Chronic Catarrh, or Bronchitis.

BOSTON, June, 7, 1855.

For several years I have suffered from a *Catarrhal Affection*, consequent upon *Bronchitis*. I tried various remedies without relief. The system appeared failing under repeated attacks. I made trial of the PERUVIAN SYRUP, and soon found decided improvement. It is now six months since I had an attack, and I am no doubt adding my experience to that of others, that the PERUVIAN SYRUP produced this favorable change. FRANCIS DANA, M. D.

MODE[illegible]

No. 65 WA[illegible] that which is good," truly verified in Dr. Mc[illegible] celebrated STRENGTHENING PLASTERS, and McLEAN'S VOLTAIC OIL LINIMENT. There have never been remedies that have become so deservedly popular in so short a time as these; they can now be found in the closets of nearly every family in this city, ready for use when required, because they will act just as is stated in the directions. See the advertisement in another column. oct19

☞ Any of our readers afflicted with SCROFULA or Scrofulous complaints, will do well to read the remarks in our advertising columns respecting it. But little of the nature of this disorder has been known by the people, and the clear exposition of it there given, will prove acceptable and useful. We have long admired the searching and able manner in which Dr. AYER treats every subject he touches, whatever has his attention at all, has a great deal of it; he masters what he undertakes, and no one who has a particle of feeling for his afflicted fellow man, can look with indifference upon his labors for the sick.—Read what he says of Scrofula, and see in how few words and how clearly he tells us more than we all have known of this insidious and fatal malady.—1tm, Philadelphia, Pa. oct16dtw

Facts for Consideration.

Brandreth's Pills have been before the world for nearly one hundred and ten years. They have an established character for safety and efficacy, which places them in the first rank of all the medicines of the day. They are purely vegetable, harmless to the tenderest age or weakest frame, yet of sufficient efficacy to thoroughly cleanse and purify the blood, through the organs of the stomach and bowels.—They aid and improve digestion, and sound, refreshing sleep follows their use. They have cured thousands of cases of the most distressing dyspepsia. All the symptoms of confirmed consumption have been removed by their use, and health has again blessed the once despairing invalid. Costiveness, the great promoter of disease, is infallibly cured by these pills. Apoplexy and paralysis are as surely prevented if the pills are perseveringly used as soon as fullness or intense pain of the head is experienced. Thousands of cases furnished in proof. Price 25 cents per box.

Sold by J. R. CUNINGHAM, Terre-Haute, and by al respectable dealers in medicine. [oct16dtw1m

A Consumptive Life Saved.

Consumption, primarily and essentially due to a disordered nutrition, can be rationally attacked by a medicine which renovates the nutritive powers.—Such a medicine is the PERUVIAN SYRUP, whose chief ingredient acts directly and immediately on the blood, and arrests the disease safely and surely.

BALTIMORE, July 15, 1854.

I was suffering with a severe Catarrhal Cough, &c, companied by Night Sweats, loss of Appetite and great Debility, which was daily increasing. In this state, I commenced taking the Peruvian Syrup. In a few days, and before I had used the second bottle, my cough lessened; night sweats ceased, appetite was restored, and with it, strength and vigor beyond what I had enjoyed for ten years, being able to walk several miles each day, without fatigue, while hitherto I could walk only a short distance.

Piles in Both Forms Cured.

READ THIS.

"I can only account for my present sound health, from the constant, though moderate use of BŒRHAVE'S HOLLAND BITTERS—having from my youth suffered, at intervals from PILES, in both forms, sometimes so severely as to completely prostrate me. I have for several months past, though subject to loss of sleep, and unusual physical effort, been entirely free from any sympton of this distressing disease; while my general health is very much improved."

Persons doubting the authenticity of this certificate, are requested to call upon or communicate with the proprietors. They will take pleasure not only in referring them to its author, but to many others who have used the Holland Bitters for the same affection with equal success. oct16,1w

HOW DOES PERUVIAN SYRUP

CURE SO MANY DISEASES

APPARENTLY DISSIMILAR?

Whenever the blood is tainted, there the body pays the penalty in Dyspepsia, for most assuredly does it cater for a legion of complaints, beginning with impaired digestion, and generally ending in CONSUMPTION, and all originating in a deterioration of the blood.

From the Rev. Dr. GREENLEAF.

CINCINNATI, October 16, 1854.

I have declined on every occasion speaking of the Peruvian Syrup, that I did not feel able to recommend its use to all those suffering as I have, where I was in the efficient hands of a regular physician, and persons whose competence to judge of the various concoctions of so-called medicines, by reading the effects of numerous trials, I believe this to be a valuable remedial agent.

MEDICAL.

A Card to the Public!

The amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had, for diseases of the body invariably affect the mind. Dr. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TERMINATED OVER DISEASE, in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES,

Have now been before the public for a period of 20 years, and during that time have maintained a high character in almost every part of the globe for the extraordinary curative properties which they possess.

