CASUALTIES.

HORRIBLE CAR ACCIDENT.—At 7 o'clock yesterday morning a young man, whose name is unknown, attempted to jump on our No. 37 of the Third-avel line, in the Bowery, between Fifth and Sixth-sts., just before reaching the car, he stumbled and fell across the track in front of the car. Before the driver, Owen Hamilton, could brake up both wheels of the car passed over the neck of the unfortunate young man, nearly severing the head from the body. Death, of course was almost instantaneous. The mangled remains were taken to the Seventeenth Precinct Station-House. They were those of a young man, apparently about 17 years of age, and respectably dressed. He was probably on his way down-town to his place of business. Later in the day Coroner Gamble called at the Station-House, and directed that the remains be removed to the Morgue at Bellevue Hospital, where they will await identification. The conductor, Nelson Sexton, and the driver were taken into custody, and are held to await the result of the Coroner's inquest, which will probably be held to-day.

RUNAWAY ACCIDENT.—On Sunday evening, while Col. Lynch and lady were riding in a light carriage on the Macomb's Dam road, the animal attached to the vehicle became frightened and dashed off at a high rate of speed. After going a short distance the carriage came in contact with a tree by the roadside, and both occupants were thrown with great violence to the ground. The Colonel was severely bruised about the head and face. Mrs. Lynch was hurt about the head and face, and is believed to have sustained severe internal injuries. The injured persons were conveyed to their residence, No. 109 West forty-sixth-st., by the Thirty-second Precinct Police.
