ARE NOW RECEIVING THEIR WINTER GOODS, and invite the public to inspect them. No such stock of Goods has ever been brought to this market. The South, in consequence of the failure of the grain crop, has not been able to purchase the usual quantity of rich goods, and this fact has forced the Importers to sell them at public auction. Our buyer (Mr. Stone) being in New York at these large sales, took advantage of the times, and we can and will sell our goods here, at less than any one who purchased two weeks since, paid for them in New York. Our stock is complete in every department of

CHILDREN TEETHING
MRS. WINSLOW,
An experienced Nurse and Female Physician, presents to the attention of mothers, her
SOOTHING SYRUP,
FOR CHILDREN TEETHING
which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is
SURE TO REGULATE THE BOWELS.
Depend upon it, mothers, it will give rest to yourselves and
RELIEF AND HEALTH TO YOUR INFANTS.
We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience AND PLEDGE OUR REPUTATION FOR THE FULLILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.
This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in
THOUSANDS OF CASES.
It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve
GRIPING IN THE BOWELS, AND WIND COLIC
and overcome convulsions, which, if not speedily relieved, end in death. We believe it the BEST and SURE REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHŒA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES NOR THE PREJUDICES OF OTHERS stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.
Sold by all Druggists throughout the world.

DR. KEYSER'S PECTORAL SYRUP
CURES CONSUMPTION, CURES BRONCHITIS,
CURES COLDS,
CURES ASTHMA, CURES ALL DISEASES
Of the Lungs

☞ I INVITE ATTENTION to some of the most extraordinary cures by my
PECTORAL SYRUP.
They are at home, and any one who has doubts can inquire of the person who have been cured by it.

DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS.—A case of five years' standing cured by DR. KEYSER'S PECTORAL SYRUP.

PITTSBURGH, Jan. 11, 1860.
DR. KEYSER:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so. WM. WILSON,
Alderman Fifth Ward.

PITTSBURGH, Nov. 18, 1858.
DR. KEYSER:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indeed to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any kind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.
I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.
In recommending this medicine, I most unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.
Yours, most respectfully,
EDWARD J. JUNKS,
Cashier Citizens' Deposit Bank.

STEUBENVILLE, O., March 14, 1859
I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say it is the best medicine for the same that I have ever taken.
J. W. PRICE.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—DR. KEYSER—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. *It knocked the noise out of my cough* and the worst one I was ever afflicted with. I have not used more than one-half of the bottle, and I can and do tell that all who are afflicted would give it no fair a trial as I have done and they will be proud to say, "It is no quack medicine." I would not suffer another such attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard as you think proper. E. F. PRATT,
Messenger Common Council, Pittsburgh, Pa.
Pittsburgh, May 11, 1859.
N. B.—I am no stranger to my fellow-citizens, and who entertain doubts can consult me personally. E. F.

PITTSBURGH, April 24, 1857.
READ THE TRUTH.—DR. KEYSER: I have a daughter who has taken several bottles of your cough syrup without benefit—among them Ayer's Cherry Pectoral—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough. JOHN DAHN,
Robinson street, Allegheny.

PITTSBURGH, December, 31, 1853.
A GREAT CURE BY DR. KEYSER'S PECTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced about the 6th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case. JOHN C. LITTLE,
Witness—S. M. KERR. Peebles township.

PATTON TP., April 14, 1857.
A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life. JOHMN GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN BLAIRSVILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost every body around us has the cold and are inquiring for "Dr Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. C. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who get it once want it again. Yours, respectfully,
J. S. WATTERSON & SONS
January 30, 1860.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed,
J. W. SIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan 9, 1860.

"STOP THAT COUGHING."—How can I do it? "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral," in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week in hopes of *hiring it out*, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and *distressibility* by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a tired but unequal conflict with a formidable an adversary as Keyser's famous "Cough Pectoral."—*Dromgoole Clipper, Dec. 14, 1859.*

And testimonials, new, and almost without number might be given from ladies and gentlemen in all grade of society, whose united testimony none could resist that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.
Battle Creek, Mich., Dec 21st, 1858.
PROF. WOOD: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges a shilling the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though short it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to procure it to its use, and being destitute of means to purchase any more, I would ask thee if thee would not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—the reward is to those that are kind to the widow and the fatherless."
Thy friend, SUSANNAH KIRBY.
Ligonier, Noble county, Indiana, Feb 5th, 1859
PROF. O. J. WOOD: *Dear Sir*—In the latter part of the year 1852, while attending the State and National fairs school of the state of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and which of the remaining portion, on the side and back, part of my head soonly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.
I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored, I was forced to become reconciled to my late, until fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.
As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours, A. M. LATTA,
Attorney and Counsellor at Law,

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors is so well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of bl
