BIG

Bargain of Good Literature

We Have Just Secured the Right to Offer the

NEW WAR BOOK

"European War At a Glance"

AND A YEAR'S SUBSCRIPTION TO

Woman's World and Edgefield Advertiser

ALL THREE FOR $1.75

WAR, with its hideous loss of life and property, teeming graveyards, orphaned childen, famine, plague and untold human suffering, coming from the clear sky of peace, is the subject of wolrd-wide comment and wonder.

The European War at a Glance

A Book of Facts

Tells the complete history of all the Powers of Europe in a nutshell---gives statistics of the wealth, war strength, military and naval, of the European countries, at a glance,

This publication will post you fully on a subject which is the gravest menace in all history, and which will probably change the map of the entire world.

Woman's World

Woman's World has more subscribers than any other magazine published, over two million a month. Its articles, its stories, its illustrations, are the best that money can buy. It is a magazine to be compared with any home magazine in the country, regardless of price, without fear of contradiction of any claims we make for it. Its stories are by authors known the world over.

Do You Know the Truth About This World's War?

Why the war is being fought?
What started it?
Why Austria declared war?
Why Russia interfered?
Why Germany joined with Austria?
Why France and England aided Russia?
Why Belgium was made the "goat?"

The reasons behind the war?
The causes of international hatred?
The history of the conflicting nations?
The location of navies, troops and fortifications?
The strength of the Powers?
The size of their armies and navies?
The different religions?
The percentage of illiteracy?

Its cost to humanity.
The issues at stake.
America's untold opportunity.
rophecy of experts on the outcome.
Its effect on the future.
The probable results.

IF NOT Then it is your duty to take advantage of this wonderful offer and thoroughly acquaint yourself with the full story of the WAR and its influence on American industries crops and future opportunities.
