THURSDAY, April 12—P. M.

Gold opened at 127¾, on rumors of a large amount of bonds returned to be sold, and declined to 126¾, closing at 127¼. Gold cannot be carried better than 4 per cent to-day, and is very plenty. Government bonds are rather dull and heavy, with a fair demand for 7.30s for investment. The transactions at the Board were small. The miscellaneous shares continue active. Quicksilver, on rumors of a strike, sold down to 45, but rallied to 46¾ and closed firm. Canton was active, selling at 51¼@54, closing at 53¾. Mariposa Preferred sold at 81¼, and was in request at that price. Railway and State bonds were steady with unimportant transactions. The Railway share market opened dull and heavy, and the transactions were very small at the First Board, and there appeared to be but little disposition to operate. After the call there was more activity and Erie was bid up to 75¾, but immediately relapsed to 74¼. Hudson River was very strong and sold up to 110¼, and was the strongest stock on the list. The balance of the list sympathized with Erie and Hudson, and advanced a fraction, but the market did not hold, and after the Second Board all stocks were offered at the prices of the morning. The market has but little strength and there is no desire shown to purchase for an advance by the large operators, and with an increasing abundance of money the volume of business was steadily on the decline.

Money is in fair request at 5@6 per cent. The demand from brokers is very light. Commercial paper is in fair demand at 6¼@7¼ for first-class names.

Foreign Exchange is active, and transactions have been made as high as 7¾; but importers show no disposition to buy, and a concession in the rate would have to be made to sell any amount. The closing quotation was 107¼@107¾ for prime bills.

Freights—The engagements to Liverpool are 1,000 bales Cotton, at 5-16d.; 100 tuns Cedar at 17s. 6d.; 10,500 bush. Corn at 1¾d. @2d., and per steamer 3,500 bush. Corn at 2d. To London, 300 boxes Bacon at 22s. 6d. A brig to Marseilles on private terms.

The business of the Sub-Treasury was: Receipts, $1,745,720 68—for Customs, $558,000; Payments, $465,017 43—on account of Loan, $31,000; Balance, $87,258,263 64. Gold notes, $354,000.

The following statement shows the movement of specie at New-York for the month of March, and since Jan. 1:

*The Chicago Journal* says:

We hear of bank failures and of the suspension of commercial houses occasionally, of late—the result, generally, of wild speculation and reckless ventures. Yet these occasional occurrences have their significance to careful and thoughful observers of events. They appear to be the dull and ominous rumblings of a distant thunder storm that is gradually approaching, and that will by and by overshadow and startle us with alterrific shock. Let all business men—nay, all classes of men—put their houses in order. Keep your accounts snugly up. Avoid debt and uncertain credit. Rein in your steeds of speculation. Economise your resources wisely and prudently. Prepare for the storm, so that when it does come you will not be struck down and overwhelmed by it; and even if it should [illegible] only hope it will not, you will be better able to ride [illegible] of fortune than, if it should come, you would be [illegible] dashing billows of panic and misfortune. In such a time [illegible] men see their standing great.

The [illegible] Chronicle says [illegible] the failure of Rich's Bank of Rich[illegible] City:

The whole liabilities of the bank [illegible] The private fortune of Mr. Rich was [illegible] to pay this amount at once, were it not for the [illegible] heavy losses in his business as broker in [illegible] consequence of the depreciation of securities upon which advances have been made. Mr. Rich has never been a speculator in stocks to any considerable extent, and his embarrassment is [illegible] temporary suspension are owing to no recklessness on his own part.

The following is the amount of coal transported on the Delaware, Lackawanna and Western Railroad for the week ending Saturday, April 7:

| | Week. tuns. | Year. tuns. |
|---|---|---|
| Shipped North | 7,758 | 88,241 |
| Shipped South | 22,955 | 225,622 |
| Total | 30,013 | 313,864 |
| For corresponding time last year: | | |
| Shipped North | 3,201 | 38,257 |
| Shipped South | 19,713 | 170,652 |
| Total | 22,915 | 208,909 |
| Increase, tuns | | 105,003 |

The following is the amount of coal transported over the Lehigh Valley Railroad for the week ending April 7, 1866:

| | Week. Tuns. | Previously. Tuns. | Total. Tuns. |
|---|---|---|---|
| Total transported | 59,185 | 496,638 | 555,823 |
| Corresponding week last year | | 432,531 | 466,575 |
| Increase | | 63,101 | 89,248 |

Bubble coal companies continue to be industriously kept before the people at the Public Stock Exchange, and the operators cannot be too careful in regard to them. The manufacture of coal companies is profitable to the projectors, but they are not safe to outsiders unless at a small trifle per share. It is equally dangerous to sell these worthless affairs short, for they are not abundant outside of "the pool washing them." They should be left alone entirely.

