Beef has increased, but buyers are less inclined than hitherto for February delivery than are sellers at very low figures. At the opening of Change to-day the market was quiet, but, at the close, there is more activity and, the market firm; the sales were 4,650 bbls. Mess, at $34@$34 62½, cash; no regular Prime is reported, but it was offered at $31 87½, without buyers. For future delivery we hear of 500 bbls., seller November, at $26 25, and 500 bbls. do., buyer last half do., at $30. Prime Mess has been in limited demand; since the absence of business prices are uncertain. New Cut Mess Pork is selling freely at full prices. Beef has been in more active demand for Prime, the stock of good Old is now very light, and New is firm; the receipts have been moderate for the season, closing with moderate bidding demand and steady; sales of 200 bbls. at $9@$12 for Old Plain Mess; $12@$15 for New do., $16@$19 for Old Extra, and $18@$23 for New do. In Tierce Beef nothing of moment has been done, and prices are uncertain. Beef Hams are in moderate demand and are heavy; sales 30 bbls. Western at $41. Cut Meats are more plenty, and, with a further decline in Hogs, prices are lower and unsettled at the close; sales of 25 pkgs. Hams at 17c. Live Hogs are lower and abundant at 9@10c. ⅌ lb. Bacon has been offered more freely, has declined and closes unsettled, with only a light inquiry; sales 100 boxes C. C. on private terms. Lard has been in better demand, but, with liberal offerings, has declined and closes heavy and unsettled—the inquiry, has been mainly for the trade—but a fair business may be noted in Germany and the West Indies, and irregular; sales of 500 pkgs. at 14½c. for City, 14¾@15c. for fair to prime Steam and Kettle Dried.

AFTERNOON PROVISION MARKET—4 O'CLOCK.—A fair business was done in cash Pork, and we note sales of 4,000 bbls. Mess at $34 62½; the market closes firm, holders asking $34 75. Nothing doing in regular Pork, the nominal price being $33 75.

STEARIN—The market is well supplied, and prices have declined; sales of 280,000 lb at 15@16½c. for fair to prime White; and 170,000 lb Grease at 11@12c.

WOOL—Dullness is still the prevailing feature in this market; holders are offering their stocks quite freely, but manufacturers do not come forward even at the low prices ruling, owing to the extreme dullness in the goods market. We quote: Domestic Fleeces at 44@50c. for Native and ¼ Merinos, 40@48c. for ½ and ¾ do., 35@38c. for full-blood Merinos, and 60@62c. for Saxony Fleeces; 30@38c. for No. 1 Pulled, 45@50c. for Superfine do., and 32@36c. for Extra do.; 22@27c. for common Unwashed California, 38@40c. for Fine do., and 25@32c. for Texas. N. Y. WHOLESALE PRICES OF COUNTRY PRODUCE

FOR THE WEEK ENDING OCT. 30, 1866.

[Expressly for THE N.-Y. TRIBUNE by our own Reporter.]

The following are the current rates of articles in good condition, as sold by commission houses at wholesale. Shippers receive 5 to 10 ⅌ cent less, deducted for commissions, beside freight and other charges. Parties receiving produce to sell, often with the request that immediate returns be made, cannot always obtain the prices which transient buyers have to pay. Our figures are intended more for the farmer than the merchant, and we prefer not to disappoint by giving the outside prices of very choice articles. Boxes or packages should be carefully marked with paint, and the name of the sender should also be painted upon one end. Nail an invoice or list of the articles upon the under side of the cover, and send a letter by mail, containing an invoice and directions, also stating how and when sent. Clean packages and care in putting up will add much to the value of the produce.

BEANS AND PEAS.

New mediums are very scarce. They are worth $3@$3 25.

