MEDICAL.

CANCERS.

DR. W. C. COUDEN,

formerly of Cincinnati, has located permanently in

Terre Haute,

Rooms over Coe's Drug Store.

Dr. Coudon

will devote special attention to the treatment of Cancers and Cancerous affections.

In calling attention to my Cancer Antidote, a new treatment for Cancer, permit me to say that it is the most wonderful discovery ever made in medicine. It is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer. Its operation is truly astonishing, without a parallel, and is the only known antidote to cancer, and all cancerous affections; the modus operandi of the antidote is apparently by entering into the chemical composition of the cancer, cancerous, malignant or unhealthy growth, thereby removing all life and vitality, satisfying, killing and destroying the cancer, every particle root and fibre belonging to it, without pain or the use of the knife; without caustic eating or burning; without the loss of blood, or in the least affecting the sound flesh. It can be applied to the naked eye or an open wound, as easily and freely as water. By this means large cancers can be removed from vital parts, the eye, large blood vessels, &c., where no other treatment could possibly be used; and in doing so we feel assured of making permanent cures when all other treatment fails. The medical fraternity and all interested are invited to call, and I will exhibit a large number of cancers that I have thus removed and preserved, and if desired will refer to hundreds of cases cured throughout the country.

Consumption, Asthma, Bronchitis, Pharyngitis and all affections, treated by Inhalation, or otherwise. Particular attention paid to all diseases of the Eye and Ear, such as partial blindness or deafness, either acute or chronic. I am in possession of almost a never failing remedy for Fits and Epileptic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT.

Treated with success. Eruptive diseases, such as tetter, piles and tumors, solid head, syphilis, syphilitic affections, mercurial diseases, dyspepsia and indigestion, urinary gravel, or swell neck, and all affections of the Kidneys and Spine will receive due attention.

Also a new and successful remedy for removing worms and all other varieties of worm found in the public and regular professionals invited to call and examine my specimens of cancer.

Tuning.

HAVING JUST RECEIVED A full assortment of all kinds of material in Piano making and repairing, I am now prepared to overhaul Pianos and Melodeons, and warrant all work to give satisfaction. As it has been reported by some persons that there was no one here to do repairing, I would state that I have served a full apprenticeship to a Piano manufactory, I am also fully prepared to repair all other kinds of Musical Instruments in the most approved manner.

As the only workman in Terre Haute, all those having instruments needing repairs will do well to call.

Pianos tuned on short notice, also engagements made by the year.

Remember an instrument placed in the care of a workman can be preserved for many years longer, as the action of an instrument requires equally as much attention as the tuning.

CHEROKEE CURE

THE GREAT

INDIAN MEDICINE

ROOTS, BARKS AND LEAVES

An unfailing cure for *Spermatorrhœa, Seminal Weakness, Nocturnal Emissions,* and all diseases caused by *Self-Pollution,* such as *Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, Weak Nerves, Difficulty of Breathing, Trembling, Wakefulness, Eruptions on the Face, Pale Countenance, Insanity, Consumption,* and all the direful complaints caused by departing from the path of nature.

This medicine is a simple vegetable extract, and one on which all can rely, as it has been used in our practice for many years, and with thousands treated, it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn cases.

To those who have *trifled* with their constitutions, until they think themselves beyond the reach of medical aid, we would say, DESPAIR NOT! the CHEROKEE CURE will restore you to health and vigor, and after all quack doctors have failed!

Price Two Dollars per bottle, or three bottles for Five Dollars, and forwarded by Express to all parts of the world.

CHEROKEE REMEDY

CHEROKEE INJECTION,

Compounded from Roots, Barks and Leaves

CHEROKEE REMEDY, the great Indian Diuretic cures all diseases of the Urinary Organs, such as *Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gleet, Gonorrhœa, Leucorrhœa,* and is especially recommended in those cases of *Fluor Albus,* (or Whites in females,) where all the old nauseous medicines have failed.