*The Chicago Tribune* says:

The money market to-day was close, but good paper was generally discounted at 10 per cent per annum. Street rates were firm at 1½@2 per cent per month. Eastern exchange was in better supply, but rates were unchanged, viz: par buying and 1-10 premium selling.

A telegram from San Francisco, dated April 10, quotes Stocks as follows: Gould & Curry, $1,000; Savage, $1,090; Chollar-Potosi, $385; Ophir, $775; Hale & Norcross, $900; Crown Point, $1,400; Belcher, $375; Alpha, $450; Imperial (per share), $150.

### N. Y. Wholesale Prices of Country Produce.

FOR THE WEEK ENDING April 12, 1866.

[Expressly for THE N. Y. TRIBUNE by our own Reporter.]

The following are the current rates of articles in good condition, as sold by commission houses at wholesale. Shippers receive 5 to 10 ⅌ cent less, deducted for commissions, beside freight and other charges. Parties receiving produce to sell, often with the request that immediate returns be made, cannot always obtain the prices which transient buyers have to pay. Our figures are intended more for the farmer than the merchant, and we prefer not to disappoint by giving the outside prices of very choice articles.

BEANS AND PEAS.

There is very little inquiry for beans, and prices are weaker. We quote:

| | |
|---|---|
| Beans, pea, prime, ⅌ bush | $1 60@$1 80 |
| Beans, medium prime, ⅌ bush | 1 25@ 1 40 |
| Beans, kidney, ⅌ bush., prime | 2 25@ 2 50 |
| Beans, marrow, prime | 2 00@ 2 20 |
| Beans, marrow, hand-picked or screened | 2 25@ 2 30 |
| Beans, inferior | 75@ 1 00 |
| Beans, Lima, prime, ⅌ bush | 8 00@ 8 50 |
| Peas, Canadian, ⅌ bush | 1 25@ 1 30 |
| Peas, Southern blackeyed, ⅌ bush | 1 25@ 1 35 |

BUTTER.

Old butter was probably never so scarce in this city at this season of the year as at present. Parties having small Southern orders (new is not suitable to ship) and it impossible to obtain good old butter with which to fill them, and as there is no old to come from the country we drop quotations of it. New is coming forward more freely—about 1,000 packages per day—but so bare are the Eastern and our own markets that it goes off quickly at about the prices of last week, although not quite as strong. It is generally selling at 50@55c. for State, whether in half firkins or whole firkins. A little new Southern Ohio butter has been received and is bringing 50@54c. Of course, prices must gradually decline unless they drop suddenly, in a week or two, as some anticipate. We quote:

| | |
|---|---|
| Half firkins, new, fine | 56@58 |
| State firkins, medium new, ⅌ lb | 52@55 |
| Pennsylvania tubs and pails, new | 50@56 |
| State tubs, Welsh, new | 56@57 |

CHEESE.

The stock has run down pretty low and what is left is not as firm as last week, though selling slowly at 21@22c. for good to fancy Factory. A little new has been received and prices started at 20@21c. Nearly all the *good* English Dairy has been sold, and ordinary is bringing 22@24c. We quote:

| | |
|---|---|
| English Dairy, Conn. prime, ⅌ lb | 24 @25 |
| English Dairy, Conn. late make ⅌ lb | 18 @22 |
| Factory, Fancy, ⅌ lb | — @22 |
| Factory, Prime, ⅌ lb | 20 @21½ |
| Factory medium, ⅌ lb | 18 @20 |
| Farm Dairy, Prime, ⅌ lb | 20 @21 |
| Farm Dairy, medium | 17 @19 |
| Pineapple, ⅌ lb | 30 @35 |

EGGS.

