be proud of, and we have no doubt that we will put on a few extra airs over it.

Fetal Accident.—A young man in the employ of the A. & G. W. R'y, by the name of John Mack. fell from a train of cars, at Levittsburg, and was run over by the caboose and killed. He was formerly from Brooklyn, N. Y., but had been living in this place for some time, and was brought here to be buried.—*Crawford Journal.*

U. & T. R. R.—The grading on the new road is very nearly completed, and the track is laid from Union to Riceville. Last night the construction train reached Riceville. The track laying will be pushed forward as rapidly as possible, and it is believed the whistle of the locomotive will add to the general jubilation of "Merry Christmas" in Titusville.—*Herald.*

Accidentally Killed.—Mr. Wm. B. Hess, of Erie, in attempting to get on the cars, while in motion, at Sharon, on Saturday slipped and fell on the track, the cars passing over both of his legs, severing them at the knees. He died on Sunday. Deceased was about forty years of age and leaves a wife and one child.—*Greenville Argus.*

Thief Arrested.—A man named Samuel Paul, came to the residence of John Mendenhall, in Beaver township, about three weeks ago, begging, and stayed to work awhile. Last Sunday night, he took a notion to take a trip to Canada, or some other seaport, and thinking a little filthy lucre would be an advantage, went to Mr. Mendenhall's private desk or drawer, and drew out $300, a watch and a pistol. He was pursued the next morning by Reuben Kline, Constable of Ashland township, and others, who arrested him near Mimm's hotel, after a desperate resistance, in which all parties displayed their muscular powers. The stolen property—all but $90—was found on his person, and he confessed his guilt freely. He was lodged in the Clarion jail on Monday evening, and stands a fair chance for a trip to Allegheny, after court, next week.—*Clarion Democrat.*

—John M. Sackett, alias Amy, alias Rogers, and M. O. Sackett, alias Wright, alias Amy, arrested for robbing Wilhelm's clothing store, attempted to escape from the Sheriff while being taken from the jail to the court room. Just as the prisoners got outside the door of the jail they started on the run, taking two different directions, Sheriff Herpst following one and catching him near the A. & G. W. depot, and Deputy Herpst catching the other near the J. & F. depot. The prisoners were then taken to court, pleaded guilty to the charge of robbing Wilhelm's store, and were remanded to jail to await sentence and trial for a charge of larceny committed at the City Hotel.—*Venango Spectator.*

HARPERS MAGAZINE!

NOTICES OF THE PRESS.

No more delightful travels are printed in the English language than appear perpetually in Harper's Magazine. They are read with equal interest and satisfaction by boys of every grade, from eighteen to eighty. Its scientific papers, while sufficiently profound to demand the attention of the learned, are yet admirably adapted to the popular understanding, and designed as much to diffuse correct information concerning current scientific discovery as it could be if it was the organ of the "Society for the Diffusion of Useful Knowledge." The great design of Harper's is to give correct information and rational amusement to the great masses of the people. There are few intelligent American families in which Harper's Magazine would not be an appreciated and highly welcome guest. There is no monthly Magazine an intelligent reading family can less afford to be without. Many magazines are accumulated. Harper's is edited. There is not a magazine that is printed which shows more intelligent pains expended on its articles and mechanical execution. There is not a cheaper magazine published. There is not, confessedly, a more popular magazine in the world.—[New England Homestead.

It is one of the wonders of journalism—the editorial management of Harper's.—[The Nation.

ADDRESS

To the Nervous

AND

DEBILITATED.

WHOSE sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable;

If you are suffering, or have suffered from involuntary discharges, what effect does it produce on your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or flocky, or is it ropy on settling? Or does a thick skum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dispepsia? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impared? Is your mind constantly dwelling on this subject? Do you feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in youself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man Did you ever think that those bold, defiant, energetic, persevering, successful business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any meanness about them. I do nat mean those who keep the organs inflated by running to excess. Those will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the geneal system so much as to produce almost every other disease—idiocy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debity, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, asd that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract Buchu, established upward of 19 Years, prepared by H. T. HELMBOLD, Druggist, 594 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—$1.25 per bottle or 6 bottles for $6.50, delivered to any address. Sold by all Druggests everywhere.

None are genuine unless done up in steel engraved Wrapper, fac-smile of my Chemical Warehouse, and signed H. T. HELMBOLD.
