CANCERS.

DR. W. C. COUDEN,

Formerly of Cincinnati, has located permanently in

Terre Haute,

Rooms over Coe's Drug Store.

Dr. Couden

Will devote special attention to the treatment of Cancers and Cancerous affections.

In calling attention to my Cancer Antidote, a new treatment for Cancer, permit me to say that it is the most wonderful discovery ever made in medicine. It is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer. Its operation is truly astonishing, without a parallel, and is the only known antidote to cancer, and all cancerous affections; the modus operandi of the antidote is apparently by entering into the chemical composition of the cancer, cancerous, malignant or unhealthy growth, thereby separating all life and vitality, annihilating, killing and destroying the cancer, every particle root and fibre belonging to it, without pain or the use of the knife; without caustic eating or burning; without the loss of blood, or in the least shocking the sound flesh. It can be applied to the naked eye or upon wound, and easily and freely as a plaster. By this means the cancer can be removed in no vital part, the eye, large throat wounds, or where no other treatment could possibly be used, and in doing so we feel assured of making permanent cures when all other means have failed. Its qualities are mild and all internal ills are invited to call, and will exhibit a large number of cancers that have been removed and preserved, and if desired will refer to hundreds of cases cured throughout the country.

Consumption, Asthma, Bronchitis, Pleurisy, and all affections, diseases of the throat, chest, liver, stomach and lungs, such as partial blindness or deafness, either acute or chronic. This is possession of almost a never failing remedy for Fits and Apoplectic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT.

Treated with success. Eruptive diseases, such as tetters, piles and tumors, scald head, syphilis, syphilitic affections, mercurial diseases, dyspepsia and indigestion, attendant gyrtes, or swell neck, and all affections of the Kidneys and Spine will receive due attention.

Also a new and successful remedy for removing Tape-Worm; and all other varieties of worm found.

The public and regular professionals invited to call and examine my specimens of cancer.

The term of service is THREE YEARS. The soldier will be entitled to the same Bounties, Pension, &c., in every respect as those allowed to, or to be allowed to men of the Volunteer service.

By good conduct and attention to duty, a soldier will certainly raise to the position of a non-commissioned officer, and from this class the law provides that meritorious men may be selected, as the wants of the service may require it, for promotion to the rank of commissioned officers in the army. The following is the rate of pay now established:

To Sergeant Major, $24 Quartermaster Sergeant, and principal Musician, each $21; to the 1st Sergeant of a Company, $16, other Sergeants each $15—Corporals, $13—Musicians, $12, Privates $11.

In addition to the pay as above stated, one ration per day and an abundant supply of good Clothing is allowed to every soldier. Quarters, fuel and Medical attendance are always provided by the Government without deduction from the Soldiers' pay. If a soldier itself becomes disabled in the line of his duties, the law provides for him a comfortable home, if he prefer it, or pay a competent pension. The Soldiers' Home, which will afford him a comfortable home so long as he may wish to receive its benefits.

Mothers and Representatives I bought remove the same Pay, Clothing, Medical attendance, &c., &c., as other recruits.

A premium of $2 dollars will be paid to any one presenting to whom it is a record.

The Recruiting officer will give all other information which may be desired.

They cure Nervous and Spinal Affections, pains in the back, and lower parts of the body, Heaviness, Fatigue on slight exertions, *Palpitation of the Heart, Lowness of Spirits, Hysteria, Sick Headache, Giddiness*, etc., etc. In a word, by removing the *Irregularity*, they remove the cause, and with it ALL the effects that spring from it.

Composed of simple vegetable extracts, they contain nothing deleterious to any constitution, however delicate, their function being to substitute strength for weakness, which, when properly used, they never fail to do.

They may be safely used at any age, and at any period, except DURING THE FIRST THREE MONTHS, during which the unfailing nature of their action would infallibly prevent pregnancy.

REJUVENATING ELIXIR!

Or, ESSENCE OF LIFE,

Prepared from Pure Vegetable Extracts containing nothing injurious to the most delicate.

"As the Phœnix rises from the ashes of its fire, so animated with new life"—so does this Elixir rejuvenate the system and overcome disease.

The Rejuvenating Elixir is the result of modern discoveries in the vegetable kingdom; being an entirely new and abstract method of cure, irrespective of all the old and worn out systems.

This medicine has been tested by the most eminent medical men of the day, and by them pronounced to be one of the greatest medical discoveries of the age.

One bottle will cure general Debility.

A few doses cures Hysterics in females.

One bottle cures Palpitation of the Heart.

From one to three bottles restores the manliness and full vigor of youth.

A few doses restores the appetite.

Three bottles cure the worst case of Impotency.

A few doses cures the low spirited.

One bottle restores mental power.

A few doses restores the organs of generation.

