OFFICIAL VOTE OF IOWA.

A special dispatch from Des Moines to *The Chicago Tribune*, under date of the 15th inst., says:

Congressman J. B. Grinnell and J. F. Wilson are here to-day, on their way to Washington. Mr. Grinnell says he never was a party to the Congressional Reconstruction plan, and never will give his vote to allow the rebellious States to come back on any other terms than that of impartial suffrage. It is asked to count in on our Congressional delegation as pledged to the same doctrine, while the sixth may support it.

Gov. Stone is in the city to-day to attend a meeting of the Census Board.

The official canvass of the State vote is completed with the following result:

LOCAL POLITICS.

TWENTY-FIRST-DISTRICT RESOLUTIONS.

At a regular meeting of the Republican-Union Association of the XXIst Assembly District, held at the Headquarters, Tuesday, Nov. 20, the following resolutions, offered by Dr. O. Sidney, were unanimously adopted:

Whereas, The success of all parties and associations is predicated upon the principles of right and justice, and an abandonment of those principles invokes discomfiture and defeat.

Resolved, That in the approaching charter elections we will support no man for any official position who is not fully committed to the great fundamental principles of the Republican party.

Resolved, That in the Hon. William A. Darling we recognize the patriot and statesman, and earnestly recommend him to the suffrages of the voters of this city for the office of Controller.

G. R. Tenison, } Secretaries. W. H. DaCAMP, President.
Jno. Norton, }

THE CONTROLLERSHIP—MOZART CONVENTION.

A meeting of the delegates to the Mozart Hall City Convention was held last evening at No. 814 Broadway. Mr. Edward Berrien presided, and Messrs. Louis B. Maires and Edward R. Heath acted as Secretaries. The Convention was held to choose a candidate for the office of Controller, and among those who were favorably named for that position were Smith Ely, jr., Michael Connolly, Judges Barnard and Cardozo, and Richard B. Connolly. No nomination was made, and the Convention adjourned until next Monday evening.

THE ELECTION OF SCHOOL TRUSTEES.

There seems to be some misapprehension as to the election of School Trustees under the new School law. The law provides that one Trustee of Common Schools shall be chosen in each Ward every year, who enter into office on the first of January next after their election, and hold position for five years. Former's there were 10 local school officers in each Ward, but the new law reduces the number to five. A provision was incorporated in this law that none of those in office at the time of its passage should be removed before the expiration of the terms for which they were elected. Two trustees now go out of office in each ward, and only one is elected in the school. Next year the last of the old Trustees will have retired, leaving but five Trustees in each ward.

RESOLUTION TO SUPPORT NONE BUT REPUBLICANS.

At a regular meeting of the Union-Republican Association of the Ninth Assembly District, held on Tuesday evening it was unanimously resolved that their Delegates to the city Convention for nominating a Controller, be instructed to urge the nomination of a Republican for that place, and to oppose the indorsement of any man not belonging to that party.

M'KEON NOMINATIONS FOR SCHOOL COMMISSIONER.

The following nominations were made last evening for School Commissioner:

IVth Congressional District—Seth Bloomfield.
VIth Congressional District—Henry F. West, John Shields.
VIIth District—Adjourned to Saturday night.
IXth District—James Gregory.
XIth District—John Haring.
XIIIth District—James E. Coulter.
Fifteenth District—James O'Brien.