Trade quiet. We quote:

Beans, pea, prime, ⅌ bush	$2 50@$2 60
Beans, medium prime, ⅌ bush	2 25@ 2 40
Beans, kidney, ⅌ bush, prime	2 35@ 2 60
Beans, marrow, prime	2 50@ 2 75

Peas, Canadian, ⅌ bush	1 75@ 1 80
Peas, Southern, ⅌ bush	2 25@ 2 40

BUTTER.

Receipts of 9,130 packages for the week show a steady, though not a heavy increase in the arrivals. While prime Butter is not plenty, and is taken at quotations upon arriving, the medium and common grades are constantly growing worse. Farmers in this State have erred in using the cheaper Onondaga salt. It is not very perceptible until the butter has been kept some weeks, when it imparts a sort of fishy taste easily recognized, and in these times of nice discrimination really injures the sale. It was not noticed as much last year, and this encouraged the farmers to use it more freely this season. There is a great complaint of the very few packages of strictly fine Butter found in what is sent for a good dairy. There is no forcing the market at present, and only small lots are taken as wanted at the prices quoted. It is a hard matter to sell a really good dairy for more than 40c. to-day, and most of the Welsh tubs are going at 39c. The market is really very weak, with a downward tendency. We quote:

State, firkins, prime, ⅌ lb	40@41
State, half firkins, Choice, ⅌ lb	42@44
State medium, ⅌ lb	33@35
Orange Co. and Up-River pails, ⅌ lb	30@35

CHEESE.

Receipts have been light for three days past, and only 28,000 have arrived during the week. This is a falling off 8,400 boxes as compared with last week; but the falling off in shipments has been still larger, leaving a heavy stock on hand, with a great deal on the way. Trade can scarcely be worse, or rather, we may say, there is no trade, the views of owners and shippers not harmonizing. Strictly fine factories would be bought up freely and sent abroad at 16@17c., but the owners want the lot, for them in the country, and the expense of boxing and getting them here is about 1c. per lb, thus leaving no margin whatever, and dealers prefer doing nothing, as at present, rather than work with no prospect of coming out whole, even. A few lots of fancy are held at 17½c., and we did hear of 17½c. offered, for something really extra. We also heard of sales of factory at 14c. Country owners must bear in mind that shipments thus far have been much lighter than last year, while the make is quite in excess of the previous season. Only about one half of the past week's receipts were shipped to England, and the limited Southern and home demand takes but a small portion of the remainder. English dairy is weaker. We quote:

English Dairy, skimmed, poor	⅌ lb... 8@14
English Dairy, common to fair	15@17
English Dairy, Cons., fine	18@19
English Dairy, Ohio, ⅌ lb	17½@18½

EGGS.

Receipts were free for a few days after last report, and the total of 2,056 bbls. is 300 in excess of last week. Still, for a day or two past they have been scarce, and prices have advanced 2@3c. ⅌ dozen, with a good demand. Some limed eggs have been received. Fresh box eggs from New-Jersey and Long Island bring 36c. We quote:

New-Jersey and Pennsylvania, fresh, ⅌ doz	35@—
State, good marks	34@35
Western and Canada, ⅌ doz., loss off	33@34
Limed, ⅌ doz., loss off	29@31
Western, at mark, ⅌ doz	28@29
Egg Oats, ⅌ bush, good	42@50

FRUITS AND BERRIES.

Apples are less firm, selling slowly at $4@$4 25 for fine Ohio and Michigan, which are coming forward freely. The grape market does not recover its tone, and it seems impossible to stock the tide of arrivals, each grower just wanting to "get off a few cases," which keeps the market overstocked, while so many inferior grapes injure the sale of good fruit. Large quantities of Ohio grapes are on sale, but do not bring the prices obtained for those grown in this State. Those grapes which will keep and bring to Hill Rock ran a short time still the glut is over. The trade is really very slow. Quinces have gone up $2@$5 per bbl., and are selling quickly. We quote:

Both live and dressed poultry is scarce to-day, but this may only be temporary. Free receipts would reduce the quotations to former prices. A small lot of fine fresh Jersey turkeys brought 27c. We quote:
