How Smith Lost a Case.

The court and jury, as well as spectators, generally enjoy the scene when a lawyer, in an attemp to browbeat a witness, comes off second best in the encounter. A correspondent recalls an amusing incident of this sort, which happened a few years ago in an Albany court room.

The plaintiff, who was a lady, was called to testify. She got on very well and made a favorable impression on the jury under the guidance of her counsel, Hon. Lyman Tremain, until the opposing counsel, Hon. Henry Smith, subjected her to a sharp cross examination. This so confused her that she fell to the floor in a swoon.

Of course this excited general sympathy in the audience, and Mr. Smith saw that his case looked badly.

An expedient suggested itself by which to make the swooning appear like a piece of stage trickery, and thus destroy sympathy for her. The lady's face in swooning had turned purple red, and this fact suggested the new line of attack. The next witness was a middle aged lady. The counsel asked:

"Did you see the plaintiff faint a short time ago?"

"Yes, sir."

"People turn pale when they faint, don't they?"

A great sensation in the court, and evident confusion of witnesses. But in a moment the answered, "No, not always."

"Did you ever hear of a person fainting where the party did not turn pale?"

"Yes, sir."

"When?"

"'s bout a year ago."

"Where was it?"

"In this city."

"Who was it?"

By this time the excitement was so intense that everybody listened anxiously for the reply. It came promptly with a twinkle of the witness' eye, as if from irrepressed humor:

"Twas a negro, sir."

Peal after peal of laughter shook the room, in which the aged judge joined.

J. J. TURNER & CO'S EXCELSIOR AND FISH GUANO for sale by
THOMAS PERRY, Agt.,
oct 21-1w 17 King street.

$20 FISH GUANO. $20
PER TON OF 2000 LBS.

I am now prepared to furnish the above valuable fertilizer at the low price of $20 per ton of 2000 lbs, delivered on cars or boats. It is in its crude state, and farmers in want had better order early, so they can prepare it for fall seeding. There is nothing in this guano but the pure fish with the oil extracted (which is said by all chemists to be no fertilizer.) I can refer to those I sold it to last spring, most of whom have already sent in their orders for more to use on their wheat.
