THE NIGHTS.

BY BARRY CORNWALL.

O, the summer night
Has a smile of light,
And she sits on a sapphire throne,
Whilst the sweet winds load her
With garlands of odor,
From the buds of the roses o'erblown.

But the autumn night
Has a piercing sight,
And a step both strong and free;
And a voice for wonder,
Like the wrath of thunder,
When he shouts to the stormy sea.

And the wintry wind
Is cold and white,
And he singeth a song of pain,
Till the wild bee hummeth,
And the warm spring cometh,
When she dies in a dream of rain.

O, the night, the night!
'Tis a lovely sight,
Whatever the clime or time;
For sorrow then soareth,
And the lover outpoureth
His soul in a star-bright rhyme,

It bringeth sleep
To the forest deep,
The forest bird to its nest;
To care bright hours
And dreams of flowers,
And the balm to the weary—rest.

Boston Dry Goods Market.

BOSTON, July 5.—The past week has been a quiet one among the Dry Goods trade. Some styles of Cotton Goods are scarce, and a healthy trade would soon clear the market of many kinds. Heavy sheetings have been sold in large quantities, and are now held at ¼c advance. The sales have been at 17½a18c. Fine goods are sold up, and a slight advance has already been obtained. Low-priced bleached goods are scarce and wanted at an improvement, and medium goods are selling more freely. We quote Suffolk C and Tremont C at 15½c. Brown drills are scarce, and have been selling at 18a19c. Corset jeans are quiet. Notwithstanding the advance the mills will not increase production until they get at least cost for their goods, and supply of many kinds will be found to be quite small when active trade commences. Cotton Flannels have been more inquired for. Stripes, ticks and denims are quite firm and stocks on hand are small, with more activity near the close of the week. We quote Cochecos at 16c, Pacific 15½c, with light sales, all sold up, and demand for more, and fall styles not yet opened; Manchester 15c, and frocks 16c, with sales ahead of production; Sprague 15c; and other styles taken as offered, prices. Medium Delaines of merit work is sold up very clean. The Manchester angola flannels are selling at 24c, and the Pacific lawns 22½c. Delaines are quiet and nothing has been done. In Woolens there is no particular change to notice during the week.

SARATOGA
"EXCELSIOR" SPRING WATER.

THE WATER OF THIS SPRING IS BELIEVED TO be unequalled by that of any other in the far-famed valley of Saratoga. Its virtues are such as have secured it the high encomiums of all who have used it, possessing, as it does, in an eminent degree, cathartic, diuretic, alterative and tonic qualities.

From SAMUEL HENRY DICKSON, M. D., Professor Practice of Physic, Jefferson Medical College, Philadelphia, formerly of Charleston, S. C.

PHILADELPHIA, November 15, 1865.

I have been for a year or more past in the habit of taking the water of the "Excelsior" Spring of Saratoga. Accustomed during the great portion of my invalid life to use the different waters of the several fountains which boil up along that remarkable valley, dependent, indeed, upon them for much of the comfort I enjoy, I am satisfied that the Excelsior Water is as well adapted as any other among them, if not more so, to the purposes for which they are generally employed. It is very agreeable, strongly impregnated with the carbonic acid, lively and sparkling. * * * I can heartily and conscientiously recommend it to all who need a gentle cathartic and diuretic. SAMUEL HENRY DICKSON, M. D.

The Water is put up in Pint and Quart bottles, and packed in good order for shipping. Pints in boxes of four dozen each, and Quarts in boxes of two dozen each

HOPE FOR THE DESPONDING INVALID.

DEFER NOT THE USE OF

RODRIGUE'S
PULMONIC ELIXIR SPECIFIC.

MANY WHOSE DECLINING HEALTH, WHICH was precarious, and their recovery despaired of, do now with grateful emanations to the All-Wise Disposer, offer heartfelt thanks for this timely remedy. During the short time since its public introduction into use, the Originator has most happily realized her most sanguine expectations in manifestations issuing from all quarters of its unparalelled curative properties, for in no case where it has been administered with regard to directions, and persevered in, has it failed in its beneficial results.

In resorting to this remedy, the invalid can depend upon the safety of every article in its preparation, and while it accelerates the healthful reactions of each organ and vessel, the mind can be perfectly free from apprehension of any subtle ingredient being insinuated into its composition.

The appetite, which improves under its administration, is at liberty to indulge prudently in whatever nutriment is palatable, digestive and wholesome, and while it is no more than proper to avoid exposure to fresh cold, no fear need be entertained of any liability under this course of treatment to induce it. It is a pleasant AROMATIC CORDIAL, quite agreeable to the taste, and as a lung revivifyer and balsam of health, it is distinguishing itself as without precedent, and we trust will, ere long, claim for itself general acclamation for its unrivalled efficacy.

THE SALE OF THE PLANTATION BITTERS is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health-restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark, Cascarilla Bark, Dandelion, Chamomile Flowers, Lavender Flowers, Wintergreen, Anise, Cloverbuds, Orange-peel, Snake-root, Caraway, Coriander, Burdock,

S.—T.—1860—X. &c.

They are especially recommended to clergymen, public speakers, and persons of literary habits and sedentary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They overcome effects of dissipation and late hours.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Diarrhœa, Cholera and Cholera Morbus.
They cure Liver Complaint and Nervous Headache.
They are the best Bitters in the world. They make the weak man strong, and are exhausted nature's great restorer.

The following startling and emphatic statements can be seen at our office.

Letter of Rev. E. F. GRANE, Chaplain of the 107th New York Regiment:

NEAR ACQUIA CREEK, March 4th, 1863.

Owing to the great exposure and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. DRAKE, of New York, was prescribed to give me strength and an appetite. To my great surprise they gave me immediate relief. Two bottles almost allowed me to join my regiment. * * * * I have since seen them used in many cases, and am free to say, for hospital or private purposes I know of nothing like them.

Rev. E. F. GRANE, Chaplain.

Letter from the Rev. N. E. GILDS, St. Clairsville, Pa.

GENTLEMEN:—You were kind enough, on a former occasion, to send me a half dozen bottles of Plantation Bitters for $3 50. My wife having derived so much benefit from the use of these Bitters, I desire you to continue them, and you will please send us six bottles more for the money enclosed.

I am, very truly, yours,
N. E. GILDS, Pastor Ger. Ref. Church.

I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is marvellous and gratifying.

Such a preparation as this is I heartily wish in every family, in every hospital, and at hand on every battle field. G. W. D. ANDREWS, Superintendent.

Dr. W. A. OHILDS, Surgeon of the Tenth Vermont Regiment, writes:—"I wish every soldier had a bottle of Plantation Bitters. They are the most effective, perfect, and harmless tonic I ever used."
