Manhood: How Lost, How Restored!

Just published, a new edition of **Dr. Cuverwell's Celebrated Essay** on the radical cure (without medicines) of SPERMATORRHŒA or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage generally; &c; also CONSUMPTION, EPILEPSY and FITS; induced by Self-indulgence or sexual extravagance, &c.

☞Price, in a sealed envelope, only six cents.

The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of Self-Abuse may be radically cured without the dangerous use of internal medicine, or the application of the knife; pointing out a mode of cure at once certain, and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and *radically*.

☞This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, on receipt of six cents, or two postage stamps.

The Great Achievement

It took the
