A Teller Captured.

BOSTON, October 30th.—George H. Singlebury, Assistant receiving Teller of the National Bank of Redemption, in this city, has been arrested, charged with embezzeling $31,000 of the bank funds in the last two years. He has returned $20,000.

The Louisiana Trouble.

NEW IBERIA, La., October 31st—The Deputy Marshal arrested to-day at St. Martin Parish, eight persons. At the examination one was discharged, two held under bonds of $6,000 each, and the others in $1,000 each.

Two men were arrested in Iberia Parish to-day. A number of rich planters offers to make affidavit that Commissioner Ridell refused to accept them as bondsmen for the arrested men.

NEW ORLEANS, October 30—Five persons were reported to Marshal Packard, to-day, as having been arested in Camp Merrill, October 22d, for complicity in the Coushatta affair.

Duff Sells out and Resigns.

NEW YORK, October 30th.—It is reported that John Duff has sold his stock in the Atlantic and Pacific Telegraph Company to the Union Pacific Railroad Company and has resigned as President of the company. Mr. L. S. Morton has resigned as trustee in the Atlantic and Pacific Telegraph Company.

That Bill of Items.

NEW YORK, October 30.—Chief Justice Neilson has denied the motion of counsel for Henry Ward Beecher to compel Theordore Tilton to furnish a bill of particulars, specifying the time and place in which the alleged improper intimacies took place between Beecher and Mrs. Tilton.

An Unsafe Savings Bank.

MILFORD, N. H., October 30th.—The Milford Savings Bank has suspended. Liabilities, $500,000; covered, it is believed, by assets.

Washington Items.

WASHINGTON, October 30th.—The President has appointed A. R. Martin Melter and Refiner in the San Francisco Mint.

Thos. P. Ochiltree has been suspended from the office of Marshal of the Eastern District of Texas and Lemuel D. Evans has been appointed instead. Evans was formerly a Judge in Texas and ex-Member of Congress.

Secretary Bristow has had under consideration for some time the question whether Federal office-holders should be allowed to become candidates for election for office while they hold their positions. The President and Secretary has held several consultations with regard to this question. The President fully approved of the views of the Secretary, which are that Federal office-holders should under no circumstances during their term of office, become candidates for elective positions.

The Massachusetts Republicans Demoralized.

A *Times* Washington special says: *"A well-known Massachusetts* Republican who reached Washington this morning says there is a good deal of demoralization in the party ranks there. The prohibition platform is driving off thousands of Republicans from the support of the ticket in the cities and towns where the license policy is favored. It is not thought that the State ticket will be lost, although a large reduction of the usual Republican majority is conceded. The Opposition are very confident of securing three if not four of the Congressmen. Gen. Banks is sure of his election. The attempt of his Republican opponent to carry the workmen in the Charlestown Navy Yard against him has failed. In the Lowell district the unpopularity of Ayr promises to elect Turbox, his opponent; whilst Chapin, President of the Boston and Albany Railroad, will carry the Springfield District. It is said that Republican disaffection in one of the Boston District gives the opposition a favorable show there.

Clews' Bankruptcy—Charges Against the Notorious Commissioner Davenport.

NEW YORK, October 29th.—A motion in behalf of the creditors to appoint a receiver of the property of Henry Clews was denied.

An application was made in the U. S. Court to-day, on the part of Oswald Ottendorfer and others, for the removal of U. S. Commissioner Davenport on the grounds of malfeasance in office and improper and arbitrary use of powers vested in him as Supervisor of Elections. He is also charged with causing the arrest of respectable citizens without any provocation, committing persons under excessive bail, and refusing to grant them an examination legally. It is also charged that he used his authority for the purpose of assisting political friends and furthering his personal interests.

PHILADELPHIA, October 29th.—In the Jay Cook case, before the U. S. Circuit Court, Judges Strong and McKenan have reversed the order of the District Court appointing a meeting of the creditors under the 27th section of the Bankrupt Act.

FOREIGN.

From Over the Water.

BERLIN, October 30th.—The Kullmann trial was resumed to-day. The Judge in summing up the testimony as to the mental condition of the prisoner, said he was only partially accountable for his acts at the time of the attempted assassination. Kullman was found guilty as charged in the indictment, and was senced to imprisonment for fourteen years—in the House of Correction for ten years, the suspension of his civil rights and police surveillance of life.

MADRID, October 30th.—The Government has acceded to General Lagerna's demand for reinforcements for the Army of the North. He has returned to Lograno and will resume command of that army.

It is reported that Don Alfonso and his wife have returned to France.

SAN FRANCISCO.

A Young Murderer—Death of "Gloster"—The Great Trot.

SAN FRANCISCO, October 31st.—Louis Berry, a youthful negro, murdered his father this morning. He chopped his head in pieces with a hatchet and cut his throat with a large knife. The father's name is Isaac Berry, and he was over seventy years of age.

SAN FRANCISCO, October 30th.—The celebrated trotting horse, Gloster, died to-day of lung fever. He was buried at the grounds of the Bay District Fair tract. The horse was sick when he arrived here.

The great trotting race to-morrow, mile and repeat, between Occident and Fullerton, is selling in the pools: Occident at $110, Fullerton, $100.

The all-absorbing topic amongst turf men is the four-mile running race to come off on the 14th.

Occident Wins the Great Trot.

SAN FRANCISCO, October 31st.—There was an immense crowd at the Bay District course this evening to see the great trot between Judge Fullerton and Occident. Immense sums were staked on the race at about even odds, Occident being somewhat the favorite. Budd Doble, the celebrated trainer of Goldsmith Maid, drove Occident. Fullerton won the first heat in 2:19, and was then the favorite at the pool stand, but Occident won the next two heats in 2:18 and 2:22¾.

Fire in a Coal Mine.

ANTIOCH, October 26th.—A fire occurred at Nortinville this morning at the new shaft of the Black Diamond Coal Company. The construction of the shaft and works was commenced a little over two years ago and was just about completed. The fire was discovered about 5 o'clock this morning and burned about three hours. One of the engines of about 70-horse power was almost totally destroyed, together with a portion of the pit-head. The other engine was but slightly injured. Mr. Prutton, Superintendent, estimates that it will cost $10,000 to repair the damages. He also states that the fire was evidently the work of an incendiary, as there had been no fire in the vicinity. Mr. Prutton was not aware of any insurance.

NOTICE.

THE DELINQUENT LISTS of the various counties of the State, for the 24th and 25th Fiscal years, (1872-3—1873-4) are now in my hands for collection. Many persons are delinquent for small sums upon personal property, and are urged to examine the rolls in the hands of the Tax Collector of their respective counties and to make immediate payment. The law is imperative, that the payment of the State tax for these years must be enforced, and unless voluntary payments are made at once, heavy costs will be incurred by the delinquents.

J. J. GREEN,
Controller of State.