A heavy fog this morning by preventing receipts, caused an advance on the regular prices of 30c., and sales were made in the afternoon as high as 33c., but free arrivals, known to be on the way, will as speedily carry them down again. They are very scarce to-day. As we hinted last week, prices were then looking up, and they have advanced 7c. per dozen since one week ago to-day, but it is not safe to count upon a continuation of the present rates. The duty on Canada eggs acts as a prohibition. We quote:

| | |
|---|---|
| New-Jersey and Pennsylvania fresh, ⅌ doz | 30 @31 |
| State, good marks | 30 @— |
| Southern and Western, ⅌ doz., good order | 28 @29 |
| Egg Oats, ⅌ bush. good | 40 @— |

FRUITS AND NUTS—DRIED.

We quote:

| | | | |
|---|---|---|---|
| Apples, sliced, ⅌ lb | 15@16¼ | | |
| Apples, State, ⅌ lb | 13@14¼ | | |
| Apples, Southern, &c., old, ⅌ lb | 9 @12 | | |
| Blackberries, ⅌ lb | 32 @35 | | |
| Cherries, pitted, ⅌ lb | 50 @52 | | |
| Cherries, pits in, ⅌ lb | 6 @ 8 | | |
| Hickory Nuts, ⅌ bush | $3 50@$4 00 | | |
| Peaches, unpeeled (whole), ⅌ lb | 12½@15 | | |
| Peaches, unpeled (halves & qutrs.), ⅌ lb | 13 @15 | | |
| Peaches, peeled, inferior, ⅌ lb | 18 @22 | | |
| Peaches, peeled (prime Va.), ⅌ lb | 25 @28 | | |
| Peanuts, ⅌ bush | $2 50@$3 00 | | |
| Plums, ⅌ lb | 25 @28 | | |
| Raspberries, black, ⅌ lb | 45 @48 | | |
| Whortleberries, ⅌ lb | 16 @18 | | |

FRUITS AND BERRIES.

Russetts are about the only apples coming in. What Baldwins, Greenings, Swaar's, &c., are on sale have generally been kept in ice-houses. We quote:

| | |
|---|---|
| Apples, common, ⅌ bbl | $2 50 @ $3 50 |
| Apples, good Russets, ⅌ bbl | 4 00 @ 4 50 |
| Cranberries, extra, ⅌ bbl | 15 00 @ 16 00 |
| Cranberries, medium to good ⅌ bbl | 10 00 @ 12 00 |
| Cranberries, com. soft, ⅌ bbl | 5 00 @ 8 00 |

MEATS.

With the exception of veal—which sells so slowly that parties are sending word for shippers to keep it at home—meats are doing better. Many of the "hog dressed" calves have been received in bad order, and were seized by the police upon arrival. This has frightened people so they refuse to buy good veal. It is much better to send the calves alive, where practicable. We quote:

| | |
|---|---|
| Beef Sides, ⅌ lb | 12 @ 15 |
| Beef, Fore Quarter, ⅌ lb | 8 @ 13 |
| Beef, Hind Quarter, ⅌ lb | 14 @ 18 |
| Veal, Carcases, ⅌ lb | 7 @ 12 |
| Mutton, Carcases, ⅌ lb | 11 @ 13 |
| Pork, River and N. J. ⅌ lb | 13¼ @ 14¼ |
| Pork, City dressed, ⅌ lb | 13 @ 13¾ |

POULTRY AND GAME.

The tendency of live poultry is downward, with free receipts. Live geese don't sell, and only near-by dressed poultry can be sold to advantage. Wild pigeons are plenty to-day. We quote:

| | |
|---|---|
| LIVE. | |
| Fowls and Chickens, ⅌ pair | 1 50 @ 1 75 |
| Fowls and Chickens, ⅌ lb | 26 @ 28 |
| Turkeys, ⅌ lb | 26 @ 28 |
| DRESSED, OR DEAD. | |
| Fowls and Chickens, ⅌ lb | 30 @ 32 |
| Pigeons, wild, ⅌ dozen | 1 12 @ 1 25 |
| Turkeys, ⅌ lb | 30 @ 33 |

HIDES, SKINS AND FURS.

We quote:
