## MISCELLANEOUS.

THE AMALGAMATION OF LANGUAGES.—There is a growing tendency in this age to appropriate the most expressive words of other languages, and after a while to incorporate them into our own; thus the word Cephalic, which is from the Greek, signifying "for the head," is now becoming popularized in connection with Mr. Spalding's great Headache remedy, but it will soon be used in a more general way, and the word Cephalic will become as common as Electrotype and [illegible] others whose distinction as foreign words has been worn away by common usage until they seem "native and to the manor born."

### 'ardly Realized.

Hi 'ad 'a 'orrible 'eadache this hafternoon, hand I stepped into the hapothecaries hand says hi to the man, "Can you hease me of an 'eadache?" "Does it hache 'ard," says 'e. "H-xceedingly" says hi, hand upon that 'e gave me a Cephalic Pill hand 'pon me 'onor it cured me so quick that I 'ardly realized I 'ad 'ad an 'eadache.

☞ Headache is the favorite sign by which nature makes known any deviation whatever from the natural state of the brain, and viewed in this light it may be looked on as a safeguard to give notice of disease which might otherwise escape attention, till too late to be remedied; and its indications should never be neglected. Headaches may be classified under two names, viz: Symptomatic and Idiopathic. Symptomatic Headache is exceedingly common and is the precursor of a great variety of diseases, among which are Apoplexy, Gout, Rheumatism and all febrile diseases. In its nervous form it is sympathetic of disease of the stomach constituting *sick headache*, of hepatic disease constituting *bilious headache* of worms, constipation and other disorders of the bowels, as well as renal and uterine affections. Diseases of the heart are very frequently attended with Headaches; Anæmia and plethora are also affections which frequently occasion headache is also very common, being usually distinguished by the name of *nervous headache*, sometimes coming on suddenly in a state of apparently sound health and prostrating at once the mental and physical energies, and in other instances it comes on slowly, heralded by depression of spirits or acerbity of temper. In most instances the pain is in the front of the head, over one or both eyes, and sometimes provoking vomiting; under this class may also be named *Neuralgia*.

For the treatment of either class of Headache the Cephalic Pills have been found a sure and safe remedy, relieving the most acute pains in a few minutes, and by its subtle power eradicating the diseases of which Headache is the unerring index.

Bridget.—Missus wants you to send her a box of Cephalic Glue, no, a bottle of Prepared Pills,—but I'm thinking sure's not just it naither; but perhaps ye'll be afther knowing what it is. Ye see she's nigh dead and gone with the Sick Headache, and wants some more of that same as received her before.

Druggist.—You must mean Spalding's Cephalic Pills.

Bridget.—Och! sure now and you've sed it, here's the quarther and giv me the Pills and don't be all day about it naither.

### Constipation or Costiveness.

No one of the "many ills flesh is heir to" so prevalent, so little understood, and so much neglected as Costiveness. Often originating in carelessness, or sedentry habits; it is regarded as a slight disorder of too little consequence to excite anxiety, while in reality it is the precursor and companion of many of the most fatal and dangerous diseases, and unless early eradicated it will bring the sufferer to an untimely grave. Among the lighter evils of which costiveness is the usual attendant are Headache, Colic, Rheumatism, Foul Breath, Piles and others of like nature, while a long train of frightful diseases such as Malignant Fevers, Abcesses, Dysentry, Diarrhœa, Dyspepsia, Apoplexy, Epilepsy, Paralysis, Hysteria, Hypochondriasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the diseases named originate in Constipation, but take on an independent existence unless the cause is eradicated in an early stage. From all these considerations it follows that the disorder should receive immediate attention whenever it occurs, and no person should neglect to get a box of Cephalic Pills on the first appearance of the complaint, as their timely use will expel the insiduous approaches of disease and destroy this dangerous foe to human life.

A FACT WORTH KNOWING.—Spaldings's Cephalic Pill are a certain cure for Sick Headache, Billious Headache, Nervous Headache, Costiveness and General Debility.

# BŒRHAVE'S
# Holland Bitters
FOR
## DYSPEPSIA,
**Liver Complaint, Fever and Ague, &c.**

THE successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BŒRHAVE'S HOLLAND BITTERS,

*and the entire absence of after prostration*, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

Bœrhave's Holland Bitters, (Half-Pint Bottles,) price One Dollar.

It is a medicine of longtried efficacy for *Purifying the Blood*, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.

For INDIGESTION, Try **Bœrhave's Holland Bitters.**
For HEARTBURN, Try **Bœrhave's Holland Bitters.**
For ACIDITY, Try **Bœrhave's Holland Bitters.**

In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

**Read Carefully!**

The genuine, highly-concentrated BŒRHAVE'S HOLLAND BITTERS is put up in half-pint bottles only, and retailed at One Dollar per bottle. The great demand for this truly celebrated medicine has induced many imitations, which the public should guard against purchasing.
