DR. SEELYE'S LIQUID CATARRH REMEDY.

CURE WARRANTED,

IF DIRECTIONS ARE FOLLOWED.

☞ CALL FOR A CIRCULAR DESCRIBING ALL SYMPTOMS. ☜

SYMPTOMS:

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose may be dry, or a slight discharge, thin an acrid, afterwards becoming thick and adhesive. As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive; causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place.—Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but a few of the many Catarrh symptoms.

A single Bottle will last a month—
To be used three times a day.

TESTIMONIAL

From Hon. Thos. J. Turner, Ex-Member of Congress from Illinois, late Speaker of Illinois House of Representatives, and Grand Master of A., F. and A. M., of the State of Illinois.

FREEPORT, Oct 21, 1863.

DR. D. H. SEELYE:
DEAR SIR—In reply to your notice of the 18th inst., I would say that I was severely afflicted with Catarrh for years, when I became acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was finished, was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours,
THOS. J. TURNER.

Deeply grateful for the liberal patronage bestowed upon this first effort to establish an

EXCLUSIVE CLOAK HOUSE

In this city, the subscriber wishes to return thanks to his patrons, the citizens of Columbus and vicinity, and to inform them that thus far his endeavors have been appreciated to an extent far greater than hoped for, and through the liberality of the public, has been a

PERFECT SUCCESS!

And now being thoroughly established, and having on hand the very best stock of Cloaks ever offered to the citizens of this place, he calls the attention of all who wish bargains to give him a call, and pledges himself to sell cheaper than any house in the city.

Being the Only Manufacturer

In town, all others claiming to be such simply having their Cloaks made by contract, I can and will sell cheaper than any other House can afford to.

Please call and examine my stock, and you will be convinced of the truth of the above, and my great success proves at once the estimation my establishment is held in by the public.

HOT AIR FURNACES

PETER MARTIN'S Patent Improved Hot Air Furnaces,

FOR PUBLIC AND PRIVATE USE.

For Wood or Coal.

THE ATTENTION OF THE PUBLIC is called to the above Furnaces as they combine ventilating with heating qualities.

The inventor has, after years of experiments, succeeded in perfecting what he claims to be the best Furnace now in use. Among its many advantages over the ordinary Furnaces, are:

The small amount of Fuel required to keep it in operation.

Keeping the rooms constantly supplied with pure, fresh air, drawn from Nature's inexhaustible stock out of doors.

Large Air Chambers, avoiding the confinement of heat in heated walls and hot metal chambers.

Improved Water Chambers, which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The castings are heavy, and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the SELF-REGULATING ARRANGEMENT of this Furnace, which has been pronounced by scientific men to be the

BEST EVER MADE.

☞ Every Furnace warranted to give entire satisfaction.

REFERENCES:

By permission, refer to the following parties, who have the Furnaces in use:

JAMES CALHOUN, Alderman,

MT. NOTRE DAME, READING, OHIO, November 20th, 1861.

MR. MARTIN:—This is to certify that we tried the Furnace you built for us, and are satisfied with it. Our rooms are amply heated.

Yours, respectfully,
SISTERS NOTRE DAME.

CINCINNATI, April 28, 1864.

Having used, during the past winter, the Hot Air Furnace manufactured and put up by Mr. Peter Martin, I willingly testify to the very general satisfaction it has given me.

J. C. CULBERTSON,
386 West Sixth Street.

I have used for two winters Mr. Peter Martin's Hot Air Furnace in my dwelling, and am well satisfied with its operation.

GRIFFIN TAYLOR.

If it were necessary, I might refer to thousands of others, not alone in Cincinnati, but throughout Ohio and the other States.

My Furnaces are made to burn Coal, Coke, or Wood: and I have quite recently invented a Fire Pot, which is put into each Furnace—being a very great improvement on anything hitherto known. It is constructed of large Fire Bricks, 16 inches square and 4 inches thick; and plenty of space is given outside of it, and within the Furnace, for the free circulation of cold air, so that it is impossible to crack it or burn it out.

Smoke Consuming Coal and Wood Hot Air Furnace.

Furnaces altered and repaired.
Galvanized Iron Cornices and Gutters.
Tin, Corrugated and Sheet Iron and Slate Roofer.
Corrugated Iron Doors and Shutters.

SUCCESSFUL TREATMENT —OF— PRIVATE COMPLAINTS

Chronic Diseases, Consumption, Scrofula, Syphilis, Seminal Debility, and all Female Complaints,

BY

DR. JOHNSON,

No. 13 East Friend Street,

(*Third Door from South High Street.*)

COLUMBUS, O.

Testimonials from the Medical Profession and Others.

MR. EDITOR: It is with pleasure I make known the following facts to the public, believing my testimony may be of service to some invalid who has hitherto failed to obtain relief. At all events I am doing no more than justice to the medical gentlemen of your city, in confessing that I have successfully treated several very bad cases of seminal weakness and female complaints, by adopting the mode of treatment now prescribed by Dr. Johnson. * * *

For female weakness, I do not know of anything that can equal these remedies. I have prescribed them for a great many ladies who have been troubled for years, with weakness, and in every case a perfect cure has been effected; some very bad cases have yielded to this mode of treatment in the short space of two weeks.

Yours, respectfully,
W. F. MERWIN, M. D.

Cleveland, O., Dec. 23d, 1863.

Certificate from the Rev. Dr. Hamilton C. French, of Montreal.

I certify that Dr. Johnson's medicines have cured my wife, who was subject to debility many years. The medicines were used only two months.

H. D. FRENCH, D. D.

IMPORTANT TO LADIES.

Our Periodical Drops will bring on the monthly sickness in cases of obstruction from any cause. Price $1.00. N. B.—Ladies who are pregnant should not use them.

Tonic for female weakness, a certain cure, $2.00.
Injection for the Whites or Leucorrhœa, $2.00.

DISEASES OF THE BLOOD, &C.

Dr. Johnson—Dear Sir—I must again state that your remedies for scrofula and blood diseases are really excellent. For scrofula, syphilis, or impurities of the blood, I find they never fail to cure when used as directed. I have succeeded in curing the worst cases of syphilis now in our hospitals, in the short space of two months.

F. W. H. LESLIE, M. D.

Cincinnati, December 18, 1863.

SEMINAL WEAKNESS.

Dr. Johnson—I have cured, by the use of your remedies, several patients that have been inmates of the Lunatic Asylum from the evil effects of seminal weakness or sedentary habits. For such cases I consider nothing can equal your medicines.

J. W. SALLINS, M. D.

Albany, N. Y., October 15, 1863.

TAKE PARTICULAR NOTICE—Dr. Johnson addresses all those who have injured themselves by improper indulgence and solitary habits which ruin both body and mind, unfitting them for either business, study, society or marriage.

Dr. Johnson has for many years exclusively devoted his attention to the treatment of the disorders referred to in these testimonials.