In Many Thousands

Of certified instances, they have even rescued sufferers from the very verge of an unfilled grave, after all the deceptive nostrums of the day have completely failed. So great, indeed has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was their marvellous and rapid action in purifying the springs and channels of life, in imparting them with renewed tone and vigor, that they were indebted for their name.

Moffat's Life Pills!

Are composed of Vegetable ingredients exclusively, as can be ascertained by chemical test. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent, aperient; of a gentle superific, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cordial, exciting appetite by the demands of active digestion, and thus bestowing the accompanying greatest sense of renovated health which is one of the most felicitous gifts of our nature.

The Phœnix Bitters!

So astonishing were their astonishing power of raising new life and health, as it were from the very ashes of the most delapidated constitutions—are more strongly tonic and more immediately invigorating than the pills; containing the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the Life Pills, they nevertheless begin to cleanse the alimentary canal much sooner, generally slightly operating within three or four hours, and producing a decided sense of relief to the head and stomach, and exhilarating the mind, even in less time than this.

Moffat's Life Pills!

In affections of the head, sick headache or nervous headache, these Pills will be found to possess the most salutary efficacy.

Moffat's Phœnix Bitters!

Have been happily used for the cure of Fever and Ague with invariable success.

Bilious Complaints, and a Mode of Cure!

A well regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the intestinal canal free from all obstructions. When there is a deficiency of bile the body is constantly costive. On the other hand, an overabundance of bile cause frequent nausea in the stomach, and often promotes very severe attacks of disease, which sometimes end in death.

Dr. Moffat's Life Medicines

Should be taken in the early stages of Bilious Complaints, and if persevered in strictly according to directions, will positively effect a cure.

Piles! Piles! Piles!

As a remedy for this most distressing and obstinate malady, the Vegetable Life Medicines deserves a distinct and emphatic recommendation. It is well known to hundreds in this city, that the former proprietor of these valuable medicines was himself afflicted with this complaint for upwards of twenty-five years, and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however, at length tried the medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!

Cure DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a pure healthy bile, instead of the stale and acrid kind; Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Languor and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE LIFE MEDICINES,

For bilious and liver complaints, with their many well-known attendants, bilious and sick headache, pain and oppression after meals, giddiness, dizziness, heartburn, loss of appetite, are acknowledged to be unrivalled by anything ever before offered to the public.

Mercurial Diseases!

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infallibly absorbing the most powerful preparations of Sarsaparilla.

scrofula!

The most terrible curse of Scrofula, in which the face, limbs and bodies of the victims have been preyed upon by the inveterate disease, are proved by undeniable authority of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.

Acute, or Inflamatory Rheumatism.

Anthrosia Chronica, or Chronic Rheumatism.

These diseases, which are among the most painful, and by ignorant treatment the most inveterate to which suffering humanity is liable, are cured, speedily and permanently cured, by a proper course of the Life Pills and Phœnix Bitters.

Try them! Be Satisfied!! Be Cured!

MEDICAL.

BŒRHAVE'S

Holland Bitters

FOR

DYSPEPSIA,

Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BŒRHAVE'S HOLLAND BITTERS,

and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for *Purifying the Blood*, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.

For INDIGESTION, Try
Bœrhave's Holland Bitters.
For HEARTBURN, Try
Bœrhave's Holland Bitters.
For ACIDITY, Try
Bœrhave's Holland Bitters.
For WATERBRASH, Try
Bœrhave's Holland Bitters.
For HEADACHE, Try
Bœrhave's Holland Bitters.
For LOSS OF APPETITE, Try
Bœrhave's Holland Bitters.
For COSTIVENESS, Try
Bœrhave's Holland Bitters.
For PILES, Try
Bœrhave's Holland Bitters.

In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Read Carefully!

The genuine, highly-concentrated BŒRHAVE'S HOLLAND BITTERS is put up in half pint bottles only, and retailed at one Dollar per bottle. The great demand for this truly celebrated medicine has induced many imitations, which the public should guard against purchasing.

Beware of imposition! See that our name is on the label of every bottle you buy.

ATWOOD'S

QUININE TONIC

BITTERS,

THE BEST AROMATIC TONIC EVER OFFERED TO THE PUBLIC.

Recommended by the Faculty

FOR ITS SUPERIOR MEDICINAL QUALITY.

This agreeable aromatic compound, which has secured the confidence and endorsement of most of the leading Physicians of New England, is a palatable and efficacious form of *Quinine*, containing all the peculiarities of Peruvian Bark, carefully combined with various *Tonics and Aromatics*, and cannot fail to meet the wants of the debilitated.

It is a mild *tonic* to the stomach, increasing the appetite, assisting digestion, pre-eminently good in dyspepsia, strengthening and invigorating to the digestive and nervous systems after prostrating diseases; and in fever and ague, or kindred complaints, its aid is invaluable. For Diarrhœa, Dysentery, Cholera Morbus, the Public may rest assured there is nor can be any better general remedy.

One of the very best of Physicians of Boston has said that "it is the best preparation of Bitters that has ever been offered to the Public."

Put up in half pint as well as quart bottles, in order that all may convince themselves of its superior merits.
