MEDICAL.

CANCERS.

DR. W. C. COUDEN,

Formerly of Cincinnati, has located permanently in

Terre Haute,

Rooms over Coe's Drug Store.

Dr. Couden

Will devote special attention to the treatment of Cancers and Cancerous affections.

In calling attention to my Cancer Antidote, a new treatment for Cancer, permit me to say that it is the most wonderful discovery ever made in medicine. It is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer. Its operation is truly astonishing, without a parallel, and is the only known antidote to cancer, and all cancerous affections; the modus operandi of the antidote is apparently by entering into the chemical composition of the cancer, cancerous, malignant or unhealthy growth, thereby removing all life and vitality, antidoting, killing and destroying the cancer, every particle root and fiber belonging to it, without pain or the use of the knife; without caustic eating or burning; without the loss of blood, or in the least affecting the sound flesh. It can be applied to the naked eye or an open wound, as easily and freely as water. By this means large cancers can be removed from vital parts, the eye, large blood vessels, &c., where no other treatment could possibly be used; and in doing so we feel assured of making permanent cures when all other treatment fails. The medical fraternity and all interested are invited to call, and will exhibit a large number of cancers that I have thus removed and preserved, and if desired will refer to hundreds of cases cured throughout the country.

Consumption, Asthma, Bronchitis, Pharyngitis and all other diseases of the Throat, by inhalation, or otherwise, particular attention paid to all diseases of the Eye and Ear, such as partial blindness or deafness, either acute or chronic. I am in possession of almost a never failing remedy for Fits and Apoplectic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT,

treated with success. Syphilitic diseases, such as ulcers, piles and tumors, scald head, syphilis, syphilitic affections, mercurial diseases, dyspepsia and indigestion, principally treated, pravell neck, and all affections of the Kidneys and Spine will receive due attention.

Also a new and successful remedy for removing tape Worm and all other varieties of worm found. The patient need not be prepared for further to call and examine by speculum and cancer antidote free.

Piano Repairing

AND

Tuning.

HAVING JUST RECEIVED A full assortment of all kinds of material in Piano making and repairing, I am now prepared to overhaul Pianos and Melodeons, and warrant all work to give satisfaction. As it has been reported by some person that there was no one here to do repairing, I would state that I have served a full apprenticeship in a Piano manufactory, I am also fully prepared to repair all other kinds of Musical Instruments in the most approved manner.

As the only workman in Terre Haute, all those having instruments needing repairs will do well to call.

Pianos tuned on short notice, also engagements made by the year.

Remember an instrument placed in the care of a workman can be preserved for many years longer, as the action of an instrument requires equally as much attention as the tuning.

CHEROKEE CURE

THE GREAT

INDIAN MEDICINE

ROOTS, BARKS AND LEAVES

An unfailing cure for *Spermatorrhœa, Seminal Weakness, Nocturnal Emissions*, and all diseases caused by *Self-Pollution*, such as *Loss of Memory, Universal Lassitude, Pains in the Back, Dimness of Vision, Premature Old Age, Weak Nerves, Difficulty of Breathing, Trembling, Wakefulness, Eruptions on the Face, Pale Countenance, Insanity, Consumption*, and all the direful complaints caused by departing from the path of nature.

☞ This medicine is a simple vegetable extract, and one on which all can rely, as it has been used in our practice for many years, and with thousands treated, it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn case.

☞ To those who have *trifled with their constitution*, until they think themselves beyond the reach of medical aid, we would say, DESPAIR NOT; the CHEROKEE CURE will restore you to health and vigor, and after all quack doctors have failed!

☞ Price Two Dollars per bottle, or three bottles for Five Dollars, and forwarded by Express to all parts of the world.

CHEROKEE REMEDY

AND

CHEROKEE INJECTION,

Compounded from Roots, Barks and Leaves

CHEROKEE REMEDY, the great Indian Diuretic cures all diseases of the Urinary Organs, such as Incontinence of the *Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gonorrhea, Gleet*, and is especially recommended in those cases of *Pleor Albus*, (or Whites in females,) where all the old nauseous medicines have failed.

☞ It is prepared in highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

☞ It is *diuretic* and *alterative* in its action purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended specifically as assistant to the Cherokee Remedy, and should be used in conjunction with that medicine in all cases of Gleet, Gonorrhea, Fluor Albus, or Whites. Its effects are healing, soothing and demulcent, removing all scalding, heat and pain, instead of the burning and scalding or unendurable pain that is experienced with nearly all the cheap quack injections.

☞ By the use of the CHEROKEE REMEDY, and CHEROKEE INJECTION—the disease leaves at the same time all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

☞ Price, Cherokee Remedy, $2 per bottle, or three bottles for $5.

☞ Price, Cherokee Injection, $2 per bottle, or three bottles for $5.

Sent by Express to any address on receipt of price.

☞ The Cherokee Remedy, Cherokee Injection and Cherokee Cure, are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of these, from which they can purchase at a cheap price, and make more money by selling, than they can on these medicines. As you value your health, aye, the health of your future offspring, do not be deceived by such unprincipled Druggists, but if they offer medicines and tell you they are just as good as the Cherokee Remedy, take no others. If the Druggists will not buy them for you, enclose the money in a letter, and we will send them to you by Express, securely sealed and packed free from observation.

Ladies or Gentlemen can address us in perfect confidence, stating fully and plainly their diseases and symptoms, as we treat all diseases of a chronic nature in male or female. Patients need not hesitate because of their inability to visit us, as we have treated patients successfully in all portions of the civilized globe, by correspondence.

Patients addressing us will please state plainly all the symptoms of their complaints, and write Post-office, County, State and name of writer, plain, and inclose postage stamps for reply.

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose may be dry, or a slight discharge, thin and acrid, afterward becoming thick and adhesive.—As the disease becomes chronic, the discharges are increased in quantity and changed in quality, they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symtom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day.

PAYSPOUT, Oct. 21, 1863.

DR. D. H. SEELYE;

DEAR SIR: In reply to your notice of the 17th inst I would say that I was severely afflicted with Catarrh for years, when I became acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was finished, was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours,

THOS. J. TURNER.

This is to certify that in the use of Dr. Seelye's Catarrh Remedy, I experienced much relief and have heard many speak of it as being invaluable for the cure of Catarrh.

Yours, &c.,

Chicago May 12, 1864. EDWARD ELY.

FURNACE.

PETER MARTIN'S

PATENT IMPROVED

Warm Air Furnaces

For Public and Private Use

For Wood or Coal.

I. L. FRANKEN, Indianapolis AGENT.

THE attention of the public is called to the above Furnaces, as they combine ventilating with heating qualities.

The inventor has, after years of experiments, succeeded in perfecting what he claims to be the best Furnace now in use. Among the many advantages over the ordinary furnaces, are:

The small amount of fuel required to keep it in operation.

Keeping the rooms constantly supplied with pure, fresh air, drawn from Nature's inexhaustible stock out of doors, which, by a recent improvement, purifies, thereby avoiding all dust.

Large Air Chambers, avoiding the confinement of heat in heated walls and hot-metal chambers.

Improved Water Chambers, which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The castings are heavy, and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the Self-regulating Arrangement of this Furnace, which has been pronounced by business men to be the

BEST EVER MADE.

☞ Every Furnace warranted to give entire satisfaction.
