Girls! Lots of Beautiful Hair

A small bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls Try this! Doubles beauty of your hair in a few moments.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice soft hair and lots of it. Just get a small bottle of Knowlton's Danderine now—it costs but a few cents—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness, life and an incomparable glossy and luster, and try as you will you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower, destroyer of dandruff, and cure for itchy scalp, and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy, and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

Hooray for Banana Peel "Gets-It"

Only Real Way to Get Rid of Corns.

Which do you prefer—a corn that pulls or a corn that peels? Butchery or blessedness? Only "Gets-It" can get rid of your corn the peel-off way, the blessed way. You don't need a

"Corns Never Trouble Me, I Use 'Gets-It'"!

pull. Why hump yourself up on the floor and with your jaws set and eyes popping from pain, jerk and gouge and cut your corns? Why irritate your toes with some salve or wrap your toe into a big painful bundle with some sticky tape or plaster? Life is too short. Use "Gets-It"—it takes a few seconds to apply and there's no fussing. Corn-pains go. Wear new shoes if you want. Peel off the corn with your fingers—the whole thing, root and all, clear and clean, and it's gone! Only "Gets-It" can do this. Take no chances.

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'f'd by E. Lawrence & Co., Chicago, Ill. Sold in Washington and recommended as the world's best corn remedy by O'Donnell's Drug Stores, People's Drug Stores, Affleck's Drug Store.

NUXATED

IRON

"Nuxated Iron helps put astonishing strength and energy into the veins of men and bring roses to the cheeks of pale, nervous, run-down women," says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.) N. Y. and Westchester County Hospital. "I prescribe it regularly in cases of depleted energy, anaemia and lack of strength and endurance. There is nothing like organic iron—Nuxated Iron—to quickly enrich the blood, make beautiful, healthy women and strong, vigorous, iron men." Satisfaction guaranteed or money refunded.
