FOR SALE.

$4,000,000

8 Per Cent First Mortgage Land Grant Sinking Fund Bonds,

OF THE

Saint Paul and Chicago RAILWAY COMPANY.

PAYMENT OF PRINCIPAL GUARANTEED

BY THE

Farmers' Loan and Trust Company

OF THE CITY OF NEW-YORK.

Interest Payable Quarterly.

Free of United States Internal Revenue Tax.

PRINCIPAL DUE JULY 1, 1900, AND INTEREST DURING CONSTRUCTION, ASSUMED BY THE FARMERS' LOAN AND TRUST COMPANY, AND PAYABLE AT THEIR OFFICE.

We offer for sale to our friends and the public the above Bonds, believing that they possess advantages and security for the bondholders beyond that of any other Railroad obligation ever offered in this market. The interest is fully secured as follows:

FIRST.—During construction (2 years) it is assumed by THE Farmers' Loan and Trust Company.

SECOND.—Thereafter by the proceeds of land sales from the Company's munificent grant of lands, amounting to 904,960 acres. It is estimated that while the interest is being paid by the Trust Company, that the land sales will accumulate a fund, for the payment of the coupons and sinking fund, of over a million of dollars, and that the annual sales of land will amount to more than the interest on the bonds.

THIRD.—The Railway, Lands, Equipment, and all property now owned or that which may hereafter be acquired by the Company, has been conveyed to the Farmers' Loan and Trust Company, to be by them held as Trustees for the bondholders, with proper provisions to secure and enforce the prompt payment of the coupons as they fall due. The net earnings as estimated will amount to over four times the annual interest.

The principal is fully secured to The Farmers' Loan and Trust Company, in consideration of which that corporation assumes and agrees to pay it at maturity.

The Railway extends from St. Paul, on the Mississippi, to Winona, LaCrosse, and the Iowa State line, a distance of 150 miles; at Winona it will connect with the Chicago and North-Western extension from Madison, and form an air line to Chicago, and place St. Paul and Chicago within eleven hours of each other. Its local importance cannot well be over estimated, and it connects a large net work of roads centering at St. Paul with the system of Railways East and South. There is no incumbrance beside the bonds on the road or lands. Subscriptions have been promised, and are being made by all the towns along the line.

Parties wishing these bonds as a desirable investment can apply to us in person, or by letter.
