Scott's Emulsion

is a wonderful food-medicine for all ages of mankind. It will make the delicate, sickly baby strong and well—will give the pale, anemic girl rosy cheeks and rich, red blood. It will put flesh on the bones of the tired, overworked, thin man, and will keep the aged man or woman in condition to resist colds or pneumonia in the winter.

Chronic Diseases Cured

The doctor has had such wonderful success in the treatment of certain diseases that he feels fully warranted in making the following liberal offer. He will make a thorough examination and tell you just what can be done; what the treatment will cost and about how long it will take to effect a cure; you will not be required to pay any money, except for the medicine used until cured or thoroughly satisfied with the results.

Dr. Stockdale wants every person who suffers from a chronic disease—it makes no difference how bad their case is, or how long they have suffered, or who has treated them and pronounced them incurable, to call and consult him. He will make a thorough examination of their case, tell exactly what can be done, whether they are curable or not, how long it will require and all about it. He treats only chronic diseases. He has devoted twenty years of his life to the treatment of such diseases as Dyspepsia, Indigestion, Stomach troubles, Liver disease, Constipation, Rheumatism, Bladder troubles, Diseases of the Kidneys, Chronic Catarrh in all its forms, Heart and Nerve troubles—in fact, every variety of chronic diseases.

Dr. Stockdale has a system of treatment which he believes is the best known for chronic diseases. He is able to cure many cases that have resisted other treatments—that are considered incurable. He wants it distinctly understood that he does not undertake any case that he thinks is incurable, and will tell the patient candidly when he has made the examination.

He has a special treatment for general weakness of men, which he would like to explain in person. He will examine every case that calls on him on the above date absolutely free.

If for any reason you cannot call or visit him personally, write him for an examination blank at his home office. Address
