Beautiful River.

Shall we gather at the River,
Where bright angel feet have trod,
With its crystal tide forever
Flowing by the throne of God?
CHORUS—Yes, we'll gather at the River,
The beautiful, the beautiful River;
Gather with the saints at the River
That flows by the throne of God.

On the margin of the River,
Washing up its silver spray,
We will walk and worship ever,
All the happy golden day.
CHORUS—Yes, we'll gather at the River, &c.

At the smiling of the River,
Mirror of the Saviour's face,
Saints whom death will never sever
Lift their songs of saving grace.
CHORUS—Yes, we'll gather at the River, &c.

Soon we'll reach the silver River,
Soon our pilgrimage will cease,
Soon our happy spirits quiver
With the melody of peace.
CHORUS—Yes, we'll gather at the River,
The beautiful, the beautiful River;
Gather with the saints at the River
That flows by the throne of God.

A New and Grand Epoch in Medicine.

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is here announced that **Maggiel's Billious, Dyspeptic and Diarrhœa Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 11 Pine Street, New York, and all Druggists, at 22 cts. per box.

THE RURAL SOUTHERNER.

A Weekly Visitor
TO THE
Farm, Workshop and Family Circle.

IT is proposed to publish at Columbia, as soon as a sufficient number of bona fide subscribers are sent in, a Weekly AGRICULTURAL and FAMILY NEWSPAPER, under the above title.

In this enterprise are engaged the best practical and scientific Agricultural writers in the State, while the Literary, News, Manufacturing and Religious departments will be under the control of the best Literary talent of the South.

We shall also devote a space to the Mechanic Arts, which will be conducted by two of the best Mechanics in the South.

The necessity for such a work at this time is evident to all. Our change of labor necessarily involves changes in the whole industrial pursuits of the South. To arrive at the best and most remunerative kind and mode will require experiments and discussion, and in no other way can the people be so well informed on such matters than through the columns of a journal such as we propose to publish.

It will require 2,000 subscribers to insure the commencement of the enterprise. This number can be easily obtained if those who wish to sustain such a journal at the South will exert themselves among their friends.

We promise them a WEEKLY VISITOR equal in contents and typographical execution to any in America.

Price $3 per annum, currency, or $2 coin, to be paid 6 months in advance, on receipt of the first number.

THE MISSES SEDGWICK'S
BOARDING AND DAY SCHOOL,
Corner Washington and Telfair Streets,
AUGUSTA, GA.

THE SCHOOL will reopen OCTOBER 3d. The Scholastic year consists of Thirty-five Weeks of Session, and two of vacation at Christmas.

The MISSES SEDGWICK desire to make their School one of superior excellence, and no pains will be spared to accomplish their end. Augusta, from its central position, and from the well known and universally acknowledged refinement of its society, presents superior advantages as a School. The house secured is large and airy, the rooms commodious and well ventilated, and attached is a large ornamental garden, presenting a desirable place for pleasant and healthful exercise. There will be a French Governess in the family, of established ability, with whom the Young Ladies will be obliged always to converse in French. The Pupils will be under the constant supervision of experienced and refined teachers, and their moral and religious training will be carefully attended to.

The course of Study will comprise all the various English branches and Mathematics, necessary for a thorough and accomplished education, and will also include instruction in Vocal and Instrumental Music, Drawing, Painting, and in the Latin, German and French languages. Vocal music will be a daily exercise in the School.

As the number of Boarding Pupils will be limited, preference will be given those who apply to enter the family for the Scholastic year.

Circulars, containing terms and additional particulars for both Boarding and Day pupils, may be obtained by addressing the Principals.

The MISSES SEDGWICK having taught in Augusta for the last sixteen years, have no hesitation in referring to their patrons and pupils, and to the following gentlemen:

NEW ERA IN MEDICINE!
DR. MAGGIEL'S
PILLS AND SALVE.

LET the SUFFERING and DISEASED read the following.

☞ Let all who have been given up by Doctors, and spoken of as incurable, read the following.

☞ Let all who can believe facts and can have faith in evidence, read the following:

Know all Men by these Presents,

That, on this, the 20th day of June, in the year of our Lord 1866, personally came Joseph Haydock, to me known as such, and being duly sworn, deposed as follows: That he is the sole General Agent for the United States and dependencies thereof for preparations or medicines known as MAGGIEL'S PILLS and SALVE, and that the following Certificates are verbatim copies to the best of his knowledge and belief.

JAMES SMEITRE,
(L. S.) Notary Public,
Wall Street, New York.

JUNE 1ST, 1866.

DR. MAGGIEL: I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your Medicine. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.
JAMES MYERS,
116 Avenue D.

☞ This is to certify that I was discharged from the Army with a Chronic Diarrhœa, and have been cured by Dr. MAGGIEL'S PILLS.
WILSON HARVEY,
27 Pitt Street.

NEW YORK, April 7th, 1866.

☞ The following is an interesting case of a man employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burned dreadfully. The following Certificate was given to me, by him, about eight weeks after the accident:
NEW YORK, Jan. 11, 1866.

My name is Jacob Hardy; I am an Iron Founder; I was badly burned by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal; I tried MAGGIEL'S SALVE, and it cured me in a few weeks. This is all true, and anybody can now see me at Jackson's Iron Works, 2d Avenue.
J. HARDY,
119 Goerick Street.

Extracts from Various Letters.

"I had no appetite; MAGGIEL'S PILLS gave me a hearty one."

"Your PILLS are marvelous."

"I send for another Box, and keep them in the house."

"Dr. MAGGIEL has cured my headache that was chronic."

"I gave half of one of your PILLS to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your Box of MAGGIEL'S SALVE cured me of noises in the head. I rubbed some of your SALVE behind my ears, and the noise left."

"Send me two Boxes; I want one for a poor family."

"I enclose a Dollar; your price is 25 cents, but the Medicine to me is worth a Dollar."

"Send me five Boxes of your PILLS."

"Let me have three Boxes of your SALVE by return mail."

☞ I have over Two Hundred such Testimonials as these, but want of space compels me to conclude.
J. MAGGIEL, M. D.
