DR. JOHN BULL'S
Smith's Tonic Syrup
FOR THE CURE OF
FEVER and ACUE
Or CHILLS and FEVER.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PERMANENT cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

The genuine SMITH'S TONIC SYRUP must have DR. JOHN BULL'S private stamp on each bottle. DR. JOHN BULL only has the right to manufacture and sell the original JOHN J. SMITH'S TONIC SYRUP, of Louisville, Ky. Examine well the label on each bottle. If my private stamp is not on each bottle, do not purchase, or you will be deceived.

"GOOD PENMANSHIP is very desirable in whatever station in life you are placed, and we are pleased to note that the system of American penmanship introduced by Prof. G. A. Gaskell, of Manchester, New Hampshire, United States, is very popular in London, and is used in many of the leading commercial houses. It is called 'Gaskell's Compendium,' and is simpler and more easily learned, and may be written with greater ease and rapidity, than any of the old styles. Trubner & Co., Booksellers, 57 & 59 Ludgate Hill, have it for sale."—*Pall Mall Gazette*, London, England.

"The salient advantages of Gaskell's system are its legibility, rapidity and beauty. There is no style of writing, plain or ornamental, business or epistolary, for lady or gentleman, which is not included in this admirable system. And we think that if anything at all could fire an indifferent writer with a desire to become an expert and elegant penman, an inspection of Mr. Gaskell's system would do so."—*New York Daily Witness.*

THIS SYSTEM has been prepared expressly to meet the wants of those desiring to change their present handwriting to a more EASY and BEAUTIFUL style, by home or office practice, without a teacher.

It is the only American system used in the commercial offices of London, Eng., and in New York, Boston, Philadelphia and other cities of the United States.

CURES DYSPEPSIA — CURES LIVER DISEASES

DR. CLARK JOHNSON'S
Indian Blood Syrup.
LABORATORY,
77 W. 3d St., New York City.

LATE OF JERSEY CITY.

[TRADE-MARK.]

The Best Remedy Known to Man!

Dr. Clark Johnson having associated himself with Mr. Edwin Eastman, an expert captive, long a slave to Wakametkia, the medicine man of the Comanches, is now prepared to lend his aid in the introduction of the wonderful remedy of that tribe.

The experience of Mr. Eastman being similar to that of Mrs. Chas. Jones and son, of Washington County, Iowa, on account of whose sufferings were thrillingly narrated in the *New York Herald* of Dec. 12th, 1878, the facts of which are so widely known, and so nearly parallel, that but little mention of Mr. Eastman's experiences will be given here. They are, however, published in a pamphlet volume of 300 pages, entitled "Seven and Nine Years Among the Comanches and Apaches," of which mention will be made hereafter. Suffice it to say that for several years Mr. Eastman, while a captive, was compelled to gather the roots, grains, barks, herbs and berries of which Wakametkia's medicine was made, and is still prepared to provide the same materials for the successful introduction of the medicine to the world; and assures the public that the remedy is the same now as when Wakametkia compelled him to make it.

Wakametkia, the Medicine Man.

Nothing has been added to the medicine and nothing has been taken away. It is without doubt the BEST PURIFIER of the BLOOD and REMEDY of the SYSTEM ever known to man.

This Syrup possesses varied properties.

It acts upon the Liver.
It acts upon the Kidneys.
It regulates the Bowels.

It quiets the Nervous System.
It promotes Digestion.
It Nourishes, Strengthens and Invigorates.
It carries off the old blood and makes New.
It opens the pores of the skin, and induces Healthy Perspiration.

It neutralizes the hereditary taint or poison in the blood, which generates Scrofula, Erysipelas and all manner of skin diseases and internal humors.

There are no spirits employed in its manufacture, and it can be taken by the most delicate babe, or by the aged and feeble, *care only being required to attention to directions.*

SEVEN AND NINE YEARS AMONG THE COMANCHES AND APACHES. A neat volume of 300 pages, being a simple statement of the horrible facts connected with the sad massacre of a helpless family, and the captivity, tortures and ultimate escape of its two surviving members. For sale by our agents generally. Price, $1.00.

The incidents of the massacre, briefly narrated are distributed by agents, FREE of charge.

Mr. Eastman, being almost constantly at the West, engaged in gathering and curing the materials of which the medicine is composed, the sole business management devolves upon Dr. Johnson, and the remedy has been called, and is known as

Dr. Clark Johnson's
