COE'S DYSPEPSIA CURE
Is prepared by the originator of the justly celebrated Coe's Cough Balsam. Mr. Coe has never prepared a medicinal article for public and general use, but what has stood the strongest tests, and has always borne the palm of victory over every disease it has been certified to cure.
Will you who are suffering from Dyspepsia, Indigestion, Nausea, Heartburn, Sick Headache Cramps and Pains in the Stomach and Bowels, Acidity of the Stomach, Choleramorbus, Dysentery, and General Debility and weakness of the whole system—try but a single bottle, we will never urge you again, if we fail in this case. Our own knowledge of its merits, the united testimony of all who have ever tried it, the encomiums of hundreds of our own neighbors, your duty to yourself, and the beneficial result, as certain as the sunshine, all earnestly, persistently, urge you to just try one bottle. If what we say is not correct, if our statements concerning its wonderful virtues are not found to be true, if you do not say the operation of the medicine is instantaneous and perfectly wonderful, we will renounce our profession as caterers to the public health, and retire from the field, admitting that we are incompetent to compound a medicinal preparation, which would be entitled to your confidence.

Mechanical and Operative
DENTIST,
Millersburg, Ohio.
HAVING thoroughly established himself in practice, and having laid in a full supply of materials feels himself fully competent and prepared to meet the requirements of every case and give perfect satisfaction to all. We want everybody to understand and bear in mind that we have and can produce certificates and references to prove that out of five or six hundred cases that have came under our treatment within the last year not one has left us dissatisfied.
By our improved "modus operandi" we only require persons having teeth put in to pay us one visit of a few moments duration before getting their teeth.
Having superior facilities at command, we feel prepared to put up work on as short notice, in the most approved style, and just a little CHEAPER than it can be done any where else.
We also are (as every operator should be) fully supplied with the proper lotions and astringents for healing diseased and spongy gums, curing Neuralgia and toothache, and alleviating the pain after extraction.
☞ Persons who have once had teeth extracted by us never go to any one else ☜
In short, persons having teeth to extract, regulate, clean or fill, or wishing to have artificial teeth inserted on pivot or plate from one to an entire set, should call at once and we are sure we can please them in price and every other respect.
We have samples of work always on hand which we would be pleased to have everybody call and examine.

Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR
Scrofula and Scrofulous Diseases.
From Emery Eides, a well-known merchant of Oxford, Maine.
"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."
Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.
From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an almost blinding humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."
From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dansville, Livingston Co., N. Y.
"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."
From Charles P. Gage, Esq., of the widely-known Gage, Morse & Co., manufacturers of enamelled papers in Nashua, N. H.
"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."
Erysipelas—General Debility—Purify the Blood.
From Dr. Robt. Savels, Houston St., New York.
"DR. AYER. I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."
From J. E. Johnston, Esq., Wakeman, Ohio.
"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."
From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.
"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and feel confidence in commending it to the afflicted."
St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.
From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.
"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct, and the first noticeable change we had seen in the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."
Syphilis and Mercurial Disease.
From Dr. Hiram Stout, of St. Louis, Missouri.
"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicine we have."
From A. J. French, M. D., an eminent physician of Lawrence, Mass., who also is a prominent member of the Legislature of Massachusetts.
"DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the *primary* and *secondary* type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."
Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial diseases*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him
Leucorrhœa, Whites, Female Weakness, are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.
From the well-known and widely celebrated Dr. Jacob Morrell, of Cincinnati.
"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."
