Dr. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age—The most extraordinary Medicine in the World.
This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patient.

THE great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best *Spring and Summer Medicines* ever known; it not only purifies the whole system and strengthens the person, but it *creates new, pure and rich blood*; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease, at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

10,000 *cases of General Debility and want of Nervous Energy.*

Dr. Townsends Sarsaparilla invigorates the whole system permanently. To those who have lost their nervous energy by the effects of medicine or indiscretions committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any.

Consumption Cured.

Cleanse and strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of blood soreness in the chest, hectic flush, night sweats, difficult or profuse expectoration, pain in the side, &c., have been and can be cured.

Spitting Blood.

New York, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. You can well imagine that I am thankful for these results. Your obt. serv't,

WM. RUSSELL, 65 Catharine-st.

Fever and Ague.

Dr. Townsend's Sarsaparilla is unequalled in cases of the chills, and Fever and Ague. The following letter is only one of hundreds that we have received from the south and west of the like character.

Oswego, Mich., Oct. 22, 1847.

Dr. Townsend:—Dear sir—I purchased for my wife two bottles of sarsaparilla of your agent, Mr. Mc-Nair, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle, it appeared to warm the blood, and every other day, when the chills and Fever appeared, they were less violent and before she had finished the bottle, she was entirely relieved, and she was much better than she had been before she took the agne.

Yours respectfully, CHARLES H. SWAIN.

Rheumatism.

There is only one of more than four thousand cases of rheumatism that Dr. Townsend's sarsaparilla has cured. The most severe and chronic cases are weekly eradicated to its astonishing virtues.

James Cummings, Esq., one of the Assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend:—Dear sir—I have suffered terribly for nine years with the rheumatism; considerable of the time I could not eat, sleep, or walk. I had the almost distressing pains, and my limbs were terribly swollen. I have used four bottles of your sarsaparilla, and they have done me more than a thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours respectfully, JAMES CUMMINGS.

Fits! Fits! Fits!

Dr. Townsend not having tested his sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable farmer in Westchester co.

Fordham, August 13, 1847.

Dr. Townsend:—Dear Sir—I have a little girl seven years of age, who has been several years affected with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation in our calendar for cases like hers, we thought, as she was in very delicate health, we would give her some of your sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful.

Yours respectfully, JOHN POTTER, Jr.

Great Blessing to Mothers and Children.

It is the safest and most efficacious medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, and increases and enriches the food. Those who have used it think it indispensable.

Notice to the Ladies.

Those that imitate Dr. Townsend's sarsaparilla, have invariably called their stuff a great remedy for females, &c. &c., and have copied our bills and circulars which relate to the complaints of women word for word; other men, who put up medicine, have, since the great success of Dr. Townsend's sarsaparilla in complaints incident to females, recommended theirs, although previously they did not. A number of these mixtures, pills, &c. are injurious to females, contain mercury, drive disease, and undermine the con-

WHOLESALE AND RETAIL.

Large Vrrival of Spring and Summer Clothing at the Stere of KOHN & MANDLEBAUM,

Or New York Clothing & Furnishing Store, next door to the Post Office.

THE subscribers would respectfully inform the citizens of Ottawa, and surrounding country, that they are now receiving and opening a large and splendid assortment of spring and summer Ready Made Clothing which they will guarantee to purchasers to be as well made as can be done at any tailoring establishment in the country. Their present stock is much superior in cut, style, and quality to anything ever opened in this place of the kind. For fits and patterns, they are satisfied that their goods are unsurpassed by any establishment in the west. Besides this great improvement in the quality of their goods, they have *reduced the prices of them*, and are now selling much lower than clothing have ever been offered in this place either by them or any body else. They respectfully invite all to call and see their stock and examine it for themselves. Don't be afraid of giving too much trouble, for they take pride in showing their goods, and have adopted "No trouble to show goods" as their motto. Then call at the New York Clothing Emporium before purchasing elsewhere; bring with you your friends, and if you think you cannot do as well here as elsewhere, you will not be obliged to purchase. Their prices, and style, quality, and beauty of their goods are the only inducements they offer to purchasers. They cannot be undersold. April 6, 1849.
