THE GREATEST

MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY, has discovered in one of our common pasture weeds a remedy that cures

Every Kind of Humor,

FROM

The worst Scrofula down to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the mouth or stomach.

Three to five bottles are warranted to cure the worst kind of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running o the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure salt-Rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, a perfect cure is warranted when the above quantity is taken.

ROXBURY, MASS.

DEAR MADAM:——The reputation of the Medical Discovery, in curing all kinds of humors, is so well established by the unanimous voice of all who have ever used it that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.

In the more advanced stages of

CANKER

It extends to the stomach, causing

DYSPEPSIA,

which is nothing but canker on the stomach; then to the intestines and

KIDNEYS,

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonous fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to

CURE;

Palpitation of the heart, pain in the side, weakness o the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the

PILES.

How many thousand of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "an ounce of prevention is better than a pound of cure," In the

MEDICAL DISCOVERY

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.

THE MEDICAL DISCOVERY

is especialy intended for diseases of the blood, but since its introduction in the Western States, it is found to be the best

AGUE REMEDY

that was ever before the public.

No change of diet ever necessary—eat the best you can and get enough of it.

DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years, dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all consitutions, take sufficient to operate on the bowels twice a day.

Yours truly, DONNALD KENNEDY.

Price $1.00 per bottle. For sale by every druggist in the United States. sep21-d&wly.

An Effective, Safe and Economical Compound,

FOR RESTORING GRAY HAIR

To its original color without dyeing, and preventing the Hair from turning gray.

FOR PREVENTING BALDNESS,

And curing it, when there is the least particle of vitality or recuperative energy remaining.

FOR REMOVING SCURF AND DANDRUFF

And all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR.

Imparting to it an unequaled gloss and brilliancy, making it soft and silky in its texture, and causing it to curl readily.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causing the hair to grow luxuriantly, giving it a rich, soft, glossy and flexible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator, can be dressed in any required form so as to preserve its place, whether plain or in curls; hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

Only Twenty-Five Cents

per bottle, to be had at all respectable Druggists and Perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's hair inclines to be weak. The use of it lays the foundation for a *good head of hair*, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its Hair.

CAUTION.—None genuine without the fac-simile LOUIS MILLER being on the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y., blown in the glass.
