MEDICAL.

CANCERS.

DR. W. C. COUDEN,

Formerly of Cincinnati, has located permanently in

Terre Haute,

Rooms over Coe's Drug Store

Dr. Couden

will devote special attention to the treatment of Cancers and Cancerous affections.

In calling attention to my Cancer Antidote, a new department for Cancer, permit me to say that it is the most wonderful discovery ever made in medicine. It is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer. Its operation is truly astonishing, without a parallel, and is the only known antidote to cancer, and all cancerous affections; the modus operandi of the antidote is apparently by entering into the chemical composition of the cancer, cancerous, malignant or unhealthy growth, thereby removing all life and vitality, antidoting, killing and destroying the cancer, every particle root and fibre belonging to it, without pain or the use of the knife, without caustic eating or burning; without the loss of blood, or in the least affecting the sound flesh. It can be applied to the naked eye or an open wound, as easily and freely as water. By this means large cancers can be removed from vital parts, the eye, large blood vessels, &c., where no other treatment could possibly be used, and in doing so we feel assured of making permanent cures when all other treatment fails. The medical fraternity and all interested are invited to call, and will exhibit a large number of cancers that I have done removed and preserved, and if desired will refer to hundreds of cases cured throughout the country.

Consumption, Asthma, Bronchitis, Pharyngitis and all affections, treated by inhalation, or otherwise. Particular attention paid to all diseases of the Eye and Ear, such as partial blindness or deafness, either acute or chronic. I am in possession of almost a never failing remedy for Fits and Apoplectic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT.

Treated with success. Eruptive diseases, such as ulcers, piles and tumors, scald head, syphilis, syphilitic affections, mercurial diseases, dyspepsia and indigestion, scirrhous gritre, or swell neck, and all affections of the Kidneys and Spine will receive due attention.

Also a new and successful remedy for removing tape worm and all other varieties of worms found. The public and regular professionals invited to call and examine my specimens of cancer (antidotes).

To Every One.

Piano Repairing AND Tuning.

HAVING JUST RECEIVED A full assortment of all kinds of material in Piano making and repairing, I am now prepared to overhaul Pianos and Melodeons, and warrant all work to give satisfaction. As it has been reported by some person that there was no one here to do repairing, I would state that I have served a full apprenticeship in a Piano manufactory, I am also fully prepared to repair all other kinds of Musical Instruments in the most approved manner.

As the only workman in Terre Haute, all those having instruments needing repairs will do well to call.

Pianos tuned on short notice, also engagements made by the year.

Remember an instrument placed in the care of a workman can be preserved for many years longer, as the action of an instrument requires equally as much attention as the tuning.

CALL FOR A CIRCULAR DESCRIBING ALL SYMPTOMS.

DR. D. H. SEELYE & CO.,

Office--Masonic Temple,

ROOM NO. 11.

CHICAGO.....ILLINOIS.

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight, Persons find they have frequent attacks, and are more sensitive to the changes of temperature, in this condition the nose may be dry, or a slight discharge, thin and acrid, afterward becoming thick and adhesive,—As the disease becomes chronic, the discharges are increased in quantity and changed in quality, they are now thick and heavy, and are hawked or coughed off The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symtom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on the way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day

TESTIMONIALS.

From Hon. Thos. J. Turner, Ex-Member of Congress, from Illinois, late Speaker of Illinois House of Representatives; and Grand Master of A. F. & A. M. of the State of Illinois.

FREEPORT, Oct. 21, 1863.

DR. D. H. SEELYE;

DEAR SIR: In reply to your notice of the 17th inst I would say that I was severely afflicted with Catarrh for years, when I become acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was finished, was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours,

THOS. J. TURNER.

This is to certify that in the use of Dr. Seelye's Catarrh Remedy, I experienced much relief and have heard many speak of it as being invaluable for the cure of Catarrh.

Yours, &c,

FURNACE.

PETER MARTIN'S

PATENT IMPROVED

Warm Air Furnaces

For Public and Private Use

For Wood or Coal.

I. L. FRANKEN, Indianapolis, AGENT.

THE attention of the public is called to the above Furnaces, as they combine ventilation with heating qualities.

The inventor has, after years of experiments, succeeded in perfecting what he claims to be the best Furnace now in use. Among the many advantages over the ordinary furnaces, are:

The small amount of fuel required to keep it in operation.

Keeping the rooms constantly supplied with pure, fresh air, drawn from Nature's inexhaustible stock out of doors, which, by a recent improvement, purifies, thereby avoiding all dust.

Large Air Chambers, avoiding the confinement of heat in heated walls and hot-metal chambers.

Improved Water Chambers, which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The castings are heavy, and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the Self-regulating Arrangement of this Furnace, which has been pronounced by business men to be the

BEST EVER MADE.

☞ Every Furnace warranted to give entire satisfaction.

REFERENCES.

By permission, I refer to the following parties, where the Furnaces are in operation:

CINCINNATI, April 18, 1864.

Martin's Patent Furnace, manufactured by Peter Martin, of this city, I have no hesitancy in pronouncing the best I have ever observed. He was employed to put one in the church I now serve, last fall. We have given it a fair trial, and the whole Society unite in praising it as incomparable, superior to any thing we had ever seen. Several gentlemen of my congregation use his Furnace in their private residences, and in every case are perfectly satisfied. I can not take time minutely to describe this Furnace. I will just say that it burns less coal, and gives a greater volume of heat, than any furnace I am acquainted with, and is free from smoke, dust and impure air.

WILBER McKAIG,
Pastor Third Presbyterian Church, Cincinnati, O.

MT. NOTRE DAME, BELMONT, O., Nov. 20, 1861.

Mr. Martin—This is to certify that we tried the Furnace you built for us, and are satisfied with it. Our rooms are amply heated. Yours, respectfully,

SISTERS NOTRE DAME.

I bear testimony to the above, having used the same Furnace all last winter, and am fully satisfied with all its arrangements. M. L. LEOPOLD,
141 Eighth street, of Leopold & Goodheart, No. 75 West Pearl street.

Cincinnati, June 28, 1862.

The First Presbyterian Church have two in use.

I have one of Peter Martin's Hot Air Furnaces. It gives entire satisfaction. GRIFFIN TAYLOR.