It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

It is *diuretic* and *alterative* in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the Cherokee Remedy, and should be used in conjunction with that medicine in all cases of Gleet, Gonorrhœa, Fluor Albus, or Whites. Its effects are healing, soothing, and demulcent; removing all scalding, heat and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the cheap quack Injections.

By the use of the CHEROKEE REMEDY, and CHEROKEE INJECTION—the two medicines at the same time all Improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

Price, Cherokee Remedy, $2 per bottle, or three bottles for $5.

The Cherokee Remedy, Cherokee Injection and Cherokee Cures, are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of these; those which they can purchase at a cheap price, and make more money by selling, thus they can use these medicines. As you value your health, life, and the health of your future offspring, do not be deceived by such unprincipled Druggists, *ask for these medicines and take no others.* If the Druggists will not buy them for you, enclose the money in a letter, and we will send them to you by Express, securely sealed and packed free from observation.

Ladies or Gentlemen can address us in perfect confidence, stating fully and plainly their diseases and symptoms, as we treat all diseases of a chronic nature in male or female. Patients need not hesitate because of their inability to visit us, as we have treated patients successfully in all portions of the civilized globe, by correspondence.

Patients addressing us will please state plainly all the symptoms of their complaints, and write Post-office, County, State and name of writer, plain, and inclose postage stamp for reply.

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or at slight discharge thin and acrid, afterward becoming thick and adhesive. As the disease becomes chronic, the discharge is increased in quantity and changed in quality; they are now thick and heavy, and are blowed or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lost—and or feeling dullness frequently takes place. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or ropy mucous, which has fallen down from the head during the night. When this take place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day.

DR. D. H. SEELYE:

Dear Sir: In reply to your notice of the 17th inst. I would say that I was severely afflicted with Catarrh for years, which I believe acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was gone I was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours,

THOS. J. TURNER.

This is to certify that in the use of Dr. Seelye's Catarrh Remedy, I experienced much relief and have heard many speak of it as being invaluable for the cure of Catarrh.

FURNACE.

PETER MARTIN'S

PATENT IMPROVED

Warm Air Furnaces.

For Public and Private Use.

For Wood or Coal.

I. L. FRANKEN, Indianapolis

AGENT

THE question of the public is called to the above Furnace, as they combine ventilation with heating qualities.

Believing, after years of experiment, to combine all, or nearly what he claims to be the best Furnace now in use, among the many advantages over the ordinary furnaces, are

The small amount of fuel required to keep it in operation.

Keeping the room constantly supplied with pure, fresh air, drawn from the outside in exhausting the old atmosphere, which by a recent improvement purifies it, thereby avoiding all ague.

Large Air Chambers, avoiding the confinement of our kitchen walls and hot-air chambers.

Improved Water Chambers which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The cost of are heavy and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the Self-regulating Arrangement of this Furnace, which has been pronounced by business men to be the

BEST EVER MADE.

Every Furnace warranted to give entire satisfaction.

REFERENCES.

By permission, I refer to the following parties, where the Furnaces are in operation:

CINCINNATI, April 18, 1864.

Martin's Patent Furnace, manufactured by Peter Martin, of this city, I have no hesitancy in pronouncing the best I have ever observed. He was employed to put one in our church a new survey last fall. We have given it a fair trial, and the whole Society unite in praising it as incomparable, superior to any thing we had ever seen. Several gentlemen of my congregation use his Furnace in their private residences, and in every case are perfectly satisfied. I am not aware that any material is to describe this Furnace. I will just say that it burns less coal, and gives a greater volume of heat, than any furnace I am acquainted with, and is free from smoke, dust and impure air.

WILLIAM McKAID,

Pastor Third Presbyterian Church, Cincinnati, O.

MR. NOTRE DAME, READING, O., Nov. 20, 1861.

Mr. Martin—This is to certify that we tried the Furnace you built for us, and are satisfied with it. Our rooms are simply heated. Yours, respectfully,

SISTERS NOTRE DAME.

I have testimony to the above, having used the same Furnace all last winter, and am fully satisfied with all its arrangements. M. L. LEOPOLD,