A few doses bring the rose to the cheek.

This medicine restores to manly vigor and robust health the poor debilitated, worn-down and despairing.

The listless, enervated youth, the over-tasked man of business, the victim of nervous depression, the individual suffering from general debility, or from weakness of a sexual nature will all find immediate and permanent relief by the use of this Elixir or Essence of Life.

Price, $2 per bottle or three bottles for $5, and forwarded by Express, on receipt of money to any address.

The Cherokee Pills and Rejuvenating Elixir, are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of these; those which they can purchase at a cheap price, and make more money by selling, than they can on these medicines. As you value your health, aye, the health of your future offspring, do not be deceived by such unprincipled Druggists, *ask for these medicines and take no others.* If the Druggist will not buy them for you, enclose the money in a letter, and we will send them to you by Express, securely sealed and packed, free from observation.

Ladies or Gentlemen can address us in perfect confidence, stating fully and plainly their disease and symptoms, as we treat all diseases of a chronic nature in male or female. Patients need not hesitate because of their inability to visit us, as we have treated patients successfully in all portions of the civilized globe, by correspondence.

Patients addressing us will please state plainly all the symptoms of their complaints, and write Post-office, County, State and name of writer, plain, and inclose postage stamp for reply.

DR. SEELYE'S LIQUID

CATARRH REMEDY.

Cure warranted if Directions are followed.

Hundreds of Citizens of Chicago have been Permanently Cured by this Medicine.

CALL FOR A PAMPHLET DESCRIBING ALL SYMPTOMS.

DR. D. H. SEELYE & CO.
SOLE PROPRIETORS.

Office—Masonic Temple,
ROOM NO. 11.
CHICAGO ..... ILLINOIS.

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose may be dry, or a slight discharge, thin and acrid, afterward becoming thick and adhesive.—As the disease becomes chronic, the discharges are increased in quantity and changed in quality, they are now thick and heavy, and are hawked or snorted off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symtom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day.

TESTIMONIALS.

From Hon. Thos. J. Turner, Ex-Member of Congress, from Illinois, late Speaker of Illinois House of Representatives, and Grand Master of A. F. & A. M. of the State of Illinois.

PEKIN, Oct. 11, 1863.

DR. D. H. SEELYE.

Dear Sir: In reply to your notice of the 17th inst. I would say that I was severely afflicted with Catarrh for years, when I became acquainted with you and bought two bottles of your liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was gone, was completely cured. I can recommend the medicine to all afflicted with "Catarrh."

Respectfully Yours,

THOS. J. TURNER.

This is to certify that to the use of Dr. Seelye's Catarrh Remedy, I experienced much relief, and have heard many speak of it as being invaluable for the cure of Catarrh.

Yours, &c.,

FURNACE.

PETER MARTIN'S

PATENT IMPROVED

Warm Air Furnaces

For Public and Private Use

For Wood or Coal.

I. L. FRANKEN, Indianapolis

AGENT.

THE attention of the public is called to the above Furnaces, as they combine ventilation with heating qualities.

The interior has, after years of experiments, succeeded in perfecting what he claims to be the best Furnace now in use. Among the many advantages over the ordinary furnaces, are:

The small amount of fuel required to keep it in operation.

Keeping the rooms constantly supplied with pure, fresh air, drawn from Nature's inexhaustible stock out of doors, which, by a recent improvement, purifies, thereby avoiding all dust.

Large Air Chambers, avoiding the confinement of heat in heated walls and hot-metal chambers.

Improved Water Chambers, which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The castings are heavy, and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the Self-regulating Arrangement of this Furnace, which has been pronounced by business men to be the

BEST EVER MADE.

Every Furnace warranted to give entire satisfaction.

REFERENCES.

By permission, I refer to the following parties, where the Furnaces are in operation:

CINCINNATI, April 18, 1864.

Martin's Patent Furnace, manufactured by Peter Martin, of this city, I have no hesitancy in pronouncing the best I have ever observed. He was employed to put one in the church I now serve, last fall. We have given it a fair trial, and the whole Society unite in pronouncing it as incomparable, superior to any thing we had ever seen. Several gentlemen of my congregation use his Furnace in their private residences, and in every case are perfectly satisfied. I can not take time minutely to describe this Furnace. I will just say that it burns less coal, and gives a greater volume of heat, than any furnace I am acquainted with, and is free from smoke, dust and impure air.

MR. MARTIN—This is to certify that we tried the Furnace you built for me, and are satisfied with it. Our rooms are amply heated. Yours, respectfully,

SISTERS NOTRE DAME.

I bear testimony to the above, having used the same Furnace all last winter, and am fully satisfied with all its arrangements. M. L. LAGOLLE, 311 Eighth street, of Leopold & Goodhart, No. 78 West Pearl street.
