TEA TEA TEA

GREAT AMERICAN TEA COMPANY,
51 Vesey Street, New York;

Since its organization, has created a new era in the history of

Wholesaling Teas in this Country.

They have introduced their selections of TEAS, and are selling them at not over

Two Cents Per Pound Above Cost,

Never deviating from the ONE PRICE asked.

ANOTHER peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their Teas as to quality, value, and particular styles for particular localities of country, but he helps the Tea buyer to choose out of their enormous stock such Teas as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others.

If he is no judge of Tea, or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business, of an immense capital, of the judgement of a professional Tea Taster, and the knowledge of superior salesmen.

This enables all Tea buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York merchants.

Parties can order Teas and will be served by us as well as though they came themselves, being sure to get original packages, true weights and tares; and the Teas are WARRANTED as represented.

We issue a Price List of the Company's Teas, which will be sent to all who order it; comprising

Hyson, Young Hyson, Imperial, Gunpowder, Twankay & Skin. Oolong, Souchong, Orange & Hyson Pekoe. Japan Tea of every description, colored and uncolored.

This list has each kind of Tea divided into FOUR Classes, namely: CARGO, high CARGO, FINE, FINEST, that every one may understand from description and the price annexed that the Company are determined to undersell the whole Tea trade.

We guarantee to sell ALL our Teas at not over TWO CENTS (.02 Cts.) per pound above cost, believing this to be attractive to the many who have heretofore been paying Enormous Profits.

THE SCANDINAVIAN Remedies.

"No post-up Urns contracts our power,

DR. ROBACK'S
BLOOD PURIFIER
and
BLOOD PILLS

have been introduced to the public for more than six years, and have acquired an

Immense Popularity,

far exceeding any Family Medicines of a similar nature in the market.

An appreciating public was not long in discovering they possessed remarkable

Curative Properties,

and hence their

Rapid Sale

and consequent profit to the Proprietor, thus enabling him to expend

Many Thousands

of dollars each year in advertising their merits, and publishing the

Numerous Certificates

which have been showered upon him from

All parts of the Country.

The peculiarity of the

Blood Purifier and Pills

is that they strike at the root of Disease, by eradicating every particle of impurity

If the blood is poisoned, the body drags out a miserable existence. These medicines

ONE person writes, her daughter was cured of fits of nine years' standing, and St Vitus' dance of two years.

ANOTHER writes, his son was cured after his flesh had almost wasted away. The doctors pronounced the case incurable.

ANOTHER was cured of Fever and Ague after trying every medicine in his reach.

ANOTHER was cured of Fever Sore which had existed fourteen years.

ANOTHER of Rheumatism of eight years.

Cases innumerable of Dyspepsia and Liver Complaint could be mentioned in which the Purifier and Pills

Work like a Charm.

The Blood Pills

are the most active and thorough pills that have ever been introduced.

They act so directly upon the Liver, exciting that organ to such an extent as that the system does not relapse into its former condition, which is too apt to be the case with simply a purgative pill.

They are really a

which, in conjunction with the
